Tonight at Concord at 7:30 our meeting will begin with Rev. Leon Russell assisting the pastor. Each one of us ought to resolve to put God first, and during this week show others our resolve by attending all of the services.

Do you KNOW Jesus as a personal Savior? Does your life convince others that Jesus is ABLE to save? Is my life a help or a hindrance to Jesus in the building of His Kingdom on earth?

The repair work on the parsonage has already started. The carpenter has finished his work, the plumber will begin this week, and the painter will begin within a few weeks.

Warren's Grove and Woodsdale have raised their proportionate amounts. Oak Grove is almost to her goal.

"A stitch in time saves nine".
The parsonage needed some repairs and it is cheaper now than later.

"I believe in God the Father Almighty, Maker of heaven and earth; and in Jesus Christ his only Son our Lord; who was conceived by the Holy Ghost, born of the Virgin Mary; suffered under Pontius Pilate, was crucified, dead, and buried, the third day he rose again from the dead, he ascended into heaven, and sitteth at the right hand of God the Father Almighty; from thence he shall come to judge the quick and the dead.

I believe in the Holy Ghost; the holy catholic Church; the communion of saints; the forgiveness of sins; the resurrection of the body; and the life everlasting. Amen."

-- -- -- --
A THREE HOUR SERVICE will be held on Good Friday, April 15, from 12 to 3 in the Edgar Long Memorial Church. These hours are the hours in which the Christ hung on the cross.

The ministers of the County will participate in the service, and each of you is urged to attend the entire service if possible. If you cannot stay for the whole service, come and stay as long as you can.

LEAVE ALL YOUR CARES WITH JESUS

There's never a day so dreary,
But Jesus your heart can cheer;
There's never a sky so cloudy,
But Jesus can make it clear.

There's never a night of anguish
So long but its morning breaks,
And lends to the patient sufferer,
A hope that fresh courage wakes.

There's never a night of watching,
But Jesus rewards with light;
He holdeth mine eyelids waking
With glimpses of glory bright.

There's never an hour more lonely
Than Christ in the garden knew;
There's never a cup so bitter
As Jesus once drank for you.

There's never a cross so heavy
As that which the Savior bore;
There's never a weight too grievous
For Jesus with you to share

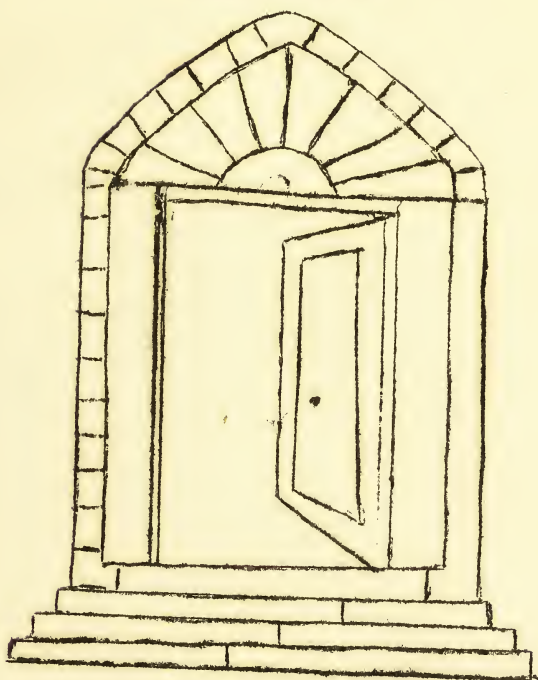

There's never a grief nor heartache
But Jesus felt here below;
There's never a wound so cruel
But Christ doth a cordial know.

Think through these thoughts

If you would blast obstacles from your path, first apply the match of enthusiasm to the fuse of energy.

There are no problems too big to solve, but there are lots of people too small to solve them.

The way a fellow tackles hard work shows whether his ambition is erected around a backbone or draped over a wishbone.

WHAT SHALL WE DO ?

The total indebtedness on our church is \$ 4,900.00. We have secured in good personal pledges \$ 3,000.00. The Duke Endowment will pay the last \$ 500.00 if we do not wait too long to raise the balance. Including the \$ 500.00 from Duke we have \$ 3,500.00 pledged. This leaves only \$ 1,400.00 to be secured in good pledges to pay the debt in full. A total of \$ 769.00 has been paid during the past few days on condition that the total be raised. Would it not be tragic to lose what we have gained by letting the matter drop now ?

Your pastor has pledged his limit, has worked day and night, and has ridden hundreds of miles wrestling with this problem. He is willing to help in any way possible to complete the task, but it is impossible for one to hold up under such a load for a prolonged period of time; therefore, the matter is now with the individual members. It is for you to say what we are to do about it. You vote today as to what shall be done. To do nothing means to vote against the plan. IF YOU ARE IN FAVOR OF PUTTING THIS MATTER ACROSS LET IT BE KNOWN TO YOUR PASTOR TODAY.

LIFE'S JOURNEY

Life is like a journey,
Taken on a train,
With a pair of travelers
At each window pane.

I may sit beside you
All the journey through,
Or I may sit elsewhere,
Never knowing you.

But if fate should mark me
To sit by your side,
Let's be pleasant travelers;
It's so short a ride.

A determined soul will do
more with a rusty monkey-
wrench than a loafer will ac-
complish with a machine shop.
.....

Many of us spend half our
time wishing for things we
could have if we didn't spend
half our time just wishing.

New Year Greetings To All

Dear Friends,

The pastor and his family wish to thank you for the many expressions of your esteem and friendship during these holy days. We would love to send individual greetings to each one of you. In place of this, will you accept, with slight changes, Dr. Henry Van Dyke's classic greeting, as our own to you - for all the New Year:

"I have been thinking of you during this week because it has been Christmas time, and I wish you happiness, and next week, because it will be the week after Christmas, I shall still wish you happiness; and so on clear through the year. I may not be able to tell you about it every day, because we may not be near each other; or because both of us may be very busy; or perhaps I may not be able to pay the postage on so many notes or find time to write them. But that makes no difference. The thought and the wish will be there just the same. In my work and in the business of life I mean to try not to be unfair to you or to injure you in any way. In my pleasure, whenever we can be together, I would like to share the fun with you. Whatever joy or success comes to you will make me glad. Without pretense and in plain words, good will to you is what I mean, in the spirit of Christ."

Sincerely,

Your pastor,

H. K. King.

A MOTTO FOR THE YEAR

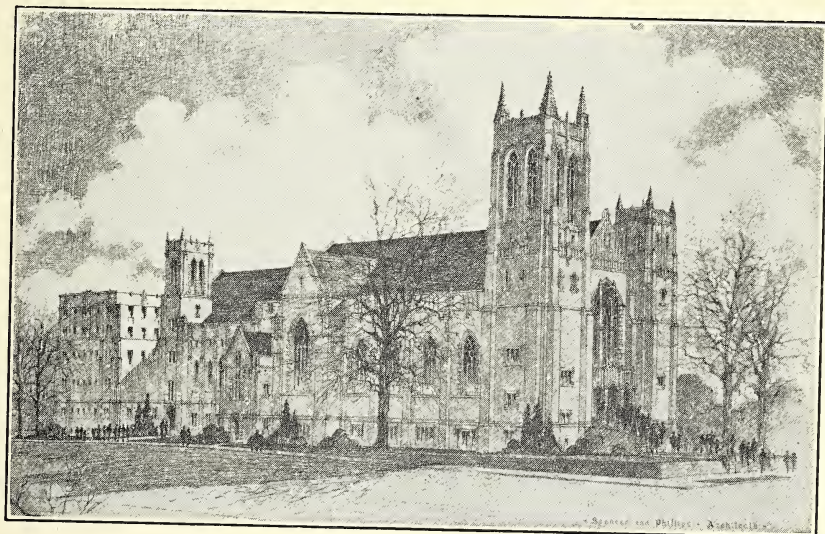

I count not myself to have apprehended:
But this one thing I do,
Forgetting those things which are behind,
and reaching forth to those things which
are before,

I press toward the mark of the prize of
the high calling of God in Christ Jesus.

Parks Smith, 321 East Boulevard, from Stewart Avenue Church, Atlanta, Ga.; Mrs. J. Imen, 2005 Lombardy Circle, from Front Street Church, Burlington, N. C.; and Miss Julia Gillespie, 427 E. Morehead Street.

The Executive Council will meet with the Board of Christian Education on Tuesday at 1:00 o'clock at Efid's. All counselors and superintendents are urged to be present.

The Business Woman's Missionary Society will meet on Tuesday evening at 6:15 in a supper meeting at the church. Miss Myrtle Feimster will lead the program. The theme for the meeting is "Methodist Women Building Their Own Community" and is under the general supervision of the Christian Social Relations Committee.

Ushers for today: J. Lloyd Ranson, Captain, J. L. McEwen, J. T. Matthews, H. L. Ingold, Albert Moffett, T. E. Caldwell, S. B. McGinn, B. F. Spivey, Albert Torrence James S. Sease and Kenneth Austin.

The evening service at 7:30 will be in charge of the Young People's Division in observance of Young People's Day. This day is observed annually throughout the Church, the purpose of which is to acquaint the membership with the work of the young people and to enlist their co-operation in helping youth to find its place in the work of the church. Miss Helen Jordan will preside, and representatives of the three departments of the Division will have part on the program. The Young People's Choir will sing.

Regional Meeting. Thursday, March 10, an Aldersgate Mass Meeting for the Gastonia and Charlotte Districts will be held in First Church. The service will begin at 9:30 o'clock and continue, with luncheon intermission, until 4:00 o'clock. Bishop Kern and Bishop Meade, of the M. E. Church, will be present with other prominent speakers. Make your plans to join this group for the entire day if possible.

Youth Rally. Thursday evening, the Aldersgate Mass Meeting will come to a climax in a great Youth Rally. Young people from all over this section are coming. Our young people will furnish the music and lead the singing. Bishop Meade and Dr. G. Ray Jordan will be the speakers for this service.

Church Membership. Once more the pastor asks that those who are members of the Church elsewhere allow him to get their letters. Membership in the church will make you feel at home. If you know of those who are members of no church, please give their names to the pastor today.

TITHING. Don't forget to bring in your tithe each week if possible. There may be better ways to support the Church, but it will be hard to find. The church gets the money, the tither gets the blessing!

SUNDAY BULLETIN

The Ministry of Healing

Although the city of Soochow, China, was bombed forty times and once between 100 and 200 bombs fell in a single raid, yet Soochow Hospital continued to heal the sick and minister to the wounded while the war rolled nearer and nearer. It was not until the missionary doctors were notified that because of the shift in the front line Soochow could no longer be used as a base hospital that plans were made to evacuate. Throughout the bombing and the terrors the staff stayed with the hospital, and the superintendent declares "rose to new heights of sacrificial service."

From the beginning of hostilities on August 13 until the evacuation on November 13, Soochow Hospital endeavored to assume its full re-

sponsibility for the relief of human suffering. The hospital's capacity was increased from 100 to 230. Civilians were treated as usual, refugees looked after, and 700 soldiers cared for. Just before the evacuation air raids were almost constant, day and night. Under cover of the darkness on November 11, the evacuation of the wounded began. Next the nurses and supplies were evacuated, followed by the staff. At last the missionaries left at 4:30 A.M. November 13. The staff went into West China to work with the public health administration, and the missionaries to Shanghai to work among the refugees and to wait and plan to get back to Soochow and reopen the hospital. The hospital building was struck by a bomb the day after the evacuation.

STARBOARD WATCH

Been on a "diet" and therefore my "space" is reduced considerably--locally speaking. My "sermon" will be shorter; but words more carefully selected, in order to provoke the same amount of thought--which is better. "Ship of Zion" well out at sea. Bow Lookout called in, and all observations will be from the Bridge under command of the "Watch". So reads the Log for this week: All hands well; ship in good shape; 25 knots is the speed; visiting from stem to stern, truck to keel, going forward. Officers held meeting in the noon of First Mate, Graham Duncan Tuesday P.M. Reports good. All other officers in good humor. Crew (Entire membership) accounted for. No stow-aways, or dead-heads on board. Full cargo, and "ship" on main course, following Great Circle of the Friendship-Loyalty-Love Tract. Fair sky, and smooth sea. Barometer 30.00. Wind from western quadrant, where soft breezes blow, and zephyrs bowl us onward o'er the Great Sea of Life.

Have you noticed that fine heading in the BEAUFORT NEWS -- "New Of The Churches"? Under that caption you will find directory of all church services in town. Also there is a fine write-up of the Weekly Sunday School lesson. Read this lesson before Sunday each week. This is a fine thing you are doing, Mr. Editor, and we thank you for your generous and important space in your paper.

Seniors of Beaufort High School gives a play March 11th at 8 P.M. at B.H.S. Hall. Benefit Gift for all children in the school will absorb the net proceeds. Worthy cause, all should support it.

Boy Scouts now organized, full Troop. The Scoutmaster reports fine showing at Friday's meeting--25 present.

Girl Scouts going fine. Thirty at meeting Friday evening. Leaders well pleased with the start. Plans for big season in the making. All groups enthusiastic.

Mission Study Class closed. All sessions reported interesting. Every one took part in the class discussions. Credits awarded as a class meeting requirements.

New Members: Mrs. Irene Chadwick, 139 Turner St.; Mrs. Carrie W. Weeks, 310 Cedar; Joseph V. Fulford, 603 ANN. Glad to welcome you people to our membership.

Easter Sunday day set to bring in our offerings to be applied on Conference Claims. Following somewhat same plans as last year, all S.S. Classes and others are urged to do in a big way the work of raising these claims. This will count on our obligations, and will make it easier next fall if we raise a big portion at Easter Time.

Do You Know?

That between 400 and 500 children who otherwise would have no opportunity are enrolled in the day school of the People's Central Institute in the slums of Rio de Janeiro, in the section known as "Thieves' Hill"?

That 300 lepers are cared for in the leper colony of the Congo Mission near Minga Station?

That the Methodist missionaries were pioneers in work among the thousands of leper people in the Congo?

That a chain of Methodist churches now extends across the Isle of Pines, Cuba, where six years ago there was not a single Cuban Methodist?

That the Ai Rin Kwai (Love Neighbor Society) in Kobe, Japan, reaches large numbers of students, teachers, and graduates of government high schools, colleges, and universities, who could never be reached by usual church methods?

That a great many people in Cuba are buried without a Christian service since many people are too poor to pay the high price asked by the Catholic priest for his services?

That there are 4,632 members on the church roll in the Congo Mission?

Echoes from Aldersgate

The Aldersgate Retreats, held during January as an important part of the Aldersgate Commemoration, have been pronounced by the preachers of the denomination "a wonderful success." Some echoes from those retreats are: "Retreat beyond expectation. Already sense rising tide." "It reached far deeper than any had expected." "A great day of self-examination and reconsecration." "This type of meeting meets a genuine need and gets real result." "From the depths of my

heart I thank God for the Aldersgate Movement in our Methodism."

* * *

A total of 72,704 copies of *Out of Aldersgate*, the official mission study book for 1938, had been sold up to

the middle of January, and a fifth printing had to be ordered, making a total of 93,000 printed.

* * *

During January and February Aldersgate District Institutes are being held in each presiding elder's district. Emphasis is being laid upon plans to make every congregation of the Church Aldersgate-conscious.

* * *

During March eighty-five Aldersgate Christian Missions will be held on the campuses of southern colleges and universities. Forty-two Methodist colleges will be visited and forty-three Wesley Foundation units on state and independent college campuses.

- CONVERSION -

"Hear the conclusion of the whole matter. Conversion is the soul's return to God; wherefore let every man journey by the road which lies open to him. Many will come by the Slough of Despond, and the Wicket-gate, and the Hill Difficulty; but that is not the only road to the Celestial City. Many will come by ways worn by the feet of multitudes, and some by a lonely way, pilgrims of whose progress no man has yet written. But any road is the right road that reaches the goal at last. On the east three gates, on the north three gates, on the south three gates, on the west three gates; and all the gates lead into the City" (George Jackson).

"When Jesus spoke of being born again, he seemed to the wise men of his day to be describing something too difficult to be believed (John 3: 3,4). Yet what is strange about the second birth is not that it should occur, but that it should take place so late. Rightly understood, it is just as natural as the first birth. As it is natural for the child to enter the physical universe and develop the powers by which he may adjust himself to it, so it is natural to the childlike spirit to enter the spiritual universe and to develop the powers that are natural to it" (William Adams Brown).

- ANNOUNCEMENTS -

1. Rev. Dumont Clarke will meet with the Horton Hill people tomorrow night at 7:30 at the church to show pictures and to discuss Lord's Acre projects.
2. The Missionary Society of Bald Creek church will meet Tuesday at 2 p. m. at Mrs. Waycaster's.

THE SECOND QUARTERLY CONFERENCE

THE PASTOR'S REPORT

Some progress is in evidence. New pews have been installed at Herrings. Two rooms have been completed in the educational building at Burgaw. Bath room built and bath room equipment installed at the parsonage. Services have been resumed at old Trinity and literature has been ordered for a church school there. The young people at Rocky Point and Burgaw are now organized and are responding very well in their new order... There was a fine response to the "Out of Aldersgate" study in each church.

Plans are now to capture more of the Aldersgate spirit in a personal evangelism program through the Church Schools which will, we trust, result into a revival of religion in which the great purpose of the Aldersgate Observance will become a realization.

Received during the quarter by certificate-Mrs J. A. Young.

ALDERSGATE

"The answer to the challenge of a torn and bleeding world is going to be met by a church which dares pay the price of Aldersgate-sacrificial following of the Master. Are we making the man who is lost in sin see the way out? Do we make men conscious of the Christ living in us?

REVIVAL

We believe that our meeting in the Glencoe Church was a success. Many reconsecrated their lives and expressed their desire to live closer to the Lord.

CHRISTIAN ADVOCATE

We believe that every Methodist should be a subscriber to our church paper. Are you a subscriber?

UNDER THE GOOD SHEPHERD'S CARE

"Those who have come into the church on the Scriptural bases of faith are within the enclosure of safety. They are in the sheepfold and Christ, the Good Shepherd, has promised to keep them from evil. In the last day they shall be among those who are at His right hand, and to whom He shall say, "Come, ye blessed of my Father."

APPRECIATION

We do not have words to express our appreciation to our young folks of Camp Springs for the splendid work they did in raising one-half of our Orphanage apportionment.

"The Lord loveth a cheerful giver."

The Missionary Zone meeting will be held at Holt's Chapel, New River, Sunday March 20th at 2:00 o'clock. Let's have a good representation.

SECOND QUARTERLY CONFERENCE

Our Second Quarterly Conference will be held March 27, 1938 at 3:00 o'clock at Bethel. Let every official be present.

EASTER OFFERING

You will find in the collection plates, envelopes for our Easter offering. Please take one and use it. The way to eliminate financial embarrassment is to give systematically.

CIRCUIT STEWARDS' MEETING

Our circuit stewards' meeting will be held with Brother Henry Danielly Monday night, March 21 at 7:30 o'clock.

As most of you know, Brother Danielly has been sick for a long time and is confined to his bed in a plaster cast either at his home or in Duke Hospital.

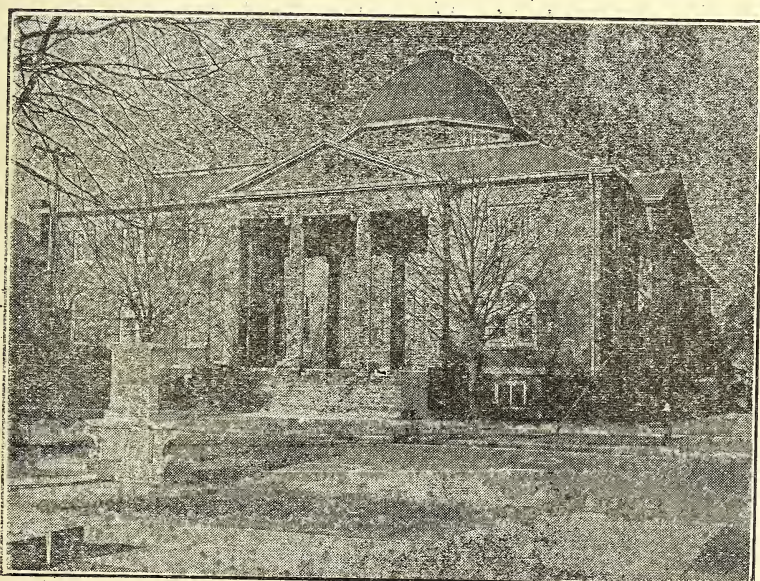

I am asking the stewards to help me in giving Brother Henry a generous pounding. If any of our members would like to share in this pounding, please see your steward and he will carry it for you.

XXXXXXXXXXXXXXXXXXXXXXX

Dear Church Member:

Since the Stewards are sending out to every member of our church a financial statement, I am going to take advantage of this opportunity and inclose in the same envelope a letter to you. Please read every line of this letter.

XXXXXXXXXXXXXXX

Our Sunday School.

We have on roll in our Sunday School 287.

We had present at Sunday School last Sunday 196

We have on our Church roll of membership 516
This means that 229 of our church members are not members of the Church School.

This also means that 320 of you church members did not come about your church school last Sunday. And last Sunday was one of the most beautiful Sundays we have had since I have been your Pastor.

XXXXXXXXXXXXXXXXXXXXXXX

Is the Church School worth while?.

Do you think the Church School is worth anything to our church.....to our community...to our children?. Or do you think we should close up and go out of business?. Why not have enough interest in your church and church school to tell your Pastor and the 196 church school members that were present last Sunday what you think about it all.

XXXXXXXXXXXXXXXXXXXXXXX

Financing the church school.

To finance a church school is no little job. It is an expensive project. The leaders of your church school are giving your children the best literature that money can buy.

Yet you Fathers and Mothers and other members of our church that are not members of the church school are not only refusing to cooperate by coming, but are failing to help in financing the church school.

XXXXXXXXXXXXXXXXXXXX

Excuses. Excuses.

We all know that you have a lawful excuse for not attending church school. But we know also that most of your excuses would not stand the test of your County Court House.

XXXXXXXXXXXXXXXXXXXX

Preaching service.

You have no idea how it hurts your Pastor to know that many of you are not in love with the church, nor in love with what the church is trying to do. Many of you have not been to church since your Pastor has been in your community. If you will tell your Pastor what to do or say that will cause you to do what you pledged both God and the church you would do, your Pastor will do his utmost to help you.

XXXXXXXXXXXXXXXXXXXX

Many are loyal.

In-spite of the fact many of you do not have any thing to do with your church, there are a large loyal number that can be counted on to do their best. They are at church every time you call for them. We are having large crowds at every service. In-fact your Pastor has never had better response and cooperation for the same length of time than he has had in your church. But he will never be satisfied until every one of you are saved both to God and the church.

NOTES

This morning we are holding a Church Loyalty Service. We are glad you are here. Genuine loyalty has built and maintained the church and maintains it yet. How do you rank in this list of people who have made and are making the church vital?

Today we are honoring and are being honored by some of our own members who have been loyal to the church for fifty years or more. We are justly proud of this group.

THE GOLDEN ANNIVERSARY HONOR ROLL

The following joined this local church in the years indicated:

Dora Hood Kirkman 1872	Lucy Woodall Hood 1885
Virginia Blow Morgan 1874	Belle Grantham Bingham 1885
Ellen Morning Eason 1874	Jennie Massey Wallace 1885
Matilda Cotter Stephenson 1874	Irene Page Abell 1886
Thomas R. Hood 1874	James H. Woodall 1886
Rebecca Poole 1876	

The following joined at Sanders' Chapel which was at that time on the Smithfield Charge:

Adam J. Whitley 1872	Rhett Sanders Martin 1875
Mary Sanders Stevens 1875	Emma Sanders Wellons 1875

The following have been members over fifty years but joined away from Smithfield:

Lou Wescott, 1873, at what is now Southport, N. C.

D. Herndon Tuttle, 1869, at Littlejohns Church in Caldwell County. He preached his first sermon in Kings Mountain, North Carolina, January 6, 1883. That makes sixty-seven years a member of the church and fifty-three years preaching.

These names are as we have been able to find them on our church roll. If there are any other names that should be added we would like to have them to make our list correct and complete.

This is a splendid galaxy of venerable church people. We congratulate them and ask their benedictions upon us in the work. May God's richest blessing be upon them!

We congratulate Brother and Sister T. R. Hood upon their fifty-fifth Wedding Anniversary which comes today. We rejoice with them in their happiness. May they continue in good health and to be with us and to inspire and help in the work of the Kingdom.

We regret that the weather was such that we had to postpone our Fellowship night from last Friday night. We will have it at an early date. Watch for the time that it will be held and be sure and come.

A telephone has been placed in the Pastor's Study. The number is 72-W. This is placed on a party line with the parsonage which is 72-J. If you will remember this in calling it will avoid a great deal of confusion. The pastor wants to be available for the work. Call on him as you need him.

Tonight all the churches of Smithfield join in a special Union Service here in this Church honoring the Boy Scouts in our community and in recognition of the Scout work everywhere. You can look at the program for our night service and see what a treat we have in store for us. Mr. Gillespie, the Pastor of the Baptist Church here, will bring the message. The loose collection taken at the service will go to our local Scout Masters, Mr. Clarkson and Mr. Batten, to be used for our Scouts here in Smithfield. We are glad to join in this service.

We are saddened in the death of Mrs. Jennie Wood Vinson. She passed away Friday evening at the home of her daughter, Mrs. W. M. Gaskin. Our sympathy goes out to the grieved ones.

SUNDAY BULLETIN

The Ministry of Healing

Although the city of Soochow, China, was bombed forty times and once between 100 and 200 bombs fell in a single raid, yet Soochow Hospital continued to heal the sick and minister to the wounded while the war rolled nearer and nearer. It was not until the missionary doctors were notified that because of the shift in the front line Soochow could no longer be used as a base hospital that plans were made to evacuate. Throughout the bombing and the terrors the staff stayed with the hospital, and the superintendent declares "rose to new heights of sacrificial service."

From the beginning of hostilities on August 13 until the evacuation on November 13, Soochow Hospital endeavored to assume its full re-

sponsibility for the relief of human suffering. The hospital's capacity was increased from 100 to 230. Civilians were treated as usual, refugees looked after, and 700 soldiers cared for. Just before the evacuation air raids were almost constant, day and night. Under cover of the darkness on November 11, the evacuation of the wounded began. Next the nurses and supplies were evacuated, followed by the staff. At last the missionaries left at 4:30 A.M. November 13. The staff went into West China to work with the public health administration, and the missionaries to Shanghai to work among the refugees and to wait and plan to get back to Soochow and reopen the hospital. The hospital building was struck by a bomb the day after the evacuation.

Aldersgate Revival Services March 20-27

Rev. R. Dwight Ware of Rocky Mount is to assist the Pastor in these services.

Cottage Prayer Services to be held during the week of March 14-18th. If you know of some home that you would like to have included in our plans for these services please give the name to the pastor.

You may know of some friend or acquaintance who is not active in the church or who has never made the personal commitment of his life to Christ. Write the name on the survey card you find in the pew and the pastor will make an earnest and sincere effort to enlist the interest of that individual during this period of evangelistic effort. Your prayers and personal cooperation is absolutely essential to the success of our Aldersgate Revival.

We sincerely appreciate ^{the} spirit and the service of all those who minister through the music of our worship programs. The members of the Junior Choir, the Young People's Choir and the Adult Choir are rendering a beautiful service to Christ and the Church.

Do You Know?

That between 400 and 500 children who otherwise would have no opportunity are enrolled in the day school of the People's Central Institute in the slums of Rio de Janeiro, in the section known as "Thieves' Hill"?

That 300 lepers are cared for in the leper colony of the Congo Mission near Minga Station?

That the Methodist missionaries were pioneers in work among the thousands of leper people in the Congo?

That a chain of Methodist churches now extends across the Isle of Pines, Cuba, where six years ago there was not a single Cuban Methodist?

That the Ai Rin Kwai (Love Neighbor Society) in Kobe, Japan, reaches large numbers of students, teachers, and graduates of government high schools, colleges, and universities, who could never be reached by usual church methods?

That a great many people in Cuba are buried without a Christian service since many people are too poor to pay the high price asked by the Catholic priest for his services?

That there are 4,632 members on the church roll in the Congo Mission?

Echoes from Aldersgate

The Aldersgate Retreats, held during January as an important part of the Aldersgate Commemoration, have been pronounced by the preachers of the denomination "a wonderful success." Some echoes from those retreats are: "Retreat beyond expectation. Already sense rising tide." "It reached far deeper than any had expected." "A great day of self-examination and re consecration." "This type of meeting meets a genuine need and gets real result." "From the depths of my

heart I thank God for the Aldersgate Movement in our Methodism."

* * *

A total of 72,704 copies of *Out of Aldersgate*, the official mission study book for 1938, had been sold up to

the middle of January, and a fifth printing had to be ordered, making a total of 93,000 printed.

* * *

During January and February Aldersgate District Institutes are being held in each presiding elder's district. Emphasis is being laid upon plans to make every congregation of the Church Aldersgate-conscious.

* * *

During March eighty-five Aldersgate Christian Missions will be held on the campuses of southern colleges and universities. Forty-two Methodist colleges will be visited and forty-three Wesley Foundation units on state and independent college campuses.

BAPTISM SERVICE

At four o'clock this afternoon, in the church auditorium, there will be a special service for the purpose of baptising infants and small children who are presented by their parents for this purpose. The service will be brief and the public is invited.

Young People's service at 6:45 p. m.

NEW MEMBERS

It is with pleasure that we welcome into our church as members the following people who come to us by transfer: Mrs. Bruce Flowers, Mrs. John H. Mills and Miss Pearl Davis.

OPEN DATE

It is earnestly requested that all members of Central Methodist Church and friends who worship with us, keep an open date from Sunday, May 10th through Sunday, May 17th. This is the period which has been selected for our series of revival services. Pray for the meeting, do all that you can to make it a real success and be present at every service that you can possibly attend.

LOYALTY SUNDAY

It is the desire of the board of stewards that each member make his or her contribution as liberal as possible today in order that we may make a creditable payment on our conference claims before reporting to Bishop Kern, on Easter Monday, what has been done by our church. We also have some repair work which needs to be done on our church and a few local bills that should be met immediately. Our goal is to balance our budget for the first half of the conference year on or before the first Sunday in May.

We are glad to welcome into the membership of our church today Mrs. Helen K. Harrod, 84 Forest Hill Drive, and Mr. and Mrs. Guy H. Morris, 6 Vineyard Place.

In response to suggestions by the General Board of Christian Education of our church and in harmony with the desire of the young people here, we observe Young People's Day this morning. Central church is fortunate in having so large a number of young men and women who take an interest in her services and programs. Our Young People's Department is one of the best organized and conducted in our church. At the service this morning the scripture lesson will be read by Billy Styles, President of the Department. Miss Mary Elizabeth Myers, Director of the Young People's work in the Asheville District, will give a word of explanation concerning the meaning of Young People's Day. Phillips Russell will speak briefly on "What Christ Means to Me," and Miss Sadie June Love on "What I Hope to Mean to My Church."

●

At the service last Sunday the following young people were received into our church membership on profession of faith:

John Thomas Carter, 293 Hillside Street.
Mary Lee Dale, 49 Maxwell Street.

Lucy Ann Pritchard, 11 Marne Road.
William A. Swain, III, 166 Chatham Road.

Bettie Rose Weaver, 5 Salem Avenue.

Our heartiest greetings and assurances of affection to these fine young people! They have made a good and great beginning. May they go on to render great service to the world in the name of our Master.

●

At the special service for the baptism of infants held at 3 o'clock last Sunday, the following parents brought their children and presented them for this beautiful rite:

The special offering received last Sunday for Conference and General Benevolences amounted to \$1,220.12. A check for \$1,000.00 has been sent to Reverend E. O. Cole, Conference Treasurer, Charlotte, N. C. The remainder in hand will be forwarded later.

●

The General Conference of our church holds its quadrennial meeting in Birmingham, Alabama, beginning Thursday of this week. No more important session of this great body has been held in the almost one hundred years of the history of the Methodist Episcopal Church, South. Uppermost in the minds of most of the members of this General Conference is the question of the union of our church with the Methodist Episcopal and Methodist Protestant churches. While some opposition to unification has recently developed, it is not anticipated that any great trouble will be encountered in carrying through the plan as adopted by the other two churches concerned and approved by an overwhelming majority of the members of our own Annual Conferences.

The Board of Christian Education, at its meeting held April 11, fixed May 15 as Church School Day. On that occasion the importance of Christian Education and the program of education carried out in our church will be presented to the congregation as a whole. The committee appointed to arrange the program is as follows: Mr. H. M. Dill, Chairman; Miss Mary Elizabeth Myers, Miss Frances Michael, Mrs. Lenore A. Gaskins and Billy Styles.

We shall observe Golden Cross Day in Central church Sunday morning May 8. Each member of the congregation is requested to contribute \$1.00 or more and thus enroll in this Christian enterprise. The money received is applied to the use and benefit of patients in our Chatham Memorial Hospital at Elkin, who are unable to pay their own expenses. Is there anything more Christian than the healing ministry of the church carried out in this way? Let us each and all plan to have a part in this great work.

The Asheville Civic Music Association is making its annual membership appeal this week. This is one of the best of all our community enterprises and deserves the support of all who are interested in promoting the love and appreciation of good music among our people.

We are glad to welcome to our pulpit, as preacher for the evening service, Reverend John Rea Chapman, pastor of the First Congregational church of this city. He is already well known to many of our people and will be received with the greatest cordiality.

This week there will be two meetings of the Federation of Men's Bible Classes, this city, featuring Dr. Samuel Grafflin who is brought here by the Y. M. C. A. The first meeting will be held Tuesday, April 26 at 8 P. M., at the West Asheville Presbyterian church. The second meeting will be held on Thursday, April 28, at 8 P. M., at Central church in the men's Bible Classroom. All men of the church are invited to attend.

The District meeting of the W. C. T. U. will be held in the C. W. Byrd Class room Tuesday, April 26, beginning at 11 o'clock. Lunch will follow at 1 o'clock in the social room. The afternoon meeting will begin at 2 o'clock and the evening meeting at 8 o'clock. Mrs. W. E. Logan is the District President. Mrs. Plemmons, the State President, will preside over the meetings. The public is invited.

Circles of the Woman's Missionary Society will meet on Monday afternoon at 3:30 o'clock, as follows:

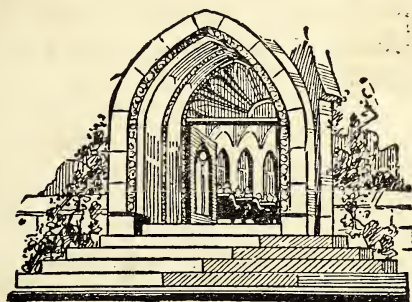

- Circle No. 1—Mrs. H. Sanford Howie, Chairman, will meet at the church.
- Circle No. 2—Mrs. A. E. Huffman, Chairman, with Mrs. J. Ed. Swain, Kimberly Avenue.

We had a great District conference. It was well attended, the program was good, interest was keen, and everybody seemed to have a good time. All pastors' reports were good in part. Better records, however, might have been made on some things.

Mothers' Day Poem

Others weary of the noise,
Mothers play with girls and boys.

Others scold because we fell,
Mothers "kiss and make it well."

Others work with patient will,
Mothers labor later still.

Others' love is more or less,
Mothers' love is steadiness.

Others pardon, hating yet;
Mothers pardon and forget.

Others throw their faith away,
Mothers pray, and pray, and pray.

Fear has ten thousand eyes and it sees a thousand dangers which do not exist. It calls itself caution, but it is really cowardice.

Adult Choir rehearsal 8.00 P.M.

Thursday: Monthly meeting of the Eliza Fuller Missionary Society, postponed from last week, with Mrs. H.A. Oliver.

Next Sunday: Church School at 9.45 A.M.

A week of revival services in this church will begin next Sunday. The aim of these services will be to stir the congregation to an earnest effort to win to Christ those who do not know Him. Every person who seriously wants to be a Christian and a helper in the Kingdom of God can make a real contribution toward that most commendable ambition, both for self and others, by attendance upon these special services.

The period from the close of these services to Easter will be the time to make special use of our gifts in bringing others to Jesus.

-----*****-----

It is our happy privilege to welcome today into the membership of this church Miss Bessie Gaddy, from old Centenary Church near Rowland, and Mr. M.L. Wood, from our church at Whiteville. Miss Gaddy has been among us for several years and has been an active worker. Mr. Wood is a newcomer to Lumberton. We are glad to have them counted with us here.

-----*****-----

The baptism of infants will take place in this church on Mother's Day this year.

-----*****-----

The Aldersgate Rally here last Wednesday was a wonderful success. Upward of 900 different persons attended the two meetings combined. It was a day not soon to be forgotten by those who came.

For some weeks to come you will please give special attention to our Sunday morning bulletins. In these bulletins I want to carry a short sketch of John Wesley's life or some pointed statement of his, which is calculated to help us understand Wesley better and to appreciate the importance of the Aldersgate Commemoration in May. Most of us know only too little about our church history and we cannot truly appreciate our rich heritage and church without some knowledge of the founder of Methodism.

"I have thought, I am a creature of a day, passing through life as an arrow through the air. I am a spirit, come from God, and returning to God."

-John Wesley

Dear Father God, without our asking it we have been placed in a critical time. We thank Thee that even in this day we can be more than conquerors in Christ Jesus. Where sorrow abounds thy comfort also abounds, and where sin abounds thy grace does much more abound. Thou hast promised through Christ that all things are possible unto him that believeth. Help us to prove this promise by a deep, unfaltering faith in Thee. May our lives reflect the spirit of Christ in all things. Empower us by thy own strength to live as children of God. We ask it in Jesus' name. Amen.

Who Was John Wesley?

John Wesley was the fifteenth child of Samuel and Susanna, born at Epworth, England, June 28, 1703. Into this parsonage at Epworth nineteen children were born, but only nine lived to grow up. It was a day of large families and small incomes. Samuel Wesley, the father of John, was a clergyman of no little ability. He was an Oxford graduate as his father and grandfather had been. Susanna Wesley was the daughter of Samuel Annesley, a distinguished clergyman, who was also educated at Oxford. We notice that John Wesley's ancestry was one he could well be proud of and he undoubtedly inherited many of the noble qualities that blessed his parents.

THREE THINGS

Three things to govern-temper, tongue; and conduct.
Three things to cultivate-courage, affection, gentleness.
Three things to commend-thrift, industry and promptness.
Three things to despise-cruelty, arrogance and ingratitude.
Three things to wish for-health, friends and contentment.
Three things to work for-security, independence, happiness.
Three things to give-aid to the needy, comfort to the sad and appreciation to the worthy.- Selected.

1. The mid-week service at Dallas church will be held Wednesday evening at 7:30. Let those who were absent last week on account of bad weather be sure to attend this week. The topic for discussion will be, "Facing the Crisis."
2. The workers who volunteered to assist in the Religious Census at Dallas will have their territory assigned to them today by Brother A. A. Willis. We hope to have a good part of the work done by next Sunday.
3. Volunteers to make a Religious Census at High Shoals will be called for at the close of the sermon this morning. Be thinking of this and be ready to respond when the opportunity is given.

R E M E M B E R

Dallas Members, the pastor is waiting for you to tell him what amount you will pay this year to completely pay off the church debt. Some have pledged promptly and liberally, having no more assurance of what the future is to bring forth than the ones who have not pledged. They are eager to see the debt paid, but a few cannot do it alone. If the remainder hold back and hope to see it done without their help, then it will not be done this year. But with the help of all and that of some outside friends we can wipe it out before October. Now is the time of Great Opportunity. We can get help now that we cannot get later. To delay will cost us more in several ways, and we are not able to pay more. Let every loyal member decide today to make the necessary sacrifice and we can burn the mortgage and dedicate the church in October.

NOTICES

The Wednesday evening fellowship hour will be at 6:45—bring a “covered dish”—followed by the prayer service at 7:30. Dr. Thompson will continue the discussion of Methodist doctrines and his topic will be “Repentance.” Everyone is cordially invited to both of these meetings.

Young People's Division

Senior-Young People:

Dora Anna Newton, missions chairman, will have charge of the program at the Young People's meeting this evening at 6:15. This evening's service will bring to a close the unit on the Negro and his work. All of the Young People are urged to be present.

Intermediates:

Miss Lenore Lloyd will speak on “Friendship” at the Intermediate league service at 5:30 o'clock this evening. Claire Courtney and Josephine Wrenn will sing a duet as a special musical selection. Leader of tonight's service will be Sarah Bobbitt, worship chairman. The Intermediate league was organized last Sunday with 30 members of the Intermediate department. The league, another of the many projects of this department, has had an enthusiastic beginning and gives promise of being a big asset to the church educational program. This group will meet each Sunday at 5:30 o'clock.

Redecorating and Refinishing

Just as soon as the weather breaks work will begin to repair and redecorate the interior of our church auditorium. This work will be under the direction of The Church Property Committee, Brother T. J. Wiggins, chairman.

If all the exterior doors and windows, etc., are refinished also—and it is badly needed—and if the Sunday School rooms are repainted as they need—a sum in excess of two thousand dollars will be required. Already three gifts of \$500 each have been made for this work, with \$1,000 of this already paid. Perhaps other members would like to make their gifts for this purpose. If so, be sure and let our Pastor or Brother Harris, Treasurer, have your pledge now.

Board of Trustees

Mr. Edwin Jones was elected at the last meeting of Quarterly Conference to fill the vacancy on the Board of Trustees formerly held by Mr. L. W. Thomason.

Young People's Day

March the 6th, is being observed as Young People's Day throughout Southern Methodism. At the evening church service the Young People's Department will have charge of the program.

All honor to Dilworth Methodists: You manifested the greatest interest in the Standard Training School of any church in the city and county. Mr. King announced at the opening session that Dilworth had the largest enrollment. The workers in the Primary Department attended 100 per cent and our Young People had the largest number in their course, “Christian Home Making” to take credit.

We are exceedingly proud of our church school teachers and workers. Let us make our church school a great and worthwhile institution. It is already fine but we can make it finer still. As we grow in numbers let us aspire to increase in efficiency and skill.

Welcome!

We wish to extend a warm welcome to the following new members: Mrs. Ralph Plumlee, 1835 Asheville Place; Mrs. J. C. Cornelius, 2417 Charlotte Drive; Mr. and Mrs. C. P. Short and Miss Caroline Short, 612 East Worthington Avenue.

The sympathy of the congregation is extended to:

Mr. James Kelly in the loss of his wife.

Misses Lenore and Ruth Lloyd and Mr. Arthur Lloyd in the loss of their father.

Mr. and Mrs. G. W. Boss in the loss of their small daughter.

"I was glad when they said unto me,
Let us go into the house of the Lord"

Ps. 122: 1

Rev. C. W. Russell

Pastor

Dobson, N. C.

And the hour shall be filled with music,
With song and praise and prayer,
And the burdens of life be lifted,
From all who enter there.

We Welcome Everyone

SPRING & LIFE

As you lift your head and behold the new life that has been presented by the coming of spring, what does it all mean to you? Do you hear the song of the bird? Do you see the beautiful flowers, the green mantle on the forest, the meadow green, and the blanket of blossoms spread on the trees? In deep meditation, is not your soul stirred within you? Is it all an ordinary repetition that overtakes you once a year? Can't you see the hand of an Eternal Being in it all?

SOMETHING TO THINK ABOUT

"Whatever weakens your reason, impairs the tenderness of your conscience, obscures your sense of God, or takes away your relish for spiritual things, whatever increases the authority of your body over your mind, that thing is sin." -Susannah Wesley.

INSURING CHURCH PROPERTY: Your pastor has the pleasure of announcing that Dobson has insured their church for \$6,000 for three years. Siloam has insured their church for \$4,500 for a period of five years. A short time ago the parsonage was insured for \$700 for a period of three years. What about the other church property on the charge? Each church should have some insurance.

DISTRICT CONFERENCE : Yes, it is only about five weeks until we will meet at Denton for the District Conference, of the WinstonSalem

District. Rev.W. A. Lambeth, Presiding Elder of the Winston Salem District, will preside over the Conference. Date of meeting, Apr. 26. Those elected to attend the Conference are as follows: J.R. Marion, Mrs. Tom Folger, E. C. Smith, and Miss Patia Coe. Alternates that were elected are as follows: Mrs. Ettye Parks, Emmitt Smith, Mrs. Maude Freeman, and W. L. Rumley.

MISSIONARY ZONE MEETING: The Zone Meeting, which was held at the Methodist Church at Pilot Mountain last Friday, was well attended by the Missionary Society of the Dobson Church. The following attended the meeting: Mrs. Maude Freeman, Miss Elizabeth Booker, Mrs. W. M. Stone, Mrs. Grady Cooper, Mrs. Tom Folger, Mrs. Sallie Folger, Mrs. Rosa Booker, and Mrs. C. W. Russell.

WINSTON ALDERSGATE MASS MEETING: This great spiritual feast, which was held in Centenary Methodist Church, March 11, was enjoyed by a multitude of hungry Methodist ministers and laymen. Bishop Kern brought messages at each of the services that caused us all to do deep heart searching. At the evening service, Bishop Kern preached to about sixteen or eighteen hundred eager young people. Brother Lambeth, who presided over the meeting, was responsible for the fine results attained.

SALARIES (Elder and Pastor): The following gives the amount each church has paid, per cent paid, and the amount due by Dist. Conf.

A group of young people will be received into the Church on Palm Sunday. If there is a child in your home who should be in this group, won't you please encourage him? We should have a large number join at this time.

"The Crucifixion", by John Stainer, is a meditation on the Sacred Passion of our Holy Redeemer. Our choirs, assisted by singers from other choirs of the city, will sing The Crucifixion here Palm Sunday afternoon. This should be one of the most impressive services of Holy Week. You should not miss it nor allow your friends to miss it.

The Circles will meet Monday as follows:

(1) Mrs. H. C. Smith, Chairman, with Mrs. W. L. Cole, 506 Watts Street at 3:30. Mrs. J. R. Love joint hostess.

(2) Mrs. J. M. Heldman, Chairman, with Mrs. J. E. Stagg, 618 Morehead Avenue, at 3:30. Mrs. E. J. Long joint hostess.

(3) Mrs. Allen Tyree, Chairman, with Mrs. E. S. Toms, 914 Vickers Avenue at 3:30. Mrs. John B. Hardy, Miss Helen Eubanks joint hostesses.

(4) Mrs. Harris King, Chairman, with Mrs. L. M. Edwards, 604 Watts Street, at 3:30.

(5) Mrs. C. R. Jones, Chairman, with Mrs. J. H. Barton, 2321 West Club Blvd., at 3:30.

(6) Mrs. Maude W. Dunn, Chairman, in the Church Parlor at 7:30.

(7) Mrs. J. N. Highsmith, Chairman, with Mrs. J. C. Angier, 106 Buchanan Blvd. at 3:30.

(9) Miss Margaret Smith, Chairman, with Miss Mary Elizabeth Poole, #4 Eloise Apts. at 7:30.

TRANSFORMED LIVES

We need wisdom to show us how life can count for most and a power to turn out lives from defeat to victory. Such wisdom and power are available. Men of every age and station have gotten it. But how? Some things necessary:

1. Humility. It is not revealed to the wise and prudent. Read Psalm 51 and the story of the Publican.

2. Pure heart. Out of my heart are the issues of my life. Gal. 5:16-26.

3. Freedom from worry about things. Seek first the kingdom of God. Take no anxious thought.

4. Freedom from resentment. As you pray, forgive. Love your enemies and do good to them. Eph. 4:31-32.

5. Think of all men as God's Children. Neither Jew nor Gentile. Remember the Golden Rule. Jesus at the well.

6. Our life must be real. "Not everyone that sayeth Lord, Lord....." "Let us love in deed and in truth."

Chinese Christians Show Faith Unshaken

"In all these things we are more than conquerors through him that loved us," comes the message from Chinese Christians, facing danger, desolation, and death in the bloody war now raging in China. The faith of the national Christians in China today is the one supreme white light that shines like a beacon through the heavy clouds of war that lower over that country. "We are more than conquerors. . . ."

This message of unflinching faith came in reply to the cable sending over \$5,000 in January as a gift of the Church in America to help the suffering of war-stricken China.

There are more than 200,000 refugees in Shanghai alone. The radio-gram of thanks said: "The China Conference gratefully acknowledges the sympathy and help of the Mother Church. Earnestly solicits unremitting efforts for justice for China and relief for her stricken people. See Romans 8: 35-39."

The Scripture passage referred to reads: "Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the

You should be coming to the Wednesday night service to study the story of Methodism in the great little book, "Out of Aldersgate". Every Methodist should own and read that book. The small book, " Fifty Years in Boots and Saddles" is equally fine and more entertaining.

The Church is very proud of its two choirs. They meet for practice each Friday; the Juniors at three-thirty; the Seniors at eight o'clock in the evening. They have added much to the beauty of our worship. May they be richly blessed through their service.

slaughter. Nay, in all these things we are more than conquerors through him that loved us. For I am persuaded that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature shall be able to separate us from the love of God, which is in Christ Jesus, our Lord."

The Southern Methodist Church has sent to date \$23,000 for China relief.

ECHOES FROM ALDERSGATE

Approximately thirty great regional rallies are being held at strategic centers in Southern Methodist territory during the months of February and March, under the supervision of Bishop A. Frank Smith, director of the Aldersgate Commemoration, which celebrates the bicentennial of John Wesley's "heart-warming" experience. The rallies began at Birmingham, Ala., on February 15, and will close at San Francisco on March 25.

* * *

Four Aldersgate rallies were held in the Florida Conference during the month of January, preliminary to the church-wide campaign.

Twenty-five Aldersgate rallies are being conducted in the four Caro-

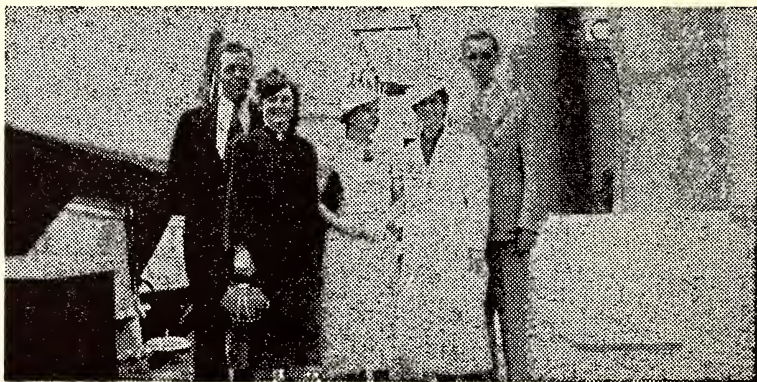

lina Conferences under the leadership of Bishop Paul B. Kern, presiding bishop. Evening rallies will be conducted by the young people.

* * *

The 1938 district institutes are being observed as Aldersgate Institutes, and everywhere meetings of unusual interest and significance are being held. The LaGrange district, North Georgia Conference, has set its goal for 1,000 conversions. The Chillicothe district, Missouri Conference, conducted a district institute and three group institutes with great success in spite of zero weather.

NEW MISSIONARIES TO BRAZIL

Following the missionary interest and enthusiasm engendered by the Bishops' Crusade, five new missionaries went to Brazil in the fall of 1937. They were Rev. and Mrs. Russell Miller for evangelistic work; Miss Virginia Neal, under the Woman's Section; and Mr. and Mrs. A. W. Ream, whose ministry will be through music. They will teach church music at Granbery College, Juiz de Fora, direct the choir of the local church, and teach Brazilians to worship through song. Missionaries rejoiced in the new recruits, but added: "If there were 200, it would suit the needs more."

WHY NOT SUBSCRIBE for the North Carolina Christian Advocate and keep up with the latest news of your church? This is our paper and should be supported by every member. Mr. M. R. Wall is a representative . . . see him today!

WHY JOIN THE CHURCH?

§ § § §

The church is a family . . . a society of brothers and sisters whose highest privilege is mutual helpfulness. A good name for it is "The Household of Faith." The head of the family is God. The family has its traditions, customs, memories, anniversaries, its plans, joys and hopes. Christians who are not confessed members of this family are not acting the part of considerate brothers and sisters. They are wanderers. They should come home. They should take their place at the family table. They should do their share of the household work.

§ § § §

What Edgar A. Guest Said . . .

"To say I don't need the church is mere bravado. I needed it when my father died; I needed it when we were married and when our babies were taken from us and I shall need it again sooner or later, and need it badly. I am in good health now and I could, I suppose, get along very nicely for a time without a clergyman, or choir, or even prayer; but what sort of man is he who scorns and neglects and despises his best friend until his hour of tribulation?"

WORKERS' TRAINING SCHOOL

Our Training school for Sunday School Workers closed Friday evening. During the five evenings the average attendance was 27. Sixteen received certificates of credit. These five days in this school nearly equals one third of a year in Sunday School, in time.

In the contest for best papers on "Why A Sunday School Worker should Be Trained", Miss. Elsie Quick received first prize; Miss. Cornelia Nicholson, second prize; and Miss. Elizabeth Crump, third prize.

The following received certificates of credit from our Board of Education at Nashville, for having done creditable work in the school:

Miss. Minnie Lou Roberts.	Mrs. W.C. Parsons
Miss. Elsie Crump	Mr. J.C. Hutchison
Miss. Frances Ewing	Miss. Ina Ewing
Miss. Lillian Roberts	Rev. D.A. Petty
Miss. Marie Ferrell	Mrs. D.A. Petty
Miss. Elsie Quick	Mr. A.E. Crump
Miss. Grace Quick	Mrs. V.M. Davis
Mr. B.J. Davis	Mrs. A.E. Crump

We have made a beginning in Teacher Training. We bespeak the cooperation of the whole charge in a continued effort, till we shall have a well trained force of workers in all our schools. It is the only way we can raise our standard of work. Courses may be taken by correspondence from the Nashville office. We desire to have one school in our charge each year.

Do you take our Church paper. Give me your subscription, and start it coming. You can't be an intelligent Christian unless you read your Church paper.

Change in Time of Services

Your attention is called to the change in the hour of the evening service and of the Epworth League meeting. Attendance at all the Church services has been very encouraging and we urge all our members to become regular attendants.

Church School

Sunday School begins each Sunday at 9:45 A. M. Our School is thoroughly organized, and if you are not now a member we believe you will find membership profitable and enjoyable.

Visitors

We are delighted to have you present in our congregation. You are invited to make our Church your home.

New Church School Building

Our Church has taken a great forward step in deciding to build a new Sunday School Building. The plans have been drawn, the money is being raised, and the building will be built. You will want to have a part in bringing this plan to an early realization.

Sunday, March 13th.

Dr. J. H. Barndardt, Presiding Elder of the Raleigh District will preach for us at 11:00 A. M., March 13th, and will hold the Quarterly Conference.

Information for Pastor

Your Pastor will consider it a favor if you will notify him of any that are sick, any new people in the congregation, or any that would like for him to call on them for any reason.

Special Message

from the

Board of Stewards

● Next week the Stewards will visit the members of our Church to let them know how they stand on their subscriptions for the year. We hope everybody will make an effort to bring their subscriptions up to date. We have in the Treasury at the close of February \$59.05, and are due our Pastor and Presiding Elder \$131.25. We are anxious to receive sufficient funds to take care of these salaries promptly and an additional amount for our other obligations.

While we realize present conditions are difficult, we know you have never failed to respond to our calls.

A STORM AT NIGHT

Out in the dark, tempestuous night, the rain is pouring down;
Waves fiercely beat the shore in ilight, from storm-king's angry frown.
Earth is besieged by battling hosts, the peaceful moon has fled.
Days full of light are memories' ghosts; the glow of spring is dead.
Birds are all hid, their songs are still; the fearful thunder booms;
Elements rage, the world is ill; no cheerful prospect looms.
Trees with their trembling fingers plead; sad flowers bow in prayer;
Not understanding where storms lead, earth's life breathes dumb despair.

Dawn comes at last, the storm has gone; bright waves now whisper peace;
Radiant light floods field and lawn, and dances on the trees.
Flowers are smiling everywhere, farmfields are green with corn;
Pastures, no longer drab but fair, make cattle glad each morn.
Bees join the birds in concert grand, fill all the world with song;
Fresh, yet the same sweet strains God's hand gave men through ages long.
Thrilling with life and happy toil, the earth again takes heart;
Breezes of joy kiss fruitful soil; the storm has done its part!

Life brings to me some storms and rain, dark clouds o'erspread my sky;
Heart is made sad with grief and pain; my mind cannot see why.
Sun of the day seems gone at noon, the stars refuse to shine;
Failures, bereavements, sorrows soon make night of tempest mine.
"Why is the world like this", I wail, for I cannot see my way;
Work seems so lost when storms prevail; my life seems not to pay.
See the frail forms, the tear-stained cheeks, hear the moans of suffering
men.
Tragedy all; my heart still speaks, "Oh why have these storms been?"

Morning will drive my night away, the storm will then be past;
Songs will be sweet in brighter day, when skies are clear at last.
Truth from above will then make known dark mysteries of the storm;
Heralds of dawn, from Heaven's throne, make hearts on earth grow warm.
Storms have helped make my heart more kind, to feel another's pain;
Thoughtful and fruitful life I find, as earth bears fruit through rain.
More of life's worth will be known here, eternal day more bright;
Peace from the fight with pain and fear, as storms raged through the
night!

SEPARATION AND REUNION ?

The Methodist Episcopal Church in America, which had been officially set up as an independent church in the Christmas Conference, 1784, was divided in 1844 into the Methodist Episcopal Church and the Methodist Episcopal Church, South. Slavery and the growing division between the Northern and Southern States caused this separation of the Methodist Church.

For a brief period in its earliest history American Methodism had made non-slaveholding a condition of membership, but this proved impracticable, because it raised so many problems in its contacts with the settlers, and it was soon abandoned. But in the General Conference of 1816 it was made Methodist law that no slaveholder could be an officer in the church if the laws of his state permitted him to set his slaves free.

From 1840 to 1844 it became generally known that Bishop Andrew of Georgia was owner of some slaves, some of whom he had inherited, and others of whom belonged to his wife. The laws of Georgia did not allow him to set them free. But in the General Conference of 1844 the feeling against slavery had become so strong that a majority of votes requested him to cease serving as Bishop so long as he owned slaves. In this Conference a plan of Separation was drawn up and adopted. The churches have been Northern and Southern ever since that date.

Next week in Birmingham, Alabama, our Southern General Conference will decide whether the Northern and Southern Methodists and the Methodist Protestants will reunite and form one great Methodist Church. The other two have already voted "Yes".

QUARTERLY CONFERENCE NEXT SUNDAY NIGHT

QUESTIONS CONCERNING CHRISTIAN EXPERIENCE

Have I had an experience of God?

Do I now have peace of soul?

Have I grown in grace?

Do I now love Christ and my brethren?

Am I growing to be like Christ?

Is Jesus real to me?

What are the habits of my religious living?

Do I pray regularly?

For what do I pray?

Is my prayer more than begging God for things?

Have I learned that prayer is more than asking God for a gift?

Have I learned that prayer may be communion with God?

Will I not grow spiritually if I find more time for, and give more attention to prayer?

Did not my Master pray?

If He, the Son of God, needed to pray, and found in prayer strength, comfort, vision, courage and help, need not I to pray?

What are my habits of Bible reading?

Do I read the Bible daily?

Do I read it devotionally, praying the while that the age-old message may live and that God may thus speak to my soul?

Have I learned to meditate on what I read?

If I systematically, studiously, and devotionally read this Book- will I not enrich and deepen my soul?

Am I starving my soul on trash?

What religious reading do I do?

Am I dissatisfied with my present spiritual attainments? If so will paying some attention to meditation assist me?

Have I been true to my vows?

-THE CHURCH-

The church is of God, and will be preserved to the end of time, for the promotion of his worship and the due administration of his word and ordinances, the maintenance of Christian fellowship and discipline, the edification of believers, and the conversion of the world.

And the gates of hell shall not prevail against it.

Enter into her courts with praise.

Religious Census

This afternoon at 2:00 o'clock, members of the Christian Contact Club will begin a Religious Survey of Salisbury. In order to facilitate this work, members of adult classes were requested to fill out survey cards at the church school hour. Cards have been placed in pews for the use of those who have not filled out card. Please give information outlined on card and leave in pew and relieve canvasser from calling at your home for these facts.

Board Of Stewards

The Board of Stewards will hold the monthly meeting Wednesday evening in the church dining room beginning at 6:30 o'clock. Supper will be served and all stewards are requested to come on time so that some members may make a later engagement. This is an important meeting, please do not miss it.

Evening Worship

At the evening hour, the pastor will bring the third message in the series "Out of Aldersgate." The subject will be "The Soul that over England Flamed." John Wesley's ministry of fifty years in England reads like a fairy story. Our evening attendance has fallen off within recent weeks. May we not count on you to help us build it up again?

Our Easter Offering

It is only two weeks from today until Easter. As announced several Sundays ago, we are asking members of the congregation to tithe one month's income and give it as a free-will offering, over and above pledge, to be applied to our Benevolences, and to help balance our budget. We sincerely trust that our entire membership will co-operate. Some may desire to give more than the tithe; others may find it impossible to give that much. However, let's all do our part in raising the entire benevolent apportionment of \$2,500. Special Easter Offering envelopes will be provided for your offering.

New Member

We welcome into our fellowship this morning Mr. C. C. Tiller, 429 South Church Street, from Highland Park Methodist Church, Richmond, Virginia. Mr. Tiller's business address is Kinney's Shoe Store.

SERIES OF SERVICES FOR BOYS AND GIRLS

Decision Day was observed in the Junior and Intermediate Departments of the Church School this morning. At 10:00 o'clock the pastor talked to the Juniors and at 10:25 to the Intermediates on the subject, "How May I Become a Christian?" and gave them an opportunity to make public confession of faith in Christ.

On Tuesday, Wednesday, Thursday and Friday afternoons of this week, at 4:00 o'clock, in the ladies' parlor; the pastor will conduct a series of services for all boys and girls of the Junior and Intermediate Departments. These discussions, dealing with our relationship to God, to Christ and to the Church, while designed primarily to prepare for Church membership those who desire to join the Church, will be of vital importance to every boy and girl in these departments. Parents are urged, therefore, to co-operate in securing the attendance of their children. On Friday afternoon, those enrolled in the Class for Church Membership, who have not previously been baptized, will receive the Sacrament of Baptism. Parents of these children will desire to be present for baptismal service.

The topics for discussion will be as follows:

Tuesday—"What God Means to Me"

Wednesday—"What Christ Means to Me"

Thursday—"What the Church Means to Me"

Friday—"What the Vows of Church Membership Mean to Me."

On Palm Sunday, April 10th, at the morning hour of worship; the children who have been prepared for membership will be received into the Church in our beautiful ritual service. This should be a memorable hour to the children, one that they will always cherish in their memories. This should be an occasion of joy to both parents and teachers. The parents and teachers will be requested to stand with the children when they take the vows of Church membership.

Some Questions About Tithing Answered

By A. N. FISHER

In a recent issue of the Michigan Advocate certain questions relating to the practice of the tithe were submitted with request that they be publicly answered. As an adherent of the system, I venture response.

1. *"What do you understand by a tithe; a tenth of what?"*

A tenth of income from salary, wages, investments; or from industrial pursuits minus necessary operating expenses. Minus living expenses? No. Minus support of dependent relatives? No.

2. *"Is there any distinction between tithing and systematic giving?"*

Yes. A man may be systematic in giving any fraction of his income. Moreover many writers emphasize a distinction between giving and paying. Strictly speaking, we do not give the tithe. It is not ours to give. We pay it as belonging to God.

3. *"Should all tithes be given to the Church benevolences, or should part be given in a private way?"*

The prevailing custom in the region with which the writer is familiar is for each steward to make distribution of the tithe according to the best light he has and being answerable to God for its uses. There are, however, earnest advocates of what is known as "The Storehouse Plan," under which the tithers of a church organize for the distribution of their tithes. The plan recognizes each tither's right to say where his tithe shall go.

4. *"Name some practical difficulties in the way of tithing."*

We know of none worthy of mention. Bunyan's Pilgrim saw lions in the way; but he was admonished: "Keep in the midst of the path and no hurt shall come unto thee."

5. *"Should people tithe when in debt?"*

The intelligent tithe-payer regards himself as always in debt. Whatever his fiscal relations with his fellow men, he is always in debt to God, the owner of all with which he is entrusted and who has therefore first claim on his profits. It is a manifest injustice to use God's tenth in squaring accounts with human creditors.

6. *"Under what conditions would you consider tithing too much or too little?"*

Let us divide the question. "Too much?" It is not easy to designate the precise degree of destitution that will deprive its victim of the privilege and benefit of tithe-paying. Except to say that where there is no income there is no levy. Nor need we give ourselves concern in the premises. The extremely poor are God's poor, and we cannot think of Him as being exacting with them. On the other hand, a good way to realize improved conditions is to trust in God and observe all His commands.

"Too little?" Here our task is easier. Proportionate giving is plainly taught in the scriptures. "As God hath prospered him" answers the question. Any one whom God has favored with ability to give after his

tithe has been paid is expected to honor the Lord with his substance by free will offerings proportioned to his prosperity and his just obligations.

7. *"Do you consider tithing a wise policy?"*

From the point of view of one who regards the tithe a divine institution this is a strange question. We find in Revelation a time law and a money law directing us to set aside one-seventh of the time God affords us and one-tenth of the money, for sacred uses. Is it competent for me to raise the question of "Policy" as to the wisdom of such requirements? God does not consult me in setting forth what is best for human welfare.

8. *"Is the old Jewish law of the tithes sanctioned by the New Testament?"*

Of the tithes, No. Of the tithe, Yes. There were Levitical tithes that were ceremonial and ritual, just as there were Sabbaths of the same order. These fared the fate of all ceremonialism. But the tithe that is pronounced "Holy Unto the Lord" is not distinctively Jewish as the Holy Sabbath is not. No man ever had any right to the tithe in any age of the world. Like prayer tithe-paying was practiced by the patriarchs long before the formation of the Hebrew Church, and like prayer it received distinct commendation from the lips of our Lord. That he who said, referring to tithe paying, "This ought ye to have done," himself practiced the tithe, there is every reason to believe.

9. *"Under the old law of tithing the government taxes were included in the tithe. Ought our modern civil taxes likewise be counted as part of the tithe?"*

In a theocracy all fiscal contributions would necessarily partake of the nature of what we call "taxes." But in modern governments, where Church and State are separate institutions, the tithe that is "Holy unto the Lord" is exclusively devoted to sacred uses.

10. *"Is tithing easier for the well-to-do or the poor?"*

It is not "easy" for anybody who lacks in love for Jesus Christ and in zeal for his cause; but to the devout whether rich or poor it is a delight. We pity the man who feels it a duty to tithe, but who knows nothing of the joy of the Lord. If he is poor he will shrink from reducing a meager fund; if he is affluent he will deplore a heavy draft upon resources which to him somehow never seem abundant. But the Christian who pays the tithe as an act of worship finds in the practice a sense of fellowship with the Lord of heaven and earth that renders him oblivious of sacrifice in its attainment.

The tithe is no experiment as some of these questions seem to imply. In all lands Christian believers of every name have demonstrated it a present day method of financing the Kingdom that is practicable, equitable and efficient. Nor is it merely a superior financial system, pleasing to God and profitable to the church. Its spiritual results commend it as a divine institution. Next to prayer itself it is the surest means of keeping alive a sense of dependence on God. It is a form of Thanksgiving that affords the best possible expression of heart gratitude.

The tithe is the A-B-C of stewardship, and that is the word that stands for the only suggested remedy that is adequate for the solution of the troubles between capital and labor. Both sides must learn that they are stewards of God and are to use their powers in trust to help God build his Kingdom. The tenth is just a weekly reminder that the other nine-tenths is a trust from God, and the wage-earner is not exempt any more than the employer.—The Rev. W. H. Phelps.

Where Is Your Membership?

It should be in the city where you live. Let the pastor write for it today if it is elsewhere. Of course, you can attend the church and not belong to it, but you will not have the feeling of "being at home" that you will if you put in your letter.

ANNOUNCEMENTS

Mid-Week Prayer Service

On Wednesday evening at 7:30, we will begin a study of the book, "Out of Aldersgate" by Watkins. You are asked to be present.

Business Meeting

The regular business meeting of the Woman's Missionary Society will be held on Monday afternoon at 3:30 at the church. All members are expected to be present.

Class for Reception

Parents are urged to notify the Pastor if there are children in their homes who should join the church. Please do not neglect the matter. These children will be received into the church on Palm Sunday, April 10.

Also, parents who have children to be baptized will please call the Pastor at the earliest convenience.

Church School Attendance

The regular attendance at the Church School has been remarkably good for the past two months. We are hoping to reach an attendance of 1200, and to do so we must have the help of our people. If you have been irregular in attendance, get regular! If you have not been attending at all, start now!

We have one of the best schools in the State and our attendance should and must be increased.

Our New Members

We have received a number of very fine people recently. We want them to know that we are glad to have them, but they won't find it out if we don't tell them. Call them up—or better still, go to see them—and give them a welcome.

The Pastor Says:

"I can give everybody a job in the church if they haven't one and really want to do something. Try me!"—C. C. W.

The Upper Room

Copies of the Upper Room for April, May, and June have been placed in the vestibule of the church. Each meditation in this issue has been prepared with a view to leading us day by day to a better understanding of the real meaning of Aldersgate and to the deepening of our spiritual lives. Take a copy home with you today and use it daily through the Aldersgate Commemoration. Price 5c.

Missionary Sunday in Church School

Next Sunday is Missionary Sunday in the Church School, and Mrs. C. C. Weaver will give a report of the message to the Church of Bishop Arthur J. Moore, who has just returned from the Orient, to the Adult Department meeting in the Chapel at 9:30. Appropriate programs will be given in the other departments of the school.

WHEN THEY HAD PRAYED

"When they had prayed", so reads the simple story,
An upper room became God's dwelling place,
When all were one in spirit, faith and purpose,
Without a thought of colour, class or race.

"When they had prayed", their meeting place was
shaken,
The force of which was soon to rock the world,
And cause the pagan gods to fear, then crumble
When in their midst the Christian strength was
hurled.

"When they had prayed", they gave of their possessions
None thought the Lord's request to give extreme;
But greater than their homes, their gold or silver
They gave themselves, the sacrifice supreme.

"When they had prayed", oh, glorious words of
power,
Rescued within God's templed halls today,
And shake mankind from self and cold indiffer-
ence,
That Christ, through us, might lead the world
His way.

Wiseman

The Holy Spirit awaits your reverent silence
and your opened heart. Be still before Him.

Every member of the Church should participate
in the study beginning on Wednesday evening.
Out of Aldersgate is a vital theme for Methodists
these days. Let us come out of it with a greater
knowledge of our Lord and our Church.

We are happy to welcome to the fellowship of
this Church Mr. J. M. Ingram.

Come to the evening service. Come from your
knees and with another who is worshipping because
you cared. God is ready to do great things but
He is waiting for some men and women through whom
He can work. Are you ready?

THE ALDERSGATE COMMEMORATION is for me, a vital discovery or rediscovery of God and a capacity and power to serve Him.

As the Church moves into the period in which we
are to commemorate the Heart Warming Experience
of John Wesley, has there come to life in your
heart some new longing after God? Has there been
the glow and warmth that makes the happy Chris-
tian? Do you want it with a mighty desire.

"You are writing a Gospel,
A Chapter each day;
By deeds that you do
And words that you say.

"Men read what you write,
Whether faithless or true;
Say, what is the gospel
According to you?"

GOD NEEDS

Some Church members with a contagious enthusiasm
Some men who will put Him first
Some men who love Him so much that they will
seek above all things to so interpret Him to
others that they too shall love Him.

THE CHURCH NEEDS

More members who remember the vows they assumed
when joining the Church; to attend its services
and support its institutions.

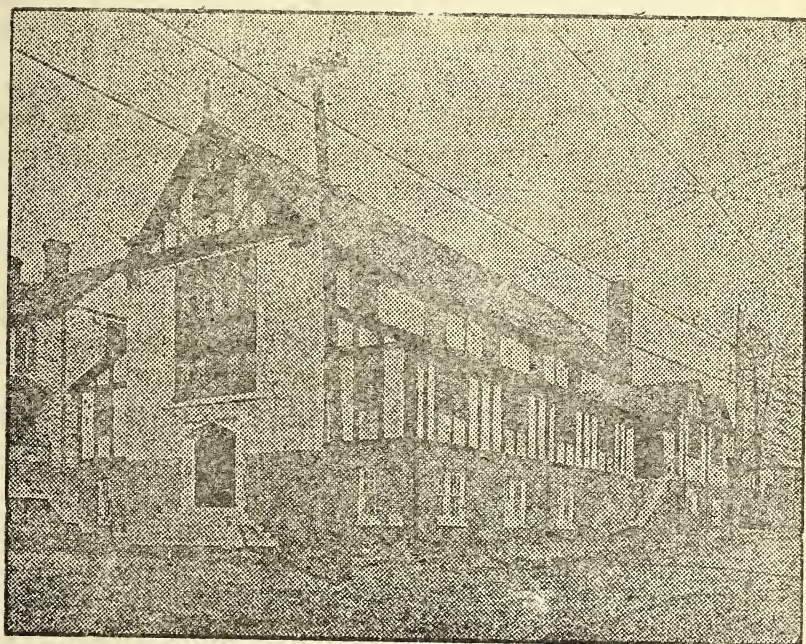

More members who believe that the Church is the
agency that God is going to use to save the world,
who, because of what it is, give it the best they
have.

How much better is my Church because I am a
member of it? How much do I care?

Jesus proclaimed a straight way of salvation. Repentance, confession, faith, forgiveness, cleansing and service are steps in the way. There is no other way. The path is easy to understand. The conditions may be difficult in the compliance but the reward is the joy of salvation and the end eternal life.

A WIDOW'S LAMENT

In a lone pauper's grave they laid
him today

While the rain and the cold snow fell
I heard the clergyman as one in a dream
I heard the village church bell's knell

Can I tell of the pain the day I awoke
Found love was bartered for wine?
No! The pain of the doomed ones suffer-
ing in hell
Can never be equal to mine.

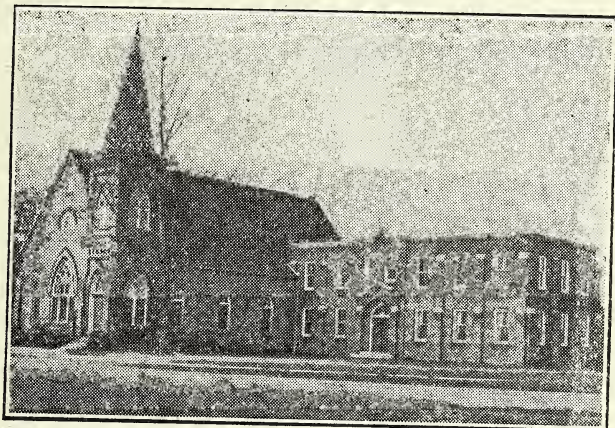

Did the mother not dream a serpent lay
coiled
In the cup she handed her son?
At the end it would sting, like adders
'twould bite,
When was finished the work she'd be-
gun?

And the father who drank, but never
got drunk,
Who claimed, "There's no harm in a
drink,"
In sorrow his grey head went down to
the grave,
In sadness his day-star did sink.

If bitter 'gainst these, what shall I say
Of the men who sold him the wine.
May cries of the lost ring in their ears
Their curses be added to mine.

Enter into his gates with thanksgiving, and into his courts with praise; be thankful unto Him, and bless His name. For the Lord is good; His mercy is everlasting; and his truth endureth to all generations.

From the one hundredth Psalm

MINISTER

Thou Art Welcome!

"In the name of Christ and this Church, we heartily welcome all who assemble in this House of Prayer. May the Divine Presence inspire us to be reverent, thoughtful and earnest. Leave not this place without a prayer for thyself, for those who minister, for those who worship with thee, and for all mankind. So shall thy worship be doubly blessed; thou shalt experience the fellowship of thy brother, and of thy God."

WHY GO TO CHURCH?

"Man needs a guide and needs an interpreter. Jesus Christ is the only one who has charted the sea of life over which we travel. He has the cahrt and the compass. He alone is to guide the souls safely amid the dangerous shoals, the protruding rugged rocks, and the dangerous whirlpools upon this sea."

Yes, men, women, boys and girls need to go to church to become better acquainted with the Guide and Interpreter of life. Men need the old time religion, with the forgiveness of sin, the witness of the Spirit, the regenerating and sanctifying Grace of God.

Jesus goes to church every Sunday. Where two or three are gathered together in my name, I am in the midst to own and bless, sayeth the Christ. Come to church and get acquainted with Jesus. He is the sinners friend. I have been meeting Him at the church almost every Sunday for the past fifteen years. He is a wonderful Savior.

Hear what our own Governor Hoey says about going to church. "I need to go to church and hear God's message, and worship Him. As a rule people who do not go to church do not worship God."

GIVING THANKS

We as christians ought to be more thankful than we are. "In everything give thanks, for this is the will of God in Christ Jesus concerning you. (I Thes. 5:18).

DISCUSSION

Steward - I have come to secure your pledge to our church and to deliver your envelops.

Member - I am glad to see you. I have been looking for you. I always like to get started with the first of the year, for I find it much easier for me to pay each week than to wait until the end of the year. I use to wait until just before conference to pay to the church and I never felt quite right about it. Since I have been paying each week and making the Lord wait until the end of the year, it just seems that I have been getting on better in every way.

Steward - I am sure you have been getting on better and your church gets on better when its members understand its program and cooperate as you do. I am glad to have you on my list, it is always a pleasure to work with you. I wish all on my list could see it as you do.

Member - I thank you and I am glad to have you as my steward. You have helped me to see the work of the church in a different way than I use to see it. Now I love my church better and am enjoying my religion more than ever before. I believe if all our stewards were like you, more of our members would see the work in a different light and the church would mean more to them. Here is my pledge, you can count on me to do my part.

Steward - I can always count on you and it is always a pleasure to come to see you. If I can be of help to you at any time, call on me.

"I WAS GLAD WHEN THEY SAID UNTO ME, LET US GO INTO
THE HOUSE OF THE LORD."—Ps. 122:1.

A list of the courses and instructors was published in our church Bulletin last Sunday.

Due to the Training School, the vesper services in our church will be held at 5:30 o'clock on next Sunday afternoon. The Rev. Reid Wall of Catawba, one of the teachers in the Training School, will preach at that hour.

Chinese Relief. Today the loose offering goes for the relief of the suffering in the war zone in China. The Sunday School has already made its offering and our Hawthorne Lane Church is glad to show sympathy and helpfulness in this time of terrible tribulation among millions of the Chinese people. As always the worst of war falls upon the women and children. Victor Hugo says: "He who has seen the sufferings of men, has seen nothing; he must see the sufferings of women; he who has seen the sufferings of women, has seen nothing; he must see the sufferings of children."

THE FIGHTER

fight a battle every day
Against discouragement and fear;
The foe stands always in my way,
The path ahead is never clear!
I must forever be on guard
Against the doubts that skulk along;
I get ahead by fighting hard,
But fighting keeps my spirit strong.

I hear the croakings of Despair,
The dark predictions of the weak;
I find myself pursued by Care,
No matter what the end I seek;
My victories are small and few,
It matters not how hard I strive;
Each day the fight begins anew,
But fighting keeps my hopes alive.

My dreams are spoiled by circumstance
My plans are wrecked by Fate or Luck;
Some hour, perhaps, will bring my chance,
But that great hour has never struck;
My progress has been slow and hard,
I've had to climb and crawl and swim,
I'm fighting for every stubborn yard,
But I have kept in fighting trim.

I have had to fight my doubts away,
And be on guard against my fears;
The feeble croaking of Dismay
Has been familiar through the years;
My dearest plans keep going wrong,
Events combine to thwart my will,
But fighting keeps my spirit strong,
And I am undefeated still!

SHADOWS

If shadows never crossed our path and skies were always blue;
If never tears bedimmed our eyes and friends were ever true;
If ne'er we saw another's needs nor had a chance to give.
We'd never know the blessings of a Christlike life to live.

It's only after tempests that we know the peaceful calm,
And after heartache that we find in Jesus healing balm;
'Tis only sorrow that can bring that comfort sweet and sure,
While trials draw us close to Him, and strengthen to endure.

It takes the bitter and the sweet to make of life a whole;
The disappointments and the tears to help us reach the goal.
Yes, heaven will seem fairer for the battles fought and won;
Eternal rest the sweeter when we hear that glad "well done."

ANNOUNCEMENTS

NEW MEMBERS

We welcome today into our membership the following new people: Dr. and Mrs. P. D. Ross, living at 509 South street; and Mrs. W. G. Smith, living at 380 W. Airline avenue. Dr. Ross comes to us from Otterville, Missouri and is connected with the Spring and Ross Hospital. Mrs. Ross comes from the First Methodist Protestant Church, Denton, Maryland. Mrs. Smith comes from the First Methodist Church of Rome, Georgia. Main Street Church greets these new members with warm hearts and open hands. Heaven's blessing upon each one.

MRS. BESS

Mrs. J. Flay Bess is entering next month into her twentieth year as Treasurer of the Woman's Missionary Society of our church, twenty years of devotion and hard work, two decades of never failing loyalty to a trust. We are grateful to this splendid woman for her honorable service in this important field of labor. Blessings upon her and all who work with her in the Woman's Society.

CHRISTMAS MUSIC

Next Sunday evening the Main Street choir, under Mrs. Dixon's direction, will present a special program of Christmas music. This program will take the place of our regular evening worship. It behooves every member of our large congregation to be present then and show a thankful appreciation of those who devote their talents to the music of our church. You will be pleased, inspired, and edified by the program next Sunday evening.

SYMPATHY

Our hearts go out today in sympathy for Mrs. Walter N. Craig and daughters, Lillian and Lelia, in the passing of Brother Craig, husband and father, last Wednesday morning at his home on South Willow street. We pray for these dear ones in this hour of their deep sorrow. God bless and comfort each bereaved one in the Craig family.

We also extend sympathy to Mrs. J. G. Colvin and family in the sudden death of young Mr. Guy Colvin last week in a motor accident. May the consolation of a kind heaven be with all these people in these sad days.

BABIES

What lovelier service on Christmas Sunday than the baptism of babies! The pastor will perform this rite next Sunday morning for all parents desiring it. Tell your friends with children to bring them for this dedication next Sabbath, December 19th, at eleven.

TO-NIGHT

Mr. Rozzelle will preach this evening at seven-thirty on the topic: "A FORGOTTEN PARABLE," one of the Bible's little used stories, but one worthy of a church's attention.

Sermon in a sentence: "THE CITY OF HAPPINESS IS SITUATED IN THE STATE OF THE MIND."

CONGRATULATIONS

To Mr. and Mrs. Guy C. Killian we extend our felicitations on the birth of their first grandchild, Harry Parks, Jr., at Rocky Mount, Va.; and greetings also to the parents, Mr. and Mrs. Parks. Mrs. Parks was formerly Miss Evelyn Killian.

We also extend congratulations to Mr. and Mrs. C. C. Cox of 207 N. King St. on the arrival of a little son, Clayton C. Cox, Jr., on November 27th. Greetings to these new babies, and may the Heavenly Father bless both of them with long and useful lives.

MID-WEEK

On Wednesday evening at seven-thirty another Bible study: The Book of First Kings. Read a selection and come with us to the pastor's discussion of "ISRAEL REACHES THE SUMMIT." Read chapter three, verses five through fifteen. We are growing in members and knowledge.

NEXT SUNDAY

Mr. Rozzelle will give the congregation a special Christmas sermon next Sunday morning at eleven o'clock. We will celebrate the birth of Jesus on that day with a special bulletin, music, program, and hearts of adoration for the Bethlehem Baby. Let's make it a day not to be forgotten.

EASTER THANK OFFERING

What do we have to be thankful for? Well, there are many things, but the greatest of these is that Jesus Christ is living, and He is living after He was dead. This fact, and all that it means to us, should bring us to Easter with hearts full of thanksgiving. Easter is the greatest THANKSGIVING day we have in all the year. Our little temporary and physical privations are nothing when we are faced with this greatest of all human blessings. How can we show our appreciation and express our thanks? No better way than to tell others this good news. The members of this church are more than fortunate, they are blessed, in that they have a living representative in the heart of a great people telling the good news by word and deed. Next Sunday, Easter Sunday, we bring our offerings of thanksgiving to the church for the support of Dr. Enmie Yue. She is helping to tell the good news in the heart of China. She is our voice, our hands, our hearts in China. Does Christ want this done? Any one who doubts this does not know the mind and heart of Christ. The important thing for us is that we ALL take part. At the last great day it will be said: "I was sick and ye visited me not." Then you may answer and say: "When saw we thee sick and did not minister unto thee." Then will He answer and say: "I came into your church April 10th, 1938 and ask you to bring an offering—a THANK OFFERING—the following Sunday—EASTER SUNDAY—for the sick of China, and ye did not. As ye did not to one of the least of these ye did not to Me." That is no fancy picture, but is fearfully real for EACH of us. We are making our own history, and deciding our own destiny. We are ALL making our offering before God and to Him and not before men and to them. A special Easter envelope will be placed in your hands some day this week.

THE MEMBERSHIP CLASS

This class is not as large as it should be, but we are doing a lot of good work. Many young persons who are already members of the church would do well to sit on these classes. They would learn much about being a good christian and also a good church member. There are too many people who hold their church membership too lightly. The vows of church membership are strong and binding. If the members do not regard them highly then the church loses its power. When the church loses its power the whole world has lost its way, for there is no power to lead the world but the power of the church. Of course the world at large does not know this fact, but the real church knows it.

THURSDAY NIGHT

The sacrament of the Lord's Supper in this church next Thursday night will be unusual and beautiful. It will be a candle light service. All members of the church should be present. It is especially important that all our young people attend.

GOOD FRIDAY SERVICE

This service will begin at 12 o'clock next Friday in this church. All the churches in the city are taking part. People can come and go. But it is hoped that many will come at the opening and remain through to three o'clock. These services were largely attended last year.

Young people meet this evening at 6:45 with Marjorie Tyler as leader. Preaching at 7:30. Prayer meeting and study class at 7:30 Wednesday. Board of Christian Education will meet at the parsonage Monday evening at 7:30. This is the regular monthly meeting. It has some very important matters on hands.

The Janie Tuttle Society will meet on Monday evening at 7:45 with Misses Belva and Lessie Harris. Miss Mamie Harris is associate hostess.

The Wesley Philathea Class will meet in regular session on Tuesday evening at the home of Mrs. Ira T. Johnsen.

Feeding China's Refugees

"Feed my sheep," said the Master, and since the beginning of Japan's undeclared war against China, Christian workers, both Chinese and American, have worked side by side to carry out the divine command. When the crowd of refugees began pouring down the Yu Yaching Road in Shanghai, Moore Memorial Church was organized for war time service. It is estimated that there are more than 350,000 refugees in Shanghai alone, most of them in refugee camps and centers but at least 10,000 living on the streets.

In addition to caring for hundreds of refugees within its walls, Moore Memorial is helping to minister to the street refugees. Each day hundreds of them creep from doorways and alleys to the church's relief kitchen to obtain a serving of rice and vegetables, distributed for a few coppers. The rice is bought from a philanthropic Chinese Christian merchant for a low price, and the daily deficit is made up by voluntary contributions. Three cents, the value of an American postage stamp,

An Easter Wish

"May the glad dawn
Of Easter morn
Bring peace to thee.

May the calm eve
Of Easter leave
A peace divine with thee.

On this heart write

On thine heart with
O Christ, I live for thee.

The Sunday School and Church attendance has been very encouraging during recent months. Everybody has a cordial invitation to attend all services. All the churches are expected to observe "Church School Day" with an appropriate program in the early summer.

An Easter offering will be made in all the churches for our missionary work. Let this be an offering to commemorate the "Heart Warming Experience" of John Wesley. One of Wesley's rules of life was: "Make all you can, save all you can, and give all you can".

A Duke student, Mr. S. F. Wheeler, has been engaged to assist in the Bible Schools during the summer.

will feed an adult refugee for one day.

The long line moves forward slowly, and silently the people carry away their rice in pails, bowls, old wash basins, cigarette boxes or even old newspapers. Two thousand, even three thousand, are fed in a day. They are not beggars, but worthy people of an honored race, crushed and beaten by war. *They are His sheep.*

"THE VILLAGE OF HAPPINESS"

"The Village of Happiness"; you would not think of that as a leper colony, would you? Yet that is the name that the lepers who live in the colony established by the Southern Methodist missionaries near Minga station in the Congo Mission, call their little village—ONGENONGENO, or Village of Happiness.

It is estimated that there are more than 5,000 lepers among the Atetela people—the tribe among whom the Southern Methodist Church is at

STREET IN LEPER COLONY

work—and many more throughout Africa. The Southern Methodist Mission was the first Mission ever to try to help the outcast lepers, and how deeply appreciative they are!

More than 300 lepers are now cared for in the Minga colony, and in 1937 the Church established a second leper colony near Tunda, where 125 lepers are already living.

Other Churches have followed the lead of the Methodists and are also establishing leper colonies within their areas.

PRAY FOR THEM

It was Jesus who said: "Pray for them that despitefully use you and persecute you."

It is John Wesley who says in his *Journal* after his Aldersgate experience: "I began to pray with all my might for those who had in a more especial manner despitefully used me and persecuted me."

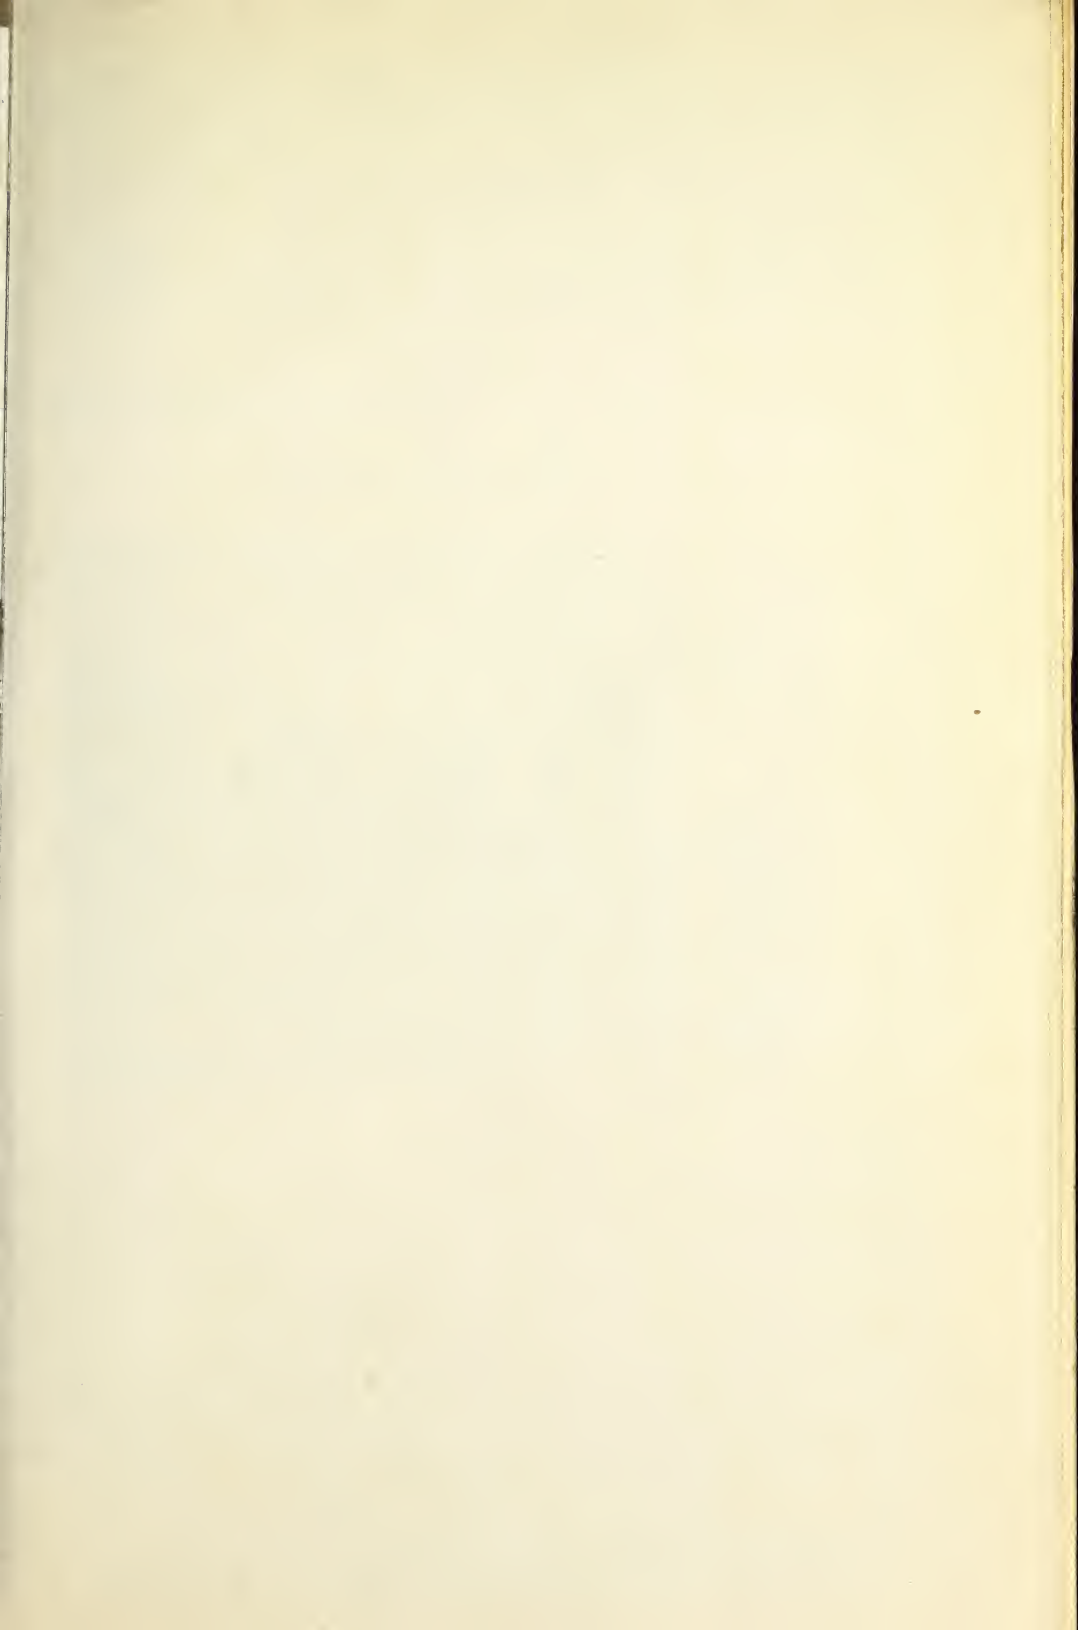

It is a China missionary who says: "During the fighting in Shanghai it was a never-to-be-forgotten experience to hear the voice of our Chinese pastor of Moore Memorial Church lifted in prayer for the enemy, while the noise of bombs could be heard falling, perhaps on the very homes of those people who stood in the audience."

A PRAYER

Lord, make me a channel of Thy peace
That where there is hatred—I may bring love,
That where there is wrong—I may bring the spirit of forgiveness,
That where there is discord—I may bring harmony,
That where there is error—I may bring truth,
That where there is doubt—I may bring faith,
That where there is despair—I may bring hope,
That where there are shadows—I may bring Thy light,
That where there is sadness—I may bring joy.

For

It is by giving—that one receives;
It is by self-forgetting—that one finds;
It is by forgiving—that one is forgiven;
It is by dying—that one awakens to eternal life.

WORSHIP PROGRAM FOR EASTER
1937

2. Hymn No. 162.
3. Apostles Creed.
4. Prayer.
5. Duet:- Morning of Life
6. Responsive Reading Page 589.
7. Gloria Patri.

10. Anthem: Blessed is He.
11. Sermon.
12. Hymn No. 154.
13. Benediction.

The Easter message is Life --
freer, fairer, fuller life.
A risen life is the best testi-
mony to a risen Christ.
Christ is the heart of Religion.
Relation to Christ is the heart
of personal salvation.

HE IS RISEN! IS HE RISEN IN ME?

"O that the Christ might arise in
me, that the man I am might cease
to be."

"O grave, where is thy victory?"

THE BEST

"Is sleep a thing to dread?
Yet, sleeping, you are dead,
Till you wake and rise,
Here, or beyond the skies;
Why should it be a wrench,
To leave your wooden bench?
Why not with happy shout
Run home when school is out?
This is the death of Death.
To breathe away a breath
And know the end of strife,
And taste the deathless life;
And joy without a fear,
And smile without a tear,
And work, nor care to rest,
And find the last, the best."

---Maltbie D. Babcock.

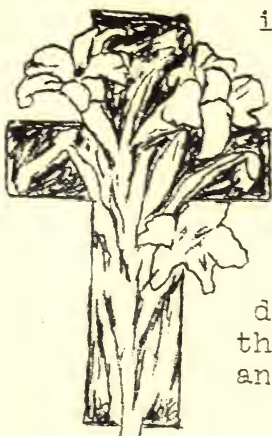

EASTER MORNING

"Oh bells of Easter morning,
Ring on from year to year
The tidings of salvation,
Till all the world shall hear!"

"That I may know Him, and the
power of His resurrection."

Easter should be a time of

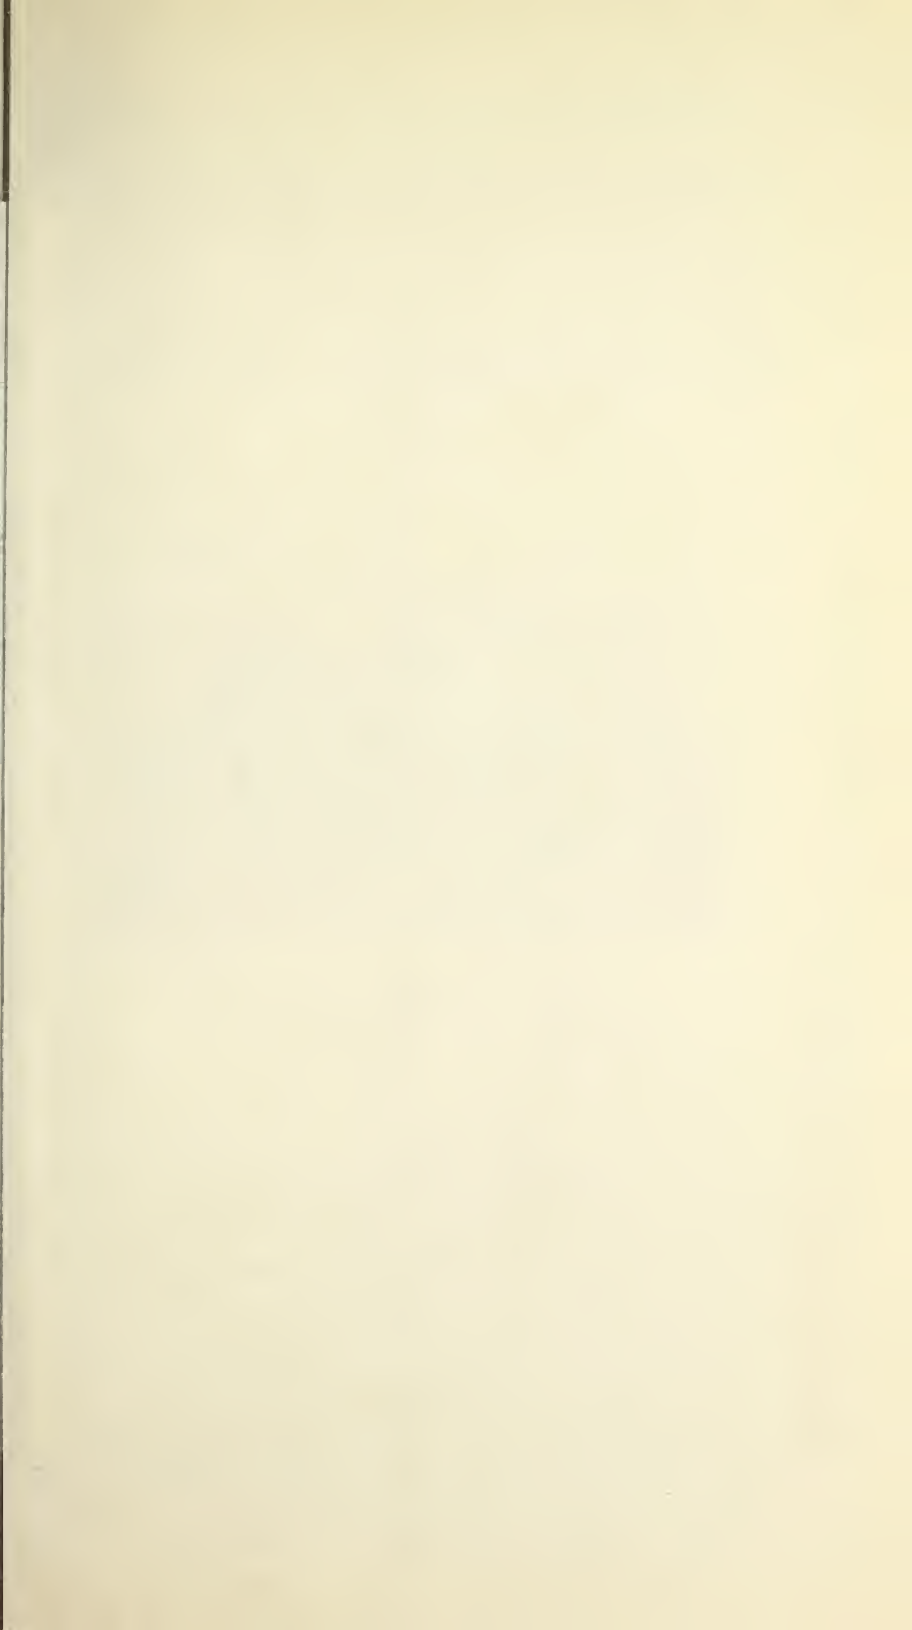

Great JOY because
it brings hope
of our IMMORTALITY.

The Resurrection
of Jesus brought
JOY to the women
who went to the
sepulchre to an-
oint the body of
Jesus. "And they
departed quickly from
the tomb with fear
and great joy."

Matt.28:8.

The enemies of Christ have been
unable to explain the empty tomb.
Ever since the Resurrection of
Jesus, His enemies have tried
by all the methods known to man
to disprove His resurrection,
but because of the fact that they
have never been able to explain
away the empty tomb, they have
failed in their attempt. Let
all christians take courage on
this easter day, for the most
definitely established fact of all
history is the resurrection of
Jesus Christ.

"The Lord is in his holy temple; let all the earth keep
silent before him."

SOME MORE QUESTIONS FOR YOUR PRAYERFUL CONSIDERATION

(WHAT ABOUT MY GROWTH IN GRACE?)

WHAT HAVE I DONE WITH MY CHRISTIAN EXPERIENCE? DO I NOW POSSESS PEACE OF SOUL? IS MY HEART NOW WARM AND AGLOW WITH LOVE FOR CHRIST AND MY FELLOWMAN? DO I NOW FEEL THAT MY SINS ARE FORGIVEN? IS CHRIST REAL TO ME NOW AND IN MY DAILY LIVING? AM I STILL FOLLOWING AFTER AND SEEKING TO ATTAIN? HAVE I BEEN TRUE TO THE PROMISES AND VOW I MADE TO GOD WHEN I FELT THE LOAD OF GUILT SLIP FROM MY HEART? HAVE I BEEN TRUE TO THE VOW OF REPENTANCE AND OBEDIENCE CONTAINED IN THE BAPTISMAL COVENANT, OR TO MY AFFIRMATION OF THAT VOW? HAVE I BEEN TRUE TO THE VOWS I TOOK WHEN I JOINED THE CHURCH? HAVE I BEEN SUBJECT TO IT'S DISCIPLINE, ATTENDED ITS ORDINANCES, AND SUPPORTED ITS INSTITUTIONS? AM I A LOYAL METHODIST? HAVE I CONSCIENTIOUSLY SOUGHT TO FOLLOW CHRIST?

JUDGED BY MY OWN STANDARDS, AM I A CHRISTIAN?

HAVE I GROWN IN GRACE AND IN THE KNOWLEDGE OF OUR LORD? HAS MY CHRISTIAN EXPERIENCE MADE ME A DIFFERENT KIND OF PERSON, WHAT WOULD I HAVE BEEN TODAY WITHOUT THE GRACE OF GOD?

SUNDAY BULLETIN

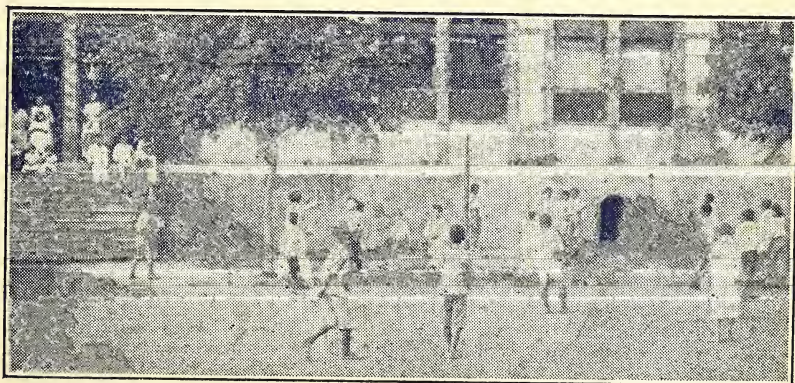

Revolutionizing Thieves' Hill

Behind the People's Central Institute in the slums of the city of Rio de Janeiro towers a high hill, known as "Thieves' Hill." Clinging to the hillside are ramshackle little shanties, some seeming ready to slide down the hill into the little stream at the foot that is the only sewer for the neighborhood. Ragged, dirty children clamber up and down the hill like mountain goats, and babies have their small bodies covered with ugly sores. This section, called "Favela," was long known as the worst criminal district in all Brazil.

Thirty years ago when Methodist missionaries decided to open a center here, the Brazilians cried: "Im-

possible! Even our policemen are afraid to go down there." But in the missionary's lexicon there is no such word as "Impossible." They went and the People's Central Institute was begun.

Today there are six buildings, including the church; 500 little children in the day school; 55 tots in the kindergarten; 50 men and boys in the night school; 65 girls and women in the sewing class. A class for deaf mutes, Boy Scout groups, mothers' clubs, a dental and a medical clinic attract many others to the institute. In all 1,000 people enter its doors each week for mental, physical or spiritual help. Everywhere people are saying: "The Institute is revolutionizing Thieves' Hill."

THE OFFICERS AND TEACHERS of the Church
School are called to meet Monday evening
at seven thirty o'clock.

OUR SECOND QUARTERLY CONFERENCE will be
held on Friday evening at 7:30 o'clock
with the Oak Summit Church.

"THE GOLDEN RULE in life is, make a begin-
ning."

"WHO GIVES, and hides the giving hand,
Nor counts on favor, fame, or praise,
Shall find his smallest gift outweighs
The burden of the sea and land.

REV. BRYAN K. CROSBY
Minister.

WE ARE APPROACHING the most significant
period in the Church Year. Every mind and
heart should be centered on this important
occasion. The Eternal Father has done so
much for us we should want to share his
joy. To better appreciate our blessings
we must do something. An opportunity will
be given on EASTER SUNDAY to share with
others. In a few days you will be given a
little envelope for your gift to the ben-
evolences of our church.

THE EXECUTIVE COMMITTEE of the Woman's
Missionary Society will meet to-morrow
evening at 7:30 o'clock.

YOU WILL FIND PEOPLE ready enough to do
the Samaritan act without the oil and
twopence.---Sidney Smith

Who gives to whom hath naught been given,
His gift in need, though small indeed
As is the grass-blade's wind-blown seed,
As large as earth and rich as heaven.

LISTENING IN

"BOZE, POZEHNEJ NASI MATERSKE CIRKVI V AMERICA." (God bless our Mother Church in America.) Over and over that prayer is heard in Methodist churches in Czechoslovakia, says Rev. Joseph Dobes, outstanding Czech leader, now in the States to attend the General Conference session. "The fruit of our Mission in Czechoslovakia is the fruit of your prayers," says Mr. Dobes.

* * *

From report of Board of Christian Education, Moore Memorial Church, Shanghai: "Our Board has taken the bitter distress of our people as a clear call to the Church for service, and self has been forgotten in an effort to serve. The Church has been led along the path of one who 'loseth his life' and surprisingly 'finds it.' The effort has been in trying to meet the needs of the hour in relief from hunger, from cold, relief for the homeless, medical help for illness, soy bean milk for children, and meetings for spiritual stability and religious development."

* * *

"We must respect the perfect character of Jesus and learn His example and have His mind and love God and learn to love others," were the closing words of a speech made by a Japanese Middle School boy at an English Night School recently, speaking on the influence of Christianity. What American boy could have expressed it better?

* * *

"Pray for the coming of His Kingdom here in Japan," is the plea of our missionaries.

THE NEW VOLUNTARY PLAN

The year 1934 marked the last year our benevolences were collected under the old assessment plan. The total collections for 1934 amounted to \$2,059,172.76. In 1935 the new voluntary plan was introduced. The collections showed a gain over 1934 of \$327,426.18. The year 1936 showed a gain of \$309,688.08 over 1934; and the year 1937 a gain of \$372,648.58, making a total gain under the new plan of \$1,009,762.84 over 1934.

The above figures bear testimony to the success of the "voluntary principle" in the new Financial Plan.

KNOW YOUR METHODISM

PREACHING SERVICE

Sunday, 11:00 A. M., Feb. 6th.
The Rich Square Methodist Church

If He should
come to earth today!

What is your answer
to these question?

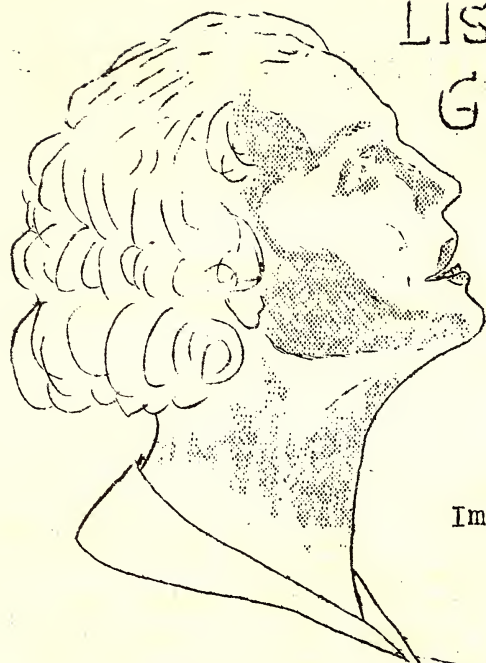

Is Christ coming back to
earth again? If so, when and
how? Is the world we have now
the kind Christ wants?

Is it foolish to pray today,
"Thy kingdom come thy will be
done on earth as it is in
heaven"? How would Christ go
about answering such a prayer
today?

These, and many other ques-
tions about the coming king-
dom will be discussed by the
pastor Sunday Morning, in his
sermon, "The Second Coming of
Christ,- in John Wesley"

Is America to have a God-
redeemed, God-controlled society or a
Chaotic, God-forsakened society?

Read the inside of this
bulletin, and come and worship with us
Sunday. E. C. Crawford, Pastor.

SUNDAY BULLETIN

Revolutionizing Thieves' Hill

Behind the People's Central Institute in the slums of the city of Rio de Janeiro towers a high hill, known as "Thieves' Hill." Clinging to the hillside are ramshackle little shanties, some seeming ready to slide down the hill into the little stream at the foot that is the only sewer for the neighborhood. Ragged, dirty children clamber up and down the hill like mountain goats, and babies have their small bodies covered with ugly sores. This section, called "Favella," was long known as the worst criminal district in all Brazil.

Thirty years ago when Methodist missionaries decided to open a center here, the Brazilians cried: "Im-

possible! Even our policemen are afraid to go down there." But in the missionary's lexicon there is no such word as "Impossible." They went and the People's Central Institute was begun.

Today there are six buildings, including the church; 500 little children in the day school; 55 tots in the kindergarten; 50 men and boys in the night school; 65 girls and women in the sewing class. A class for deaf mutes, Boy Scout groups, mothers' clubs, a dental and a medical clinic attract many others to the institute. In all 1,000 people enter its doors each week for mental, physical or spiritual help. Everywhere people are saying: "The Institute is revolutionizing Thieves' Hill."

THE ALDERSGATE EXPERIENCE

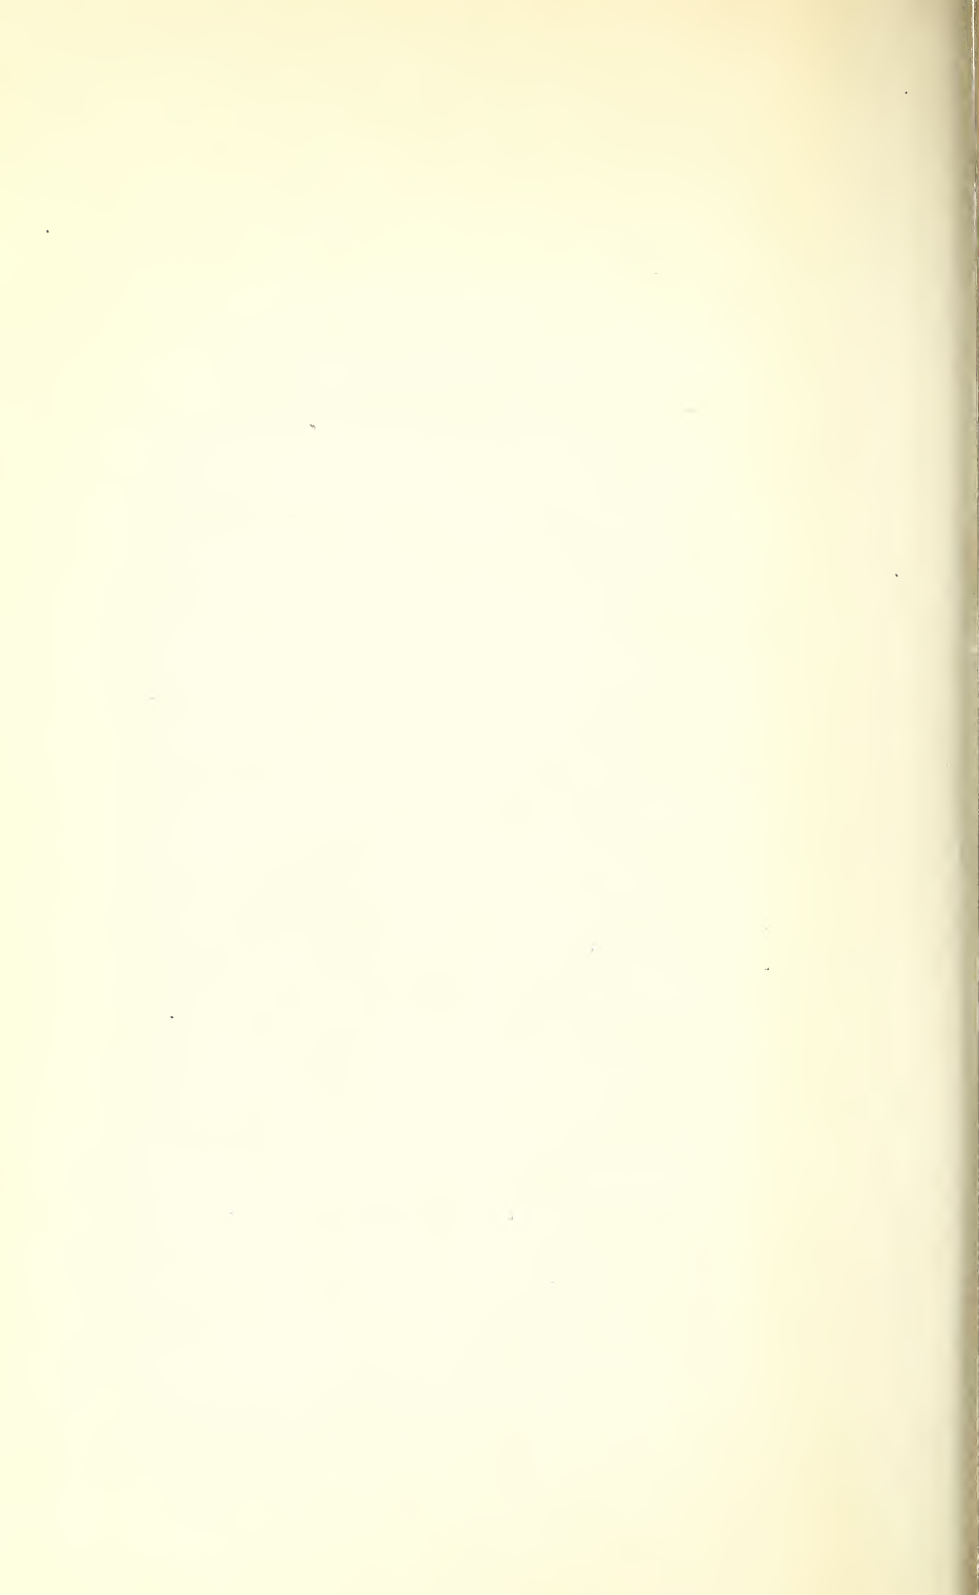

It is not Aldersgate Street after all, that is important, but what happened there, which must have emphasis now. John Wesley, the Founder of Methodism, experienced there a new sense of the Presence of God. He writes:

May 24, 1738 "About a quarter before nine, while he was describing the change which God works in the heart through faith in Christ, I felt my heart strangely warmed. I felt that I did trust in Christ, Christ alone, for salvation; and an assurance was given me, that He had taken away my sins, even mine, and saved me from the law of sin and death. I began to pray with all my might for those who had in a more especial manner despitely used me and persecuted me. I then testified openly to all there what I now first felt in my heart."

WE ARE GLAD TO BE BACK

We are indeed happy to be with you good people of the Siler City Charge for another year. We hope this will be a year of great blessings to us all. We want to make this the greatest year we have ever had.

We have enjoyed the fine spirit of cooperation which has been shown by every organization within the Churches. With such cooperation and great faith we can continue to go forward.

Our report at Conference was one to make us all proud. It compared favorably with the reports of any Charge. It was a consistent report throughout. Your pastor was proud to go to Conference and take this your report.

We had fifty-nine additions to our Churches last year. Fifty of these were on profession of faith.

Each of the Churches went over the top with the finances without the mad scramble at the close. We appreciate this fact very much.

THE NEW YEAR

Many people this year have seen how much easier it is to keep up with their Church pledge by the week

than by the month or at the close of the year. One man said: "I have paid more and have done it easier this way than ever before". The Board of Stewards hopes that each member will make a weekly pledge for just as much as possible this year.

At First Church there were 232 out of 265 active members paying in full their pledges for the year. If each member of the Church will let his or her pledge represent him or her to God, the Church will not want for money.

A person says: "How much should I pledge?" Does your pledge to the Church amount to as much as you spend on tobacco? Is your pledge as great an amount as you spend for cold drinks? Social or civic clubs? Amusements? Recreation? Should these things mean more than your Church?

But another says: "I don't spend for any of these things. How much should I pledge?" Paul says a man should give as the Lord has prospered him during the week.

Whether our gift be large or small, if we give prayerfully and joyously God will bless the gift. "The Lord loveth a cheerful giver".

Oh! Lord, help us to come closer to Thee spiritually and consecrate our all to Thy service. Amen.

ANNOUNCEMENTS:

Your pastor desires to meet with all the boys and girls of the community from about 8 to 15 years of age in the basement room of our church at 3 o'clock this afternoon. Be sure to notify any boys and girls who are not at the service this morning. (5 o'clock P. M.)

The pastor also wishes to meet with the young people at the same place (basement room of church) at 7:00 o'clock this evening. (Ages 16-24). If you're a little younger or older and want to come, don't hesitate for we will not ask your age.

Our Presiding Elder, Dr. J. M. Culbreth, is to be our guest at the parsonage Tuesday afternoon. He will arrive about 3:00 o'clock, he says. We are inviting any of our friends to join us in round-table discussion of our work and plans for the future. We especially want some of our leaders or officials to join us at this time. Come if you possibly can. We shall be disappointed if many of you do not come. Dr. Culbreth is to speak at the meeting of the P. T. A. Tuesday evening at 7:30.

Remember the Mid-Week Prayer Service Wednesday evening at 7:30 o'clock. We were very glad indeed to have some "Newcomers" last week. Our subject will be: "What do You think about Yourself?" or "What is the Christian Conception of Life?" Also please bring your Bible with you to the service.

Have you written your name on the Advocate Chart? If so, in which column did you write it? Ask yourself, if you are not a subscriber, "Can I afford not to take my church paper this year?"

What do you know about "Aldersgate?" A little book is off the press (your pastor has several copies) entitled "Out of Aldersgate" by Watkins. The price is only 25¢ per copy. Here's your chance to learn something about this great event. CHEAP.

WORSHIP

"Nothing in all of life's experiences can take the place of worship, which is an inexhaustible source of life and power. It is the vision-hour of the soul when one climbs to the heights of God and looks out upon a better and a nobler world. If worship is to have its deepest and fullest meaning for the worshipper, some preparation must be made for it. Therefore, as soon as you are seated for worship, lift your heart to God in prayer, asking for the realization of his presence and invoking a blessing on the minister who serves and upon all who worship with you. Meditate a few moments on what you are about to do—worship God—the sublimest act of the human soul. Enter heartily into every phase of the service. Some such prayer as the following would be appropriate to offer: 'May the words of my mouth and the meditation of my heart be acceptable unto thee, O Lord, my strength and my Redeemer.'" Amen.

"O worship the King, all glorious above,

And gratefully sing, His power and His love."

No act of worship can mean all that it might to others till it has meant all that it might to me.

This charge was second highest in the Greensboro District, and fourth from the top in the whole conference on professions of faith. There were 94 last year.

Please call your pastor when you hear of any sickness any where, or death any where in this community. It matters not whether they are rich or poor, church members or not. He wants to be of help.

Stewards meeting tonight after the Service.

Here are your Stewards for this conference year. Mr. Baughn, Mr. Blackwood, Mr. Lanier, Andrew Moore, Mr. Howard Purgerson, Miss. Annie Martin, Mr. Richardson, Mr. Jones and Mr. Atkins.

We congratulate Mrs. Lillian Ray in the fine progress of her class and the work on the cabin that her class has done and is still doing.

What we need is a good Church Choir. We have a good pianist. We now need a choir director - Who will volunteer?

We want to have a revival to begin the first Monday night in January.

ANNOUNCEMENTS

Young People's Department Meeting 6:15.

There will be a Council Meeting for the Young People's Department at the Parsonage. All teachers and officers of this department are hereby notified.

There will be a Zone meeting of the Woman's Missionary Society at our Broad Street Church in Statesville, on Wednesday, March 2nd, beginning at 10:30. Every woman of our church, and most especially the officers of our Society, are cordially invited to go and take a lunch. The meeting is expected to adjourn soon after lunch.

All Stewards are asked to turn in their "Steward's Books" today, since this is the last Sunday of the month. It is a real privilege to be able to tell just what everyone on your list has paid every month. Are you interested? Are you keeping up with your List?

WHAT KING OF AN OFFICER ARE YOU?

Am I a Steward, Trustee, Officer or Teacher in the Sunday School, officer or leader in the Missionary Society, or in some other church organization? What are the responsibilities of my position? Why did I accept this position? What did I intend to do with it? What have I done? What am I doing? What responsibilities of my office am I neglecting? Do I attend every service of worship in my Church, unless providentially hindered? Do I attend the official meetings of my group as diligently as I go to my secular work? Or do I wait to be written about it, called upon by the Pastor and urged to attend, and then go if I cannot get out of it? Judged by my own standards, what sort of an officer and leader in the Church of God am I?

THERE COMES A TIME TO EVERY ONE When He will need the Church

"To all who mourn and need comfort; to all who are tired and seek rest; to all who are friendless and want companionship; to all who are homeless and ask sheltering love; to all who pray and to all who do not but ought; to all who sin and need a Saviour—this Church opens wide her doors and makes a free place; and in the name of the Blessed Saviour says, Welcome."

The Apostles' Creed

I believe in God the Father Almighty, Maker of Heaven and earth; and in Jesus Christ His only Son our Lord; who was conceived by the Holy Ghost, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried; the third day he rose again from the dead, he ascended into heaven and, sitteth at the right hand of God the Father Almighty; from thence he shall come to judge the quick and the dead.

I believe in the Holy Ghost; the holy catholic Church; the communion of saints; the forgiveness of sins; the resurrection of the body; and the life everlasting. Amen.

MY CHURCH VOW

Dearly beloved, you profess to have a desire to flee from the wrath to come and to be saved from your sins, and to become a faithful servant in the kingdom of God; you seek the fellowship of the people of God, to assist you in working out your salvation; I therefore demand of you:

Do you solemnly, in the presence of God and this congregation, ratify and confirm the promise and vow of repentance, faith, and obedience, contained in the baptismal covenant?

Ans. I do, God being my helper.

Will you be subject to the discipline of the Church, attend upon its ordinances, and support its institutions?

Ans. I will endeavor so to do, by the help of God.

Aldersgate Commemoration

May 24, 1738

"About a quarter before nine, while he was describing the change which God works in the heart through faith in Christ, I felt my heart strangely warmed. I felt that I did trust in Christ, Christ alone for salvation; and an assurance was given me, that he had taken away my sins, even mine, and saved me from the law of sin and death. I began to pray with all my might for those who had in a more especial manner spitefully used me and persecuted me. I then testified openly to all here what I now first felt in my heart." — John Wesley.

LETTER TO MEMBERSHIP FROM BOARD OF STEWARDS

Your board of Stewards has met and organized for the conference year, and we feel the responsibility of the financial part of the work of the church. We desire to take this occasion to request the full co-operation of each and every member of our church, for without this we cannot succeed to the fullest.

Our congregation and the community are pleased with the return by the conference of Brother Hall and his family, and we have a right to expect a good year. We ask that every member take an interest in increasing church attendance, and in the work of the church. To this end we most sincerely solicit full co-operation from all our membership. We feel that there is added responsibility resting upon our membership at this time, and we request your earnest and sincere co-operation. If you have not been active, now is the time to become so. We need the aid of every member.

We are pleased to report that the church paid the pastor and all benevolences and other collections during the past year that the board of stewards agreed to pay.

Improvements have been made on the parsonage, for which there is money due that was borrowed. It became necessary to borrow some other funds on improvements to the church property. The congregation will find that we have ahead of us certain other needed and important improvements for comfort and completeness of the plant. The ladies have been active in giving assistance, as usual, without which we could not get along.

We are asking and expecting for the budget the same assessments as for the last year. If there is any change please report at once to some member of the Board of Stewards. We most earnestly insist upon monthly payments by envelope, in order to meet our monthly bills. This is very important and we wish by this letter to impress this upon each member. Mrs. Lizzie Gilbert has been asked to serve as collector again.

Respectfully,

BOARD OF STEWARDS.

ANNOUNCEMENTS

The Vanceboro Missionary Society will meet Friday afternoon, 2:30, at the home of S. Thomas Duboise.

The Workers' Council of the Vanceboro Church will meet Tuesday night, 7:30, at the personage.

The Young People's choir of Vanceboro will practice Thursday night at 7:30 at the church.

The Masonic Orphanage of Oxford will present a program Saturday night, April 9th, at the graded school auditorium. Admission 25 cents and 40 cents. If it is at all possible give this fine program your support.

There will be services next Sunday morning, 11 o'clock, at Vanceboro instead of Epworth. The Masonic Orphanage group is expected to be with us in the service, and the Epworth Church has graciously consented to give us their morning service for this season.

Any one who did not receive an envelope from our own Methodist Orphanage may receive one from the plates as they are passed among you. We recognize the spirit of Easter by raising our apportionment for the year at this time.

"Lord, as we Thy Name profess,
May our hearts Thy love confess,
And in all our praise of Thee
May our lips and lives agree.

Make us resolute to do
What Thou showest to be true;
Make us hate and shun the ill,
Loyal to Thy holy will."

IT ISN'T THE CHURCH--IT'S YOU

If you want to have the kind of a Church
Like the kind of a Church you like,

You needn't slip your clothes in a grip

And start on a long, long hike.

You'll only find what you left behind,

For there is nothing really new.

It's a knock at yourself when you knock your Church;

It isn't the Church--it's you.

When everything seems to be going wrong,

And trouble seems everywhere brewing;

When Young People's meeting, Sunday School, and all,

Seem simmering slowly--stewing,

Just take a look at yourself and say,

"What's the use of being blue?"

Are you doing your bit to make things hit?

It isn't the Church--it's you.

MR. BYRON HAWORTH WITH YOUNG PEOPLE

This evening at 6:00 o'clock Mr. Byron Haworth, Judge of the Juvenile Court, will speak to the Young People. The subject of his address will be "A NEW MORAL CODE FOR THE CHANGING SOCIAL ORDER." We welcome Mr. Haworth to our Church.

YOUNG PEOPLE'S PARTY

The Young People will have a Valentine Party at the Church Monday evening at 8:00 o'clock. It is to be in the form of a kid party and everyone is expected to dress accordingly.

WELCOME BOY SCOUTS

Wesley Memorial is glad to have its seventy boy scouts present and seated together at the service this morning. Mr. Delk Smith and Mr. John Austin are our Scoutmasters. Mr. B. W. Hackney, Jr., High Point's Scout Executive, is a member of Wesley Memorial.

A MEETING YOU SHOULD ATTEND

You should be present Wednesday evening at 7:30 with the Stewards, Church School Workers, and Missionary Workers for the lecture on John Wesley. The pastor will discuss the Holy Club and Wesley's trip to Georgia as phases of his background which prepared the way for his experience at Aldersgate Street.

OUR NEW MISSIONARIES

Once each year Wesley Memorial makes its offering to support its Special Missionaries. A number of families are supporting individual projects, but our Church as a whole is contributing to the support of Rev. and Mrs. Frank C. Ferguson, Soochow, China. Mr. Ferguson is teaching in Soochow University where Mrs. Helen Clark Austin taught. In this way we feel that we are continuing the work so nobly done by Helen Clark.

YOUR CHANCE TO SHARE

Christian people should loyally stand behind their missionaries who at great personal danger will not desert the Chinese Christians in their hour of need. We hope every member of Wesley Memorial will make a liberal offering for the support of Mr. and Mrs. Ferguson. What you place in the special envelopes and in the loose plate collection will go to this fund. If you are not prepared to give today, indicate on the envelope how much you will contribute to this cause between now and September 1.

FACTS ABOUT MR. AND MRS. FERGUSON

Mr. Ferguson was born in Birmingham, Ala., August 14, 1900. He was educated at Emory and Vanderbilt Universities. He sailed for China in 1929 and since has taught at Soochow University. In 1931 he married Miss Elizabeth Dent, who had previously gone as a missionary under the Woman's Department. Mr. and Mrs. Ferguson have one child now six years old.

EMORY UNIVERSITY GLEE CLUB

Emory University is one of the universities sponsored by the Methodist Episcopal Church, South. The Junior Service League is bringing the Emory University Glee Club to our city for a concert at the Junior High School Auditorium on February 15, at 8:00 p. m. The Emory Glee Club is said to be "The South's Sweetest Singers."

SAVE JUNALUSKA! "Some of the brethren are asking how much might be expected of their congregations. We did not desire to fix rigid quotas, but we did suggest that in the Western North Carolina Conference we should strive to make it 9 per cent of the pastor's salary.....If this is done wisely, Junaluska can be saved without any heavy burden upon anybody. We do not have any great big contributions up our sleeve. We are depending upon the church....We must save Junaluska and we can do it if all will jump in and do our part." (Bishop Kern in W. C. Christian Advocate, July 9th.) WHAT ARE WE GOING TO DO ABOUT THIS VERY URGENT AND IMPORTANT MATTER? The deadline is August 15th. What is done and what we do must be done quickly! It is impossible, it seems for Methodism to fail in this task; but such as you and I make up Methodism. WEST ASHEVILLE IS VITALLY INTERESTED AND MUST DO HER PART IN THIS ENDEAVOR TO SAVE JUNALUSKA FOR THE CHURCH AND THE KINGDOM OF GOD. Saving Junaluska is good business financially; but there are other and more important reasons. The chief reason for making this endeavor a success is for the fine spiritual contribution our Assembly has made to the Church and must be free to continue to make for all the future.

Evening Meetings for Youth: Tea will be served in the Religious Education Building by the young people of the Church at 6 P.M., Miss Catherine Simpson, hostess. The general worship will be led by Marshall Cherry. The Senior League will study together "The Life and Work of Simon Peter," under the leadership of Miss Peggy Vaughn. Especially is an invitation extended the students of Vanderbilt, Peabody, and Scarritt to make themselves at home at these Sunday evening meetings. Nearly one hundred of our young people were present on last Sunday evening.

Sunday Evening Services Through Lent! In connection with our Lenten-Aldersgate Observance at West End Church and beginning this evening there will be an evening service in the Religious Education Building each Sunday evening at 7:30 through Palm Sunday. In spite of the inclement weather the Senior Assembly Room was nearly filled for the Ash Wednesday service on last Wednesday. We have greatly needed at West End these smaller worship services, and they will be a permanent part of our weekly program as soon as our chapel is made available. The theme for this evening is "Rejoice." A feature of the service will be the singing of gospel hymns, and a male quartet of Vanderbilt students. Come to the evening service! Enter the West End door of the Religious Education Building, and go to the second floor.

We Welcome into West End Church Mrs. J. E. Scales, 2817 West End Avenue, who comes to us from East End Church, Nashville.

Auxiliary Number Two will meet on Tuesday of this week, following the accustomed schedule. The classes of Dr. Crawford and Mrs. Moreland will meet in their respective rooms at 11:30 A.M. Dr. Harrell will speak to Mrs. Moreland's Class on "Receiving Children into Church Membership." Age, preparation, religious experience and kindred elements will be discussed. All parents who now have responsibilities in this matter are invited to be present. Lunch will be served at 12:30 P.M. Following lunch Mrs. C. A. Bowen will lead the opening discussion of the mission study course on Rural America. The attendance, spirit, and enthusiasm have been at a high level in this auxiliary for months past. It offers the woman of the church a rare opportunity for fellowship and work. Mrs. W. W. Brockman is president.

The Woman's Division of West End Church, under the capable leadership of Mrs. A. B. Benedict, has rendered most valiant service in our building program. The Division pledged \$20,000.00 to the building enterprise and has already paid considerably more than half of it. Its latest undertaking was the Eddy concert last Saturday evening. The Ryman Auditorium was filled to its utmost capacity, with the stage filled with chairs and considerable standing room sold out. The undertaking was a phenomenal success! The Division cleared something more than \$2,500.00.

The Naomi Circle, Auxiliary No. 1, will meet at 10:30 A.M. Tuesday at the home of Mrs. M. W. Waring, 1211 Sigler Street.

The Margaret Rue Circle, Auxiliary No. 1, will have a luncheon meeting with Mrs. John Hannow, 2604 Oakland Avenue, beginning at 12 o'clock, noon, Wednesday of this week.

Letters are coming to the church office which reveal a hearty response to the Lenten-Aldersgate observance and appeal. Two of these are published below, and others will be published from time to time.

From a Student and an Associate Member of West End: "I don't have much money, but if my memory hasn't tricked me as it frequently does, one of the church bulletins last fall carried this item: '\$1.00 will pay for one stone in the new church.' However, it must have meant one brick. Be that as it may, here is a dollar. Please do not acknowledge it. It would take time as well as use up what is already a mite. I wish I could really give to the new church I have already learned to love." (Such gifts as this make a building a church!) Who can measure the value?

A Business Man of the City and Member of West End Writes: "The plans for the completion of the new church seem to me, after a careful study, to be an ideal method. Of course it calls for extreme sacrifice during the Lent period, and on careful thought it seems to me that personal sacrifice is the way that a church ought to be built. Confirming my conversation with you, I want to contribute \$1,000.00 to this noble effort." (This loyal gentleman has contributed before. It is difficult for him to lay aside this amount at this time. But he is doing it! And so are we building our hearts into West End Church!)

Classes for Church Membership: On next Sunday, March 13, an opportunity will be given in the Junior, Intermediate, and Senior Departments of the Sunday school for all persons who wish to join the Pastor's Class for Church membership to do so. Parents who have children of the proper age are requested to confer with the pastor immediately.

If I Forget

BY THE PASTOR

"If I forget thee, O Jerusalem, let my right hand forget her cunning."
Psalm 137:5.

How the Jews loved Jerusalem. Their hopes and affections were entwined around the Holy City. In times of peril they gave their blood to it without stint. When as exiles they languished by the rivers of Babylon their hearts pined for the city of their memory and the city of their dreams. The Jews especially loved Jerusalem because the temple was builded there. In all their thinking the temple threw a halo and sanctity around the city. In another psalm they were accustomed to sing: "Because of the house of the Lord our God I will seek thy good." On the house where they had worshipped the God of their fathers they bestowed their hearts' truest loyalties.

Next to one's home, there should be no place so sacred as the place where he worships. One's church commands his most ardent loyalties. She is his spiritual mother, and in visible form stands before him as an incarnation of his heart's deep faith. She seems to bridge the chasm between the seen and the unseen, and to bring together in her communion the noble of earth and heaven. The Church is a spiritual home for ourselves and our children, where together we may feel ourselves to be under the heavenly Father's roof.

In every community there are many undertakings of a civic and philanthropic nature that call for and richly deserve our support. It sometimes happens, however, that interest in other enterprises has caused good people to forget. How often the good crowds out the best! Let it be said with all boldness that no enterprise lies so near the heart's deep need and the need of the world as the Church. Through her ministry to the spirit of man she has led him along the upward way, and is the throbbing heart of our civilization. If we forget our altars—that spot where the Spirit of God and the spirit of man meet—what then?

It may also happen that one's devotion to organizations and enterprises within the Church may cause him to forget the Church herself. West End is usually rich in such associations—classes, societies, and undertakings of many kinds. But these must not take the place of the Church herself. But for the Church they would not have been born, and but for the Church they would not continue. Loyalty to any enterprise within the Church demands a greater loyalty to the Church herself.

Nothing so tests one's devotion to his Church, of what kind it is, as to have her standing in a great opportunity and crisis calling to him. How will he answer?

*O come, let us worship and bow down: let us kneel

that there be no gathering when I come.*

An Easter Appeal

As we approach the Easter season, our thoughts should be turned from ourselves and centered upon the interests of others. Christ died and rose again for our justification. All that He did through His life and in His death was for us. Is anything He asks, then, too great for us to do for Him? And remember what we do for others, we do for Him. What better way can we show our love and appreciation for all He has done for us than by sharing the glorious Easter hope with others? We can do this through our gifts on Easter Sunday.

Our church, through the call of Bishop Kern, is asked to raise one half of its benevolences by Easter. The amount of our benevolences for the year is \$600. One half of the benevolences raised by Easter then will mean an Easter offering of \$300 from our church. But don't let that amount scare you, nor think it is impossible to raise, nor unreasonable to ask. For some churches, it might seem large. But for our church, compared with its membership, it is small and should be easy to raise. Just think! That is less than one dollar per member on the average. Does that seem too large? It would mean no more than each steward collecting \$25 from his entire list. So the more we think about it, the smaller it seems, and the more imperative it

The following plan is suggested for your co-operation and help: 1st. Each person who pledged to the budget of the church for the year, is asked to pay one half of his pledge, if possible, by Easter. That is, divide your pledge by two, deduct from that the amount you have paid to date, and bring the remainder as an Easter offering on Easter Sunday. 2nd. Each member who, for any reason, did not make a pledge at the beginning of the year, is asked to make a substantial free will offering on Easter Sunday. 3rd. Those who have already paid one half of their pledge to date, may have a part with us in this offering by making whatever additional contribution they desire as an Easter offering. In this way everybody can have a part in helping us round out half of our benevolences on Easter Sunday. If everybody will co-operate in this way, no one will be unduly burdened, and victory will be assured.

None of the amount raised on Easter will go as a special this year. Everything will be applied to the regular benevolences of our church for the year. And each one who contributes will be credited with the amount he gives on his pledge for the year. An Easter envelope will be furnished for your convenience in making your offering. Come and join us in the service on Easter Sunday, and help make it a joyous occasion for yourself, and a glorious service for our Christ.

ANTHEM—Four Chorales from “Jesus Priceless Treasure”

Bach

Jesu, priceless treasure, Source of purest pleasure,
Truest friend to me, Ah, how long I've panted,
And my heart hath fainted, Thirsting, Lord, for Thee!
Thine I am, O spotless Lamb!
I will suffer naught to hide Thee, Naught I ask beside Thee.

In Thine arm I rest me, Foes who would molest me
Cannot reach me here, Though the earth be shaking,
Every heart be quaking, Jesus calms my fears; Fires may flash,
and thunders crash, Yea, and sin and hell assail me,
Jesus will not fail me.

Hence with earthly treasure, Thou art all my pleasure,
Jesu, all my choice. Hence, thou empty glory,
Naught to me thy story, Told with tempting voice;
Plain, or loss, or shame, or cross,
Shall not from my Saviour move me, Since He deigns to love me.

Hence, all fears and sadness, For the Lord of gladness,
Jesus, enters in; They who love the Father, Though
the storms may gather, Still have peace within; Yea,
what e'er I here must bear, Still in Thee lies purest pleasure,
“Jesu, priceless treasure.”

Let all the world in ev'ry corner sing, My God and King.
The heavens are not too high, His praise may thither fly;
The earth is not too low, His praises there may grow.
Let all the world in every corner sing My God and King.

Let all the world in every corner sing My God and King.
The Church with psalms must shout, No door can keep them out.
But above all the heart must bear the longest part.
Let all the world in every corner sing My God and King.

SOLDIERS OF CHRIST, ARISE

Soldiers of Christ, arise, And put your armor on,
Strong in the strength which God supplies Through His eternal Son;
Strong in the Lord of hosts, And in His mighty power,
Who in the strength of Jesus trusts Is more than conqueror.

Stand, then, in His great might, With all His strength endured;
But take to arm you for the fight, The panoply of God:
That, having all things done, And all your conflicts passed,
Ye may o'ercome thro' Christ alone, And stand entire at last.

From strength to strength go on, Wrestle, and fight, and pray
Tread all the powers of darkness down, And win the well-fought day:
Still let the Spirit cry, In all His soldiers, "Come!"
Till Christ the Lord who reigns on high, Shall take the conquerors home.
A-men.

Charles Wesley, 1707-1788.

A CHARGE TO KEEP I HAVE

A charge to keep I have, A God to glorify,
A never-dying soul to save, And fit it for the sky.

To serve the present age, My calling to fulfill;
O may it all my powers engage to do my Master's will!

Arm me with jealous care, As in Thy sight to live,
And, Oh, Thy servants, Lord, prepare A strict account to give!

Help me to watch and pray, And on Thy-self rely,
Assured, if I my trust betray, I shall for ever die. A-men.

Charles Wesley, 1707-1788.

Enroll in the Golden Cross Society

Methodism is calling all Methodists to answer the Golden Cross Roll Call, May 8-15.

What is the Golden Cross Society?

It is the authorized agency of the Church for hospital ministry in the homeland.

What good will come from enrollment in the Golden Cross?

Every dollar received through this enrollment will enable your Church to meet the needs of human suffering.

How are these needs met?

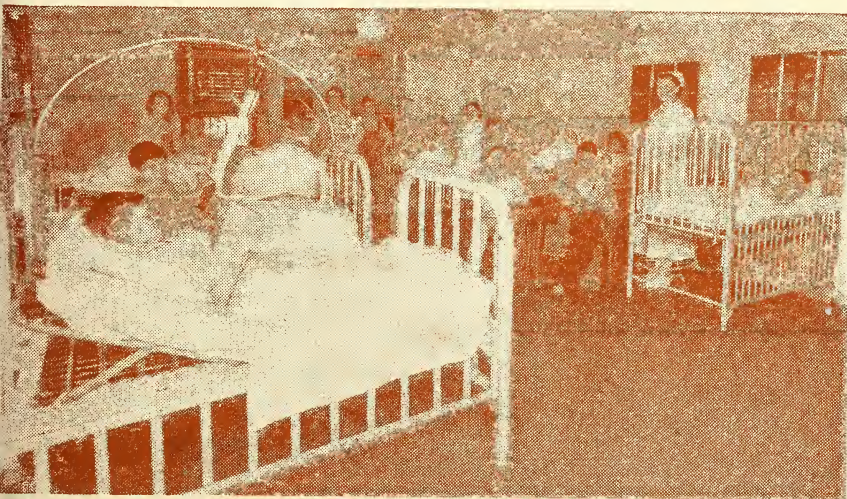

By the 12 hospitals supported wholly or in part by the Church. The hospital program includes hospitalization for the poor, segregation and care of incurables, and clinical service for the needy.

If my conference has no hospital, should I join the Golden Cross?

Conferences without hospitals have entered into agreement with some church-owned hospital in a neighboring conference or some private hospital to secure hospitalization for their charity cases.

Enroll in the Golden Cross; help carry out the Master's command:

"Heal the sick, cleanse the lepers, raise the dead, cast out devils; freely ye have received, freely give."

WELCOME

We the members of Fellowship Church wish to welcome back all the pastors of our church. They have served us well and we hold a warm place in our hearts for them. We are glad to have them with us in this service of dedication.

We welcome also all our friends of this community and we appreciate their interest in us.

We welcome back our old members who have moved away and are now back to rejoice with us in our success.

To each and every one we say that we hope you will enjoy your visit with us and that you will come back again soon.

GOLDEN CROSS

What is the purpose of the Golden Cross? "The purpose of this Society shall be to promote the hospital work of the Church.

What are the dues for membership? 25¢ for those under fourteen. \$1.00 for adult members. Surely your money could not be spent for a better purpose than the healing of the sick in body. Become a member at once. See Lee Rowe or your pastor.

BACCALAUREATE SERMON AT PRINCETON

The Baccalaureate Sermon of the Princeton High School will be delivered at the Methodist Church in Princeton, May 15, 1938. Dr. H. S. Hilley, President of Atlantic Christian College will preach. You are cordially invited to attend.

THROUGH THE HOSPITAL DOOR

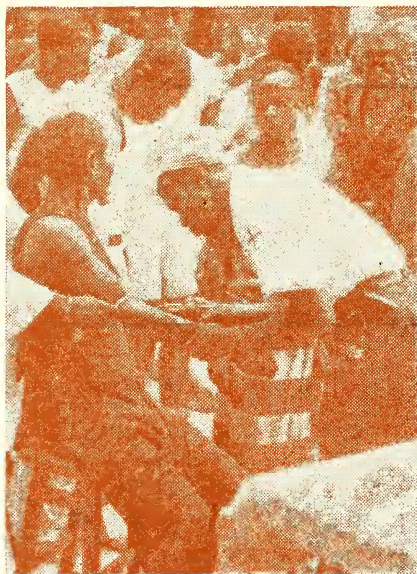

A door of hope—that is what the hospital door is to hopeless, suffering humanity. 'The healing impulse of the Christian religion is implicit in the example of Jesus and explicit in the Commission He gave his Church.

* * *

Southern Methodism carries on a wide program of hospital service. In the United States the Church supports 12 hospitals, either wholly or in part, to care for the sick and suffering, many of whom would otherwise have no hospital care. In foreign fields the Church maintains or helps to maintain 11 mission hospitals, which carry on a widespread charity work. There are 4 in China, 3 in Korea, 3 in Africa, and one in Mexico.

* * *

Southern Methodist hospitals in the United States have nearly 2,000 beds and provide hospitalization for more than 50,000 patients annually at

an expenditure of approximately \$2,-000,000.

* * *

The first medical dispensary for the poor was founded by John Wesley in London in 1747.

* * *

The first hospital built by the Southern Methodist Church in the homeland was Wesley Memorial Hospital, Atlanta, Ga., in 1906.

* * *

Southern Methodist hospitals in the United States are: Wesley Memorial, Atlanta, Ga.; Barnes Hospital, St. Louis, Mo.; Good Samaritan Hospital, Lexington, Ky.; Methodist Hospital, Memphis, Tenn.; Methodist Hospital, Houston, Texas; Methodist Hospital, Hattiesburg, Miss.; Dallas Methodist Hospital, Dallas, Texas; Methodist Hospital, Fort Worth, Texas; Duke Hospital, Durham, N. C.; Warren A. Candler Hospital, Savannah, Ga.; Hugh Chatham Memorial Hospital, Elkin, N. C.; Norwood Hospital, Birmingham, Ala.

Hospital work in the homeland is now under the Department of Home Missions, Evangelism, and Hospitals of the Board of Missions.

WORK IN A MISSION HOSPITAL

It is injection day at the Mary Long Hospital in the Congo Mission. How the patients do pour in, for the African believes that the "needle" can cure anything. The native hospital boys, who wear a red cross on their cap and sleeve, give all injections for sleeping sickness, yaws, and other diseases treated in this way. These native helpers have been trained by the missionary doctor and are so efficient that they take care of all the routine work of the hospital, leaving the medical missionaries free for operations and important cases. Southern Methodism maintains three mission hospitals in the Congo.

AN EMERGENCY

Lake Junaluska, "The Summer Capital" of our church is in danger of being lost to our church through foreclosure. For 20 years our whole church has been receiving inspiration and training through leadership conferences held there each summer. We have spent about \$600,000. providing such a place. This property is to be sold Aug. 15th. unless we raise \$105,000.00 to cancel all indebtedness and give us this important assembly ground unincumbered for the use of our church. Queen Street Church is requested to give \$198.00 towards this "Save Junaluska" campaign.

The Stewards and pastor feel there are several of our congregation that will welcome the opportunity to help "Save Junaluska" by making a substantial contribution NOW in this emergency.

Hand your subscription to J. D. Grady, J. C. Hood or Rev. A. S. Parker.

Next Sunday, March 6th an offering will be taken in this Church for the Kingdom Extension work. The amount given by each individual is a matter for the conscience to decide. You are only asked to give what you wish or can. The money goes for home and foreign missions, hospitals and education.

The Choir is working hard on the Easter music; it has two practices a week. This choir has always given a good account of itself when it undertook to put on a special program; it has more voices in it now than it has had in a long time. Several people have recently joined the choir from the young set of the Church. We are quite sure Mr. Burgess, the President of the Choir and Mrs. Correll, as well as all the rest of us, are happy to welcome these young people as members of the choir.

Are you telling other folks just how good a preacher we have? Some evidently have, because our congregations are on the increase. All who come to hear Mr. Parker will get well paid for doing so. He is a splendid preacher. Let's tell others.

Other former pastors now living are Rev. C. L. Reid of Durham, Rev. G. B. Starling, of Grifton, Rev. H. M. Jackson of Garner, and Rev. L. M. Hall of Dunn. Efforts were made to have each of them present for this occasion, but for various reasons they were unable to attend.

BRIEF HISTORICAL SKETCH

Page Memorial Methodist church, Aberdeen, is one of the most beautiful church buildings in the North Carolina conference. Being the gift of grateful children in memory of their illustrious parents, it has for twenty-five years stood as the representative of material beauty and the symbol of spiritual values in the community. Those who conceived the idea and gave liberally to make possible this structure as a place of worship were Walter Hines Page, Robert N. Page, Miss Emma Page, Henry A. Page, Miss Mary E. Page, Junius R. Page, Mrs. T. B. Wilder, and Frank Page. This community is greatly indebted to them for their interest in the religious life of the community and their generosity in expressing their vision in this concrete way. The church had its inception in Manly Mission under the ministry of Rev. J. A. Cunningham in 1884. Rev. Frank M. Shamburger served from the summer of 1884 till conference in the fall. Rev. M. A. Smith received the first conference appointment and served 1885, 1886, 1887, 1888. A frame building was erected, but was burned soon after being completed. Another building was erected on the same spot, and is now the Manly Presbyterian church. Rev. H. M. Jackson was the pastor for 1889, and Rev. L. M. Chaffin in 1890, 1891. During 1890 a church and parsonage were built at Aberdeen, and Mr. Chaffin moved here. Other appointments were Rev. W. J. Crowson 1892, 1893, 1894. Rev. J. H. Page 1895, 1896, 1897. Rev. J. E. Thompson 1898, 1899, 1900, 1901. Rev. G. E. Oglesby 1902, 1903, 1904; Mr. Oglesby was killed in 1905 and his year was filled out by Kilgore. Rev. D. N. Caviness 1906, 1907, 1908, 1909. Rev. W. W. Peele 1910, 1911. In the summer of 1911 Mr. Peele was elected Headmaster of Trinity Park School and Rev. Mr. Ferguson filled out the year. Rev. C. L. Reid 1911, 1912. Rev. W. H. Brown 1913, 1914. F. S. Love 1915, 1916. G. M. Daniel 1917. J. H. Hall 1918. C. B. Culbreth 1919, 1920. E. H. McWhorter 1921, 1922, 1923, 1924. W. V. McRae 1925, 1926, 1927. G. B. Starling 1928, 1929. W. C. Ball 1930, 1931, 1932, 1933. L. M. Hall 1934, 1935, 1936. S. J. Starnes 1937—

The present church building was dedicated July 5, 1914, during the pastorate of Rev. W. H. Brown. The sermon was preached by Bishop John C. Kilgo. Rev. C. L. Reid who was pastor when the building was begun, was present and took part in the dedicatory service with the pastor and Bishop Kilgo. Recent repairs and improvements cost around \$1,000.00.

A large part of our attention from now till the Annual conference must be given to raising the budget. Just now, what matters most is not how much each church may be due, but what spirit and determination is used in going after the balance. The thing to do is to conclude that you are going out in full. Failure is easy when we begin to make plans for failure, when we begin to talk failure, when we decide there isn't anything ahead but failure. BUT, when we go to work in a high spirit believing that failure will never do, we can accomplish all that is asked of us. Don't say that we must go to conference partly paid. It means that obligations have not been met; it hurts the churches; it disappoints those who have tried to do; it brings embarrassment to the preacher at conference. Can we not all go OUT IN FULL? Surely we can.

Remember the check-up meeting at St. Paul October 12. Remember the Annual conference at Asheville, October 20.

IF I WERE GOD

If I were God
And man made a mire
Of things: war, hatred,
Murder, lust, cobwebs
Of infamy, entangling
The heart and soul—
I would sweep him
To one side and start anew.
(I think I would.)
If I did this,
Would I be God?

ANNOUNCEMENTS

THE VOICE OF GOD

I sought to hear the voice of God
And climbed the topmost steeple.
But God declared: "Come down again,
I dwell among the people."

—Louis I. Newman

FAMILIAR FAILURES

Beginning this evening at seven-thirty Mr. Rozzelle will start a series of sermons on Bible characters, entitled "FAMILIAR FAILURES." The first sermon of the series will be "THE YOUTH WITH A SILVER SPOON." Other subjects to be given within the next six Sunday evenings will be:

"THE PREACHER WHO POUTED."
"THE MAN WHO TURNED BACK."
"TOO MUCH MONEY."
"THE PRINCE WHO LOST HIS VISION."
"THE KING WITH DARK GLASSES."
"THE JUDGE WITH A YELLOW STREAK."

Please take note of these special sermons, each one with a great teaching to those facing life and its difficulties. Join us this evening.

YOUNG PEOPLE

What a banquet our Young People had on Friday evening! It was one of the big nights of our Church Year for enthusiasm and inspiration. What a power for good lies in the heart of youth!

PAY YOUR PLEDGE

This month will end our first quarter of the Conference year. Why not make February 1st, the day on which every dollar of our quarterly budget will be paid? Why not pay one fourth of your pledge by that date, and thereby balance the church books? Mr. J. R. Dellinger is our treasure. The board of stewards is asking all members to pay at least one fourth of their pledges this month.

THANKS

Grandmother Davis thanks her many friends for their consideration of her during the holidays. She celebrated her ninety-fifth birthday last week, being the oldest member of Main St. Church. God bless her and keep her in these advanced years.

INTERMEDIATE DEPARTMENT

Is your child enrolled in our Intermediate Department of the Sunday School (ages 12, 13, 14)? This is a critical period of a child's life and one that needs all possible moral and religious attention. The following officers and teachers are in charge of this section of our Church School:

Mrs. F. H. Cunningham, Superintendent.
Miss Alice Wallace, Secretary.
Ben Rankin Morris, President.

Teachers

Miss Elizabeth Kennedy
Mrs. Jack Simmons
Mrs. J. H. Black
Mr. R. E. Blackwelder
Mr. J. O. Childers
Mr. Horace Murphy

Sermon in a sentence: "THE WORLD MAKES WAY FOR THE MAN WHO KNOWS WHERE HE IS GOING."

MID-WEEK

The subject of the Mid-Week hour on Wednesday evening at seven-thirty will be: "THINGS TO REMEMBER," the half dozen big facts of life which the Bible impresses upon our memories. Come and study these big things with us at the prayer service.

ROBERDEL CIRCUIT

— BULLETIN —
APRIL 1934
Rev. E. C. Crawford, Pastor.

Sell that
to anybody
except my truck
driver.

Yes, boss.

THE BOOTLEGGER'S GOLDEN RULE

I once heard of a bootlegger who fired his truck driver because the driver got drunk on some of his liquor that was on sale nearby filling station. He was willing to help drunken drivers destroy other people's property, but not his own.

Whom does the bootlegger want for his customer. His clerk, his doctor, his cook, his lawyer, the boy who drives the school bus on which his children ride to school? No, none of these. He would have the people who deal with his life and property to stay sane and sober. It is the other fellow's life and property for which he has no concern. What man is so unchristian as he who for a few dollars will place to his neighbor's lips that which makes him an enemy to himself and all others.

THE PASTORAL LETTER

Rockingham, N.C.
April 1st,
1934.

My Dear Friend:

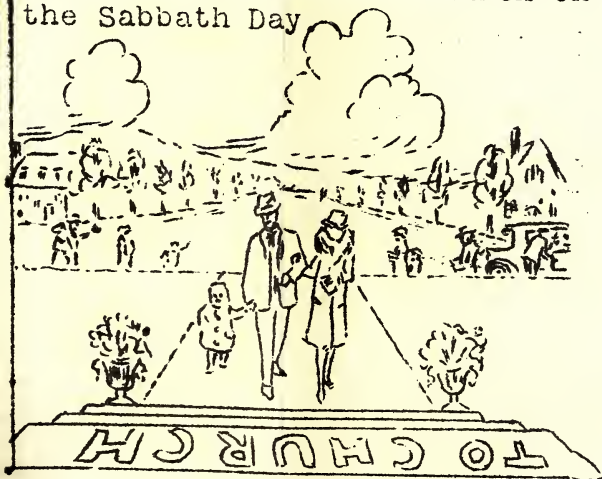

April is here again!

I hope her winds will blow good fortune your way. I am sure the oldest among us feel some re-
newing of youthful impulses when spring comes around. May the heavens declare unto us the goodness and the beauty of God during our first afternoon in the garden.

Three Revivals are to be held on the Roberdel Circuit this spring. May they bring heart clearing days to our people. Blessings upon you!

The Pastor, *Hubbard*

Through life we should lead the children to church on the Sabbath Day

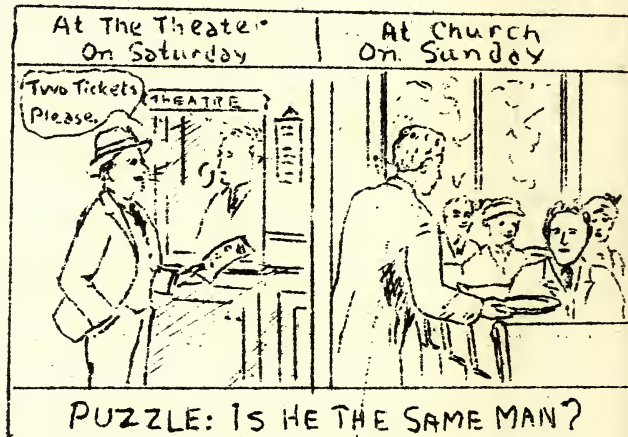

THE WISE OLD OWL SAYS:

What we say on o our knees is of less importance than what we do when we rise.

Both prosperity and poverty come from spending money, prosperity from spending it wisely, poverty from spending it foolishly.

'Tis but a short span from puppy love to a dog's life.

People who don't go into the theater without paying for their ticket shouldn't let the collection plate pass without dropping some offering in it.

The Church can not do what it should for those in need unless those who are able to go to the show through the week also drop something in the plate on Sunday. Keep a check on your show and church money, young folks, and see which is getting the more.

EVENINGS

PAST and FUTURE

The Union League Program will be given at The Roberdel Church Thursday, 8:00 P. M., April 5th.

The Steele Mill Church made the best record in raising money during March; in addition to raising their pastor's salary the people there raised \$145.00 on their Building Fund.

The people at Saint Paul's Church have proven that country people can pay the preacher before cotton picking time; they paid their pastor the salary due him in March.

Revival Services at Steele Mill April 22-30, Rev. F. A. Lupton doing the preaching. He is from Hillsboro, N.C.

Revival Services begin at Ledbetter's April 29 with Rev. W. Ray Anderson doing the preaching.

Rev. F. M. Shamburger will assist the pastor in the Revival at Roberdel beginning the First Sunday in May.

The young people of The Roberdel Church are planning to give a play, "The Alley Daffodil," at Roberdel April 20. It is a good play.

HOW SHALL WE ESCAPE IF WE
NEGLECT SO GREAT SALVATION?
Heb. 2:3

Have you been saved from your sins? Have you been saved from a bad temper, dirty language, and impure thinking? If your religion does not save you from those things here it will not likely save you in death. Heaven must enter us here if we are to enter heaven hereafter.

We need to spend more time working out our salvation; for the religious experience is a progressive work. It is a race, and the goal is at the end; it is a journey, and the home and resting place is in heaven; it is a warfare, and the last enemy is death.

Don't quit the battle. If there is sin in your life you must by the grace of God overcome it or perish. Flee from the evil, seek to do good.

PAID ON PASTOR'S SALARY DURING MARCH					
Churches	Monthly	The Amount		Paid On	April
	Allotment	Paid	Due		
Beaver Dam	\$ 7.92	\$ 9.02		\$ 1.01	
Green Lake	16.34	9.25	7.09		
Ledbetter	16.25	12.70	3.25		
Roberdel	43.34	48.55		5.21	
Sainto Paul	15.65	15.65			
Steele Mill	17.16	14.75	*2.41		
TOTALS	116.66	109.92	12.75	6.22	

Roberdel Circuit did better on salary in March than it has done any month this year. Two churches over paid for the month, one paid up, and two others paid more than they did in February. All the churches paid \$ 109.92 on salary during March, lacking only \$6.72 paying the entire monthly allotment. Why can't the people do that every month? I think we can; and it would be better for us and our pastor, too, if we would.

Beaver Dam and Steele Mill have the pastor's salary paid up to date. While Steele Mill didn't raise but \$14.75 in March, she over paid in January and February; so she is still ahead. Roberdel will soon catch up on back salary if she keeps going like she did in March.

Stewards, let's put on special effort to bring our churches out in full again this month.

Robert Rusk

Char. of Circuit Board of Stewards.

If you did not make your offering to Benevolences Easter Sunday, please mail it to the pastor or bring it to church sometime in April.

Remember that one-half of your gift goes to our Conference Treasurer at Raleigh and is spent among the needy Methodist of our State; the other half goes to Missions.

Next month's bulletin will carry a report showing what each church gave to this cause.

Your offering will help; so send it to me.

Three Pinner's members have paid their pledge in full, seven at Rich Square have paid in full, and one at Woodland.

Of Woodland's 102 members, 28 have made some contribution to pastor's salary this year. This is one out of four. At Rich Square 43 members have contributed, that is one out of five; at Pinner's 20 members, or one out of seven. Numbers above indicate more, but some members have paid more than once this year.

Stewards must see the other members. It is not fair that 91 members out of 460 carry for four months the whole budget of the church.

# PREACHING SERVICE

Sunday, 11:00 A. M., Feb. 6th.  
The Rich Square Methodist Church

If He should  
come to earth today!

What is your answer  
to these question?

Is Christ coming back to  
earth again? If so, when and  
how? Is the world we have now  
the kind Christ wants?

Is it foolish to pray today,  
"Thy kingdom come thy will be  
done on earth as it is in  
heaven"? How would Christ go  
about answering such a prayer  
today?

These, and many other ques-  
tions about the coming king-  
dom will be discussed by the  
pastor Sunday Morning, in his  
sermon, "The Second Coming of  
Christ,- in John Wesley"

Is America to have a God-  
redeemed, God-controlled society or a  
Chaotic, God-forsakened society?

Read the inside of this  
bulletin, and come and worship with us  
Sunday. E. C. Crawford, Pastor.

Your absence from church is a vote to close its doors.

*Board of Stewards*

The end of May marks the close of the first six months of the Conference year. We have in our Treasury at this time \$94.80 and are due our Pastor and Presiding Elder \$188.50. Also at the end of June we will be due about \$50.00 for our Sunday School literature. Next week the Stewards will visit the members of the Church to let them know how they stand on their subscriptions. If each of the Stewards can receive as much as \$10.00 it will enable us to meet our obligations and we ask the cooperation of all in making this a successful canvass.

"Whosoever Will Let Him Come"

### FATHER'S DAY

The second Sunday in May has long been observed as Mother's Day. In recent years the third Sunday in June has become known as Father's Day. The same commandment which says, "Honor thy Mother", also says, "Honor thy Father." There are many honorable fathers who merit our honor, while there are in fathers ranks, as in mothers, those who are unworthy of the name. Most any of us could be better fathers. Fathers need to realize, "Like father, like son"—is often true. They need to realize that son is following in dad's footsteps. Having this realization we should accept our obligation gladly and in the fear of God so that our footprints may ever point to noble service for God and to that Father heart of God whose we are and whom we serve.

What does your boy see?

What does your boy read?

What is your boy doing?

—Luke 2:52.

There is an old question, "What is home without a Mother?" May we not ask, "What is home without a real Father?"

### DAD'S GIFT

By Leila Rush Kemp

Dear Dad, I know you're a wonderful man,  
Yet sometimes, it seems you're left out,  
It is Mother whose praise we are singing today  
And she justly deserves it, no doubt.

It was her loving care, and your gentle smile  
That we always saw on your face;  
It was Mother who kissed all the bruises and bumps—  
Both, made home a heavenly place.

Dear Dad, there is love in our hearts today  
And much praise we bestow upon Mother,  
There is also a feeling of pride in you  
Because you were the first one to love her.

So we sing a song to you both today—  
A thanksgiving song—for we're glad  
That the greatest gift in life to us  
Was the gift of our Mother, from Dad.

This bulletin is dedicated to the memory of R. C. Kirby, aged 86. A loyal church member, steward, friend and christian of Long's church, who died June 15, 1931.

# A Prayer for the Church

**O** GOD, we pray for thy Church, which is set to-day amid the perplexities of a changing order, and face to face with a great new task. We remember with love the nurture she gave to our spiritual life in its infancy, the tasks she set for our growing strength, the influence of the devoted hearts she gathers, the steadfast power for good she has exerted. When we compare her with all other human institutions, we rejoice; for there is none like her. But when we judge her by the mind of her Master, we bow in pity and contrition. O, baptize her afresh in the life-giving spirit of Jesus! Grant her a new birth, though it be with the travail of repentance and humiliation. Bestow upon her a more imperious responsiveness to duty, a swifter compassion with suffering, and an utter loyalty to the will of God. Put upon her lips the ancient gospel of her Lord. Help her to proclaim boldly the coming of the kingdom of God and the doom of all that resist her. Fill her with the prophet's scorn of tyranny and with a Christlike tenderness for the heavy-laden and downtrodden. Give her faith to espouse the cause of the people, and in their hands that grope after freedom and light to recognize the bleeding hands of the Christ. Bid her cease from seeking her own life, lest she lose it. Make her valiant to give up her life to humanity, that, like her crucified Lord, she may mount by the path of the cross to a higher glory.—From *"Prayers of the Social Awakening,"* by Walter Rauschenbusch.

## Woman's New Part in the Church of Christ

**T**HE Church is the most sensitive and delicately involved organization into which men and women enter. Divinely established, it is at the same time terribly human. Those who enter it bring not only all that is most universal in the human spirit, but all that is most intimately personal as well. They bring noblest aspirations, deepest thoughts; and they bring doubts, prejudices, and fears. This dualism must be remembered in all strivings to interpret women's status in the past, the present, or the future of the Church. With this in the thinking of those who shape the policies of Church organizations, there will be patience, courage to dare when daring is needed, and faith to believe that what is right and best will eventually prevail.—From *"Woman's Place of Service in the Church."*

### "In the Strength of Grace"

**A**N indication of the character of a group is to be found in the character of its leaders. The Woman's Missionary Council, which is the most influential women's organization of Southern Methodism, has had many leaders, but only three presidents—Miss Belle

H. Bennett, Mrs. F. F. Stephens, and Mrs. J. W. Perry. Each has made her own contribution to the work of the Church and to the workers.

Surely no one who knew Miss Belle Bennett can think of her without both a tug at the heartstrings and a throb of gratitude. With all the social charm of the best Kentucky tradition, she was a far-seeing leader with a sacrificial devotion to the cause of Christ and a faith that removed mountains. From quiet hours of communion faithfully observed she drew strength and wisdom for emergencies and for the steady pull. Naturally such a woman drew around her other women of ability and vision. When Miss Bennett closed her rich life in 1922, another, already familiar with the work and well known as a leader, was prepared to carry on.

Mrs. F. F. Stephens came to the work of the Council from a university atmosphere. Miss Bennett had done the pioneering; Mrs. Stephens brought to the work the gifts of the administrator and the builder. A calm and dignified presiding officer, she steered the business of the Council through parliamentary channels with dispatch and without confusion. No Council meeting ever disbanded without leaving upon all who watched its proceedings the impress of

a body which had not forgotten reverence and a sense of high calling in the interest of efficient conduct of business. Suddenly, in February, 1931, Mrs. Stephens laid down her many duties on earth to answer another call. The Annual Meeting of the Council was almost at hand, but again a leader had been prepared.

At the Annual Meeting in April, 1931, Mrs. J. W. Perry, who had been Vice President of the Council under Mrs. Stephens, was elected President. Her lovely Christian home in Nashville was already a familiar meeting place for counsel. Her radiant personality had carried to completion many a hard task. She was not unaccustomed to the duties of the Chair. And so she came to the presidency of the Council with a humble heart, with a womanly graciousness, and with a skill that, while dispatching work efficiently, "seemed to keep the business of the Council running with a smile."

### Then and Now

A LITTLE over fifty years ago five women met in McKendree Church, Nashville, one rainy afternoon and organized a missionary society. To-day the members of the missionary societies of the Southern Methodist Church number 275,189, including 12,959 members in the foreign fields; they exercise a supervisory relation over many kinds of work in our own country, have their part in the enterprises of the Church in eight foreign fields, and contribute over a million dollars a year to the spread of the gospel, besides contributing, in addition, to the general funds through the regular Church channels.

Surely the eagerness of women to have a part in the counsels of the Church has been justified.

### A Volunteer Host

IT would be interesting to know how many women are engaged in voluntary service in our Church. The truth is, however, that the tasks they undertake are so many and so varied that there is hardly a local Church which

attempts to count them, or even thinks of doing it, so that a census of volunteer workers in the whole Church would be an almost impossible task. Think for a moment what would happen to the Sunday school, to the Missionary Society, to the finances and the general welfare of your own Church, if every woman engaged in voluntary service should suddenly drop out. And if the same thing should happen in the seventeen to eighteen thousand Churches of Southern Methodism, what then? Of course such a catastrophe is well-nigh unthinkable, and it ought to be; for every Church member, every Christian, should be a volunteer worker, but a moment's tribute of appreciation and appraisal is not out of place.

#### FAME AND DUTY

"What shall I do lest life in silence pass?"

"And if it do,

And never prompt the bray of noisy brass,

What need'st thou rue?

Remember, aye the ocean deeps are mute—

The shallows roar;

Worth is the ocean—fame is but the bruit

Along the shore."

"What shall I do to be forever known?"

"Thy duty ever!"

"This did full many who yet slept unknown."

"O, never, never!

Thinks't thou perchance that they remain unknown

Whom thou know'st not?

By angel trumpets in heaven their praise is blown—

Divine their lot."

"What shall I do, an heir of endless life?"

"Discharge aright

The simple dues with which each day is rife,

Yea, with thy might.

Ere perfect scheme of action thou devise

Life will be fled,

While he who ever acts as conscience cries,

Shall live, though dead."

—Johann C. F. Schiller.

The February group in the leader of Mr. Webb gave us a splendid talk Wednesday night. Those who were not present for this talk on "Christian Citizenship" missed a real treat. We had thirty in attendance at the mid week service.

The Earnhardt Union will meet in our church, Tuesday night, at 7:30. We are expecting about 175 young folk at this service. The pastor would like for many of the fathers and mothers and all others who will be present in this service. Come and lend your interest in the work of these young people.

The stewards are asked to have their meeting in the parsonage Tuesday night. A full attendance is desired. Its the end of the quarter, and there should be much work to do.

Do not forget our Aldersgate rally at Fayetteville and Lumberton, March 2nd., at 9:30 a.m.. All who can go and take their car please notify the pastor. He would like to have a large delegation from Maxton.

We will not have our regular mid week service on account of the Aldersgate Rally Wednesday.

Regular choir practices.

## ANNOUNCEMENTS FOR THE WEEK.

The W. C. T. U. Circle meets Monday Night at the home of Mrs. Frank Todd. Hour 8 P. M.

Workers Council meets Tuesday Night at 8 P. M. at the Parsonage. All teachers and assistant teachers, as well as officers of the Church School are urged to be present. We want to make this an important meeting.

Choir Practice Wednesday Night with Mrs. B. B. Lee. Each member of the choir is urged to attend.

The Long Creek P. T. A. meets Thursday Night at 8 P. M. in the school Auditorium.

This afternoon all Methodists are invited to visit "Blue Heaven." This is a section of Charlotte near South McDowell St. You are urged to take a look at the unfinished Williams Memorial Tabernacle Methodist Church and see first hand what the colored people are being forced to worship in because of their poverty. Later every Methodist is to be given an opportunity to make a self-denial offering toward the completion of this Church. This is a real missionary project which we as Christians cannot close our eyes or hearts to.

Congratulations to the eleven members of our Church School who won credits last week in our Training School. Surely our Church School will be made more efficient as a result of this training on the part of our workers. The very grave responsibility of Christian Teachers is such that we ought to improve our knowledge in every way possible. We remember the words of Paul: "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Maintain a Christian Home: In which God is worshipped, Christ is honored and Bible is read.

SOUTHERN STUDENT SECRETARY TO SPEAK TO YOUNG PEOPLE

This evening at 6:00 o'clock Mr. W. W. McKee, Southern Student Y.M.C.A. Secretary, will speak at the regular supper meeting of the young people. Mr. McKee lived the first fourteen years of his life in India and since coming to this country received his higher education at the University of North Carolina and Yale Divinity School. His work takes him throughout the South visiting all college and university campuses; consequently, he can give us a realistic picture of what is happening in our institutions of learning. Mr. McKee was a roommate of our Director of Christian Education for two years while at Yale. We welcome him to our Church and city.

### OUR CHURCH SCHOOL

On last Thursday evening a meeting of our Workers' Council was held at which sixty-eight members were present to hear Dean P. E. Lindley. Plans were made for the deepening and expansion of our Church School program. It is confidently expected that our Church School attendance will pass the 1000 mark many times between now and Easter. If you are not attending Church School regularly, now is a good time to start.

### THE BEGINNINGS AND MEANING OF METHODISM

Starting Wednesday evening at 7:30 the pastor will give a series of Wednesday evening addresses on "The Beginnings and Meaning of Methodism." As a background for the studies it is hoped that many will secure Dr. Watkin's book "Out of Aldersgate" for twenty-five cents. To date around fifty copies have been distributed. You may secure a copy at the close of the services today. The subject Wednesday will be "The Age Into Which Methodism Came." We hope that many members of the Board of Stewards, the Woman's Auxiliary, the Workers' Council as well as others will be present.

### GREENSBORO COLLEGE CENTENNIAL PROGRAM

The local committee for Greensboro College Centennial is sponsoring a dinner Tuesday evening at 6:30 at the church. Those interested will please make reservations at the church office by Monday noon.

### INFANT BAPTISM

On January 21 the pastor dedicated in baptism at the church Robert Dodson Marsh, son of Mr. and Mrs. A. Wade Marsh. We pray God's richest blessing on this home.

### A VERY DISTINGUISHED SPEAKER COMING

On Sunday evening, February 13 (two weeks from tonight), Dr. Allen Knight Chalmers, Minister of the Broadway Tabernacle Congregational Church, New York City, will preach at Wesley Memorial. You are urged to invite your friends to hear him.

### OUR MALE QUARTET

The Wesley Memorial Male Quartet has been rendering a special number each Sunday evening. These numbers have become very popular. The quartet is composed of: Messrs. J. G. Briggs, Grady W. Comer, W. C. Idol, Jr., and Roy M. Padgett.

Of course we do not know what Methodism's contribution to Christianity actually is, but we can surmise a little by asking what would have happened in one part of the world if there had been no Methodism. According to Bishop John M. Moore, there are in America:

ELLERBE METHODIST CHARGE

ELLERBE METHODIST CHURCH  
(sketch).

The Christian Church is not intended to be a select company of perfect beings. It is rather a great congregation of people who have felt the need of Divine help. The good churchman is not one who has perfect faith, but who longs to have his feeble faith strengthened. He is one who strives after goodness.

### PRAYER SERVICE GROWING

Last Wed. our Ellerbe prayer service was a half larger than the week before. Come and join us in the study of the Psalms. The 121 Psalm next service.

### ANNOUNCEMENTS AND NOTES

The supper Friday evening was a marked success. But why shouldn't it be with such an excellently prepared menu. The proceeds are applied on the Parsonage work. Every Church ought to do something to set the Parsonage in shape. It is the property of all the Churches of the charge, as well as their obligation.

The Tuesday evening Stewards' meeting of Concord Church was held at Mr. J. O. Ewing's. Every Steward, together with the Church and Charge Lay Leaders and the Pastor. Can you beat that for loyalty? A lot of fine work was done; but the real work is yet to be done. May we count on you?

A Stewards meeting was held for Jones Springs Church at the home of Mr. J. W. Rankin Thurs. evening. Again every Steward was present, the Lay Leader and Pastor. The Church Lay Leader only was absent, but was sick in bed with Flu. We were both delighted and surprised when Mrs. Rankin announced that refreshments were served in the dinning room. For a brief moment we ceased our striving, and partook of courses of most excellent fruit cake and cream. Much important work was done, and Mr. J. E. McCall was elected Secretary for the board.

The First Quarterly Conference will be held at Concord Church Sat., February 4 at 11 o'clock. The Elder, Rev. J. C. Wooten, preaches at 11, dinner on the grounds, and the business session in the afternoon.

Mr. M. E. Key and most of his family have been confined at home with Flu several days.

### WELCOME

To all who desire  
to worship the Father  
in spirit and  
in truth, to all who  
seek fellowship in  
prayer and praise,  
to all who are in  
doubt and need guidance,  
who are weary  
and need rest, who  
are lonely and want  
companionship, who  
are sorrowful and  
need comfort, who  
wish to work for  
the coming of the  
Kingdom, this Church  
gives a hearty welcome  
in the name of  
Jesus Christ.

### SUNDAY SCHOOL

Every one who has a  
thorough knowledge  
of the Bible may truly  
be called educated.  
And no other  
learning or culture,  
no matter how extensive  
or elegant, can,  
among Europeans and  
Americans, form a  
proper substitute. I  
thoroughly believe  
in a college education  
for both men  
and women, but I believe  
a knowledge of  
the Bible without a  
college course is  
more valuable than a  
college education  
without the Bible.

#### The Improvement Fund

You are requested to make a liberal offering this morning for the Improvement Fund. The loose offering today will go for this purpose. Several projects are being done around the church that will improve the church property. A bell tower has been erected, a ditch has been dug to drain the marsh behind the church and parsonage, and a water fountain is to be erected. All of these improvements were needed, and I am sure you would like to have a part in them by making a contribution this morning. If you are unprepared to make an offering today bring one next Sunday.

"It is perilous to separate thinking rightly from acting rightly. He is already half false who speculates on truth and does not do it. Truth is given, not to be contemplated, but to be done. Life is an action-not a thought. And the penalty paid by him who speculates on truth, is that by degrees the very truth he holds becomes a falsehood."

F. W. Robertson.

O God, how we do fail to measure up Thy way of life. This failure troubles and alarms us! May we so surrender our little wills and hearts unto Thee that our failures will be turned into victories. May our religion give to us victorious living. If Thou wert able to make out of Peter and John such spiritual heroes, then thou art able to make us pillars of truth and righteousness. Help us in the name of Christ or we perish! Amen

With the coming of spring I trust all of our church activities will take on new life and that each of you will have a greater zeal and enthusiasm for the cause of Christ. If the church of Jesus Christ is worthwhile, then should I not give to it my loyal support, some of my time, some of my money, and certainly my presence? Your absence weakens the church and the Kingdom of God.

#### GOD HEARS PRAYER

If radio's slim fingers can pluck a melody  
From night-and toss it over a continent or sea;  
If the petaled white notes of a violin  
Are blown across the mountains or the city's fin;  
If songs, like crimson roses, are culled from thin blue air-  
Why should mortals wonder if God hears prayer?  
Ethel Romig Fuller.

Dr. Ralph W. Sockman says: "There are so many more persons able to argue for Christianity than there are those able and willing to tell of what it is doing for them. And remember an ounce of actual religious news is worth a ton of theological argument." The world will surely laugh at our arguments; but the world will not laugh at our Christianity if we put it into practice. If our religion does not go into the class room, the dormitory, the office, or the home, it is a very sick religion. Are we living our religion? Can the world see Jesus in us?

## ANNOUNCEMENTS

Young People's Department Meeting 6:15.

The Young People of the church and community are invited to the church Wednesday night at 7:30 for a song service.

Our Discipline says: "There shall be a Worker's Council in each Church composed of the Pastor, the general superintendent, the assistant superintendents, and other general officers of the Church school, all adult officers and teachers and the student officers in the departments of the Young People's Division." If you hold one of the offices above mentioned, you are invited to meet here at the church Thursday night at 7:30 for our Worker's Council. This is considered an important meeting.

### USE YOUR PASTOR

Pastors are to be used. Paul frequently spoke of himself as a slave. Jesus said he came "not to be ministered unto, but to minister". Your pastor is "in the midst of you as he that serverh." Use him. Let him be a minister in the fullest sense of the word. If you have a special problem, tell him about it. If there is sorrow or sickness, do not fail to let him know. If you have run into a moral tangle, let him try to help unravel it. If you have any question about your spiritual, religious or every-day life, let him try to help answer it. Use him. Give him an opportunity to be a real minister. Step to the telephone and tell him you wish to see him, or write him, and you will find that your minister will consider such an opportunity to serve a privilege.

therefore requested to bring their cars to the church and carry a load.  
We will meet at the church at 2:30 and 6:30 o'clock respectively.  
We will meet at the church at 2:30 and 6:30 o'clock respectively.

with this church by profession of march.

The Worker's Council will meet in room # 5, 7:30, Wednesday evening. Everyone who has any position whatsoever in the church school is urged to attend. Let's plan and work together in the building up of His kingdom here in this community.

The children's choir will furnish the music next Sunday evening.

Next Sunday evening the pastor will begin a series of messages on the Apostle's Creed. You want to be able to give a reason for your faith. Then see that you do not miss any of these messages.

Our slogan for the month shall be: "MARCH TO CHURCH". But don't forget, as we march, let's help the other fellow to get in step.

#### A PART OF YOUR CHURCH VOW

.....

"Do you solemnly, in the presence of God and this congregation, ratify and confirm the promise and vow of repentance, faith and obedience, contained in the baptismal covenant?"

YOUR ANSWER: "I DO, GOD BEING MY HELPER."

"Will you be subject to the discipline of the church, attend upon its ordinances, and support its institutions?"

YOUR ANSWER: "I WILL ENDEAVOR SO TO DO, BY THE HELP OF GOD."

(TAKE THIS VOW HOME WITH YOU. REVIEW AND RENEW, AND BY GOD'S HELP KEEP IT FROM NOW ON.)

COME, AND BRING SOMEONE WITH YOU NEXT SUNDAY !

## N O T E S

We are glad to have Brother Porter with us this morning and to hold our Second Quarterly Conference. The Conference will come at the close of the Morning Service and all of you are invited to remain for the Conference but it is most important that all officials be present.

Our Young People hold their meeting this evening at 6:45. All Young People are most cordially invited to join them in this service.

Please note that at our Evening Hour we are to have a period of Organ Music, and then special singing of some of Charles Wesley's hymns, and a message by the Pastor. Come and bring a friend.

The March meeting of the Mary Hambrick Missionary Society will be held in the Sunday School Auditorium, Monday afternoon at 3 o'clock.

Our Person County Methodist Young People's Union is coming together for a Banquet this Monday night at 7 o'clock. Prof. H. E. Spence of Duke University is to be the speaker. Our Young People are urged to take advantage of this splendid opportunity. The meeting will be in this church and begin promptly at 7:00. The price of the plates will be 25 cents.

On Wednesday, Church night, at 7:30, we continue our study of "Out of Aldersgate." We had 51 present last Wednesday. Join us in making the attendance more this week. Our Young People's Council will hold its regular monthly meeting at the close of the Study period. It is important that members of the Council be present to help plan the work of the Division.

Lost articles are placed on the table at the main entrance of the church. If you have lost anything here look at those there now!

We endeavor to make every service in this Church count for something greatly worthwhile. Every time you are not present you have missed something that could be a blessing to you.

Our next Quarterly Conference is scheduled here April 3rd, at the evening service. We want to have good reports from every department of the church.

---

Friday March 11th, at High Point, there will be an all day service commemorating the experience of John Westley. We want five delegates from this church. This is by far the most important emphasis the church has made in many decades, it is the emphasis upon the New birth, evangelism and confession. We want the Missionary Society, the Sunday School and the Board of Stewards to be represented.

---

Remember the Union Meeting which begins the 4th Sunday in May. Pray for it, that's the only way it shall ever arrive.

---

Please give your advocate subscription to Mr. C.L. Joyce. Every home should have the benefit of a church paper, Subscribe to the advocate if your subscription has expired be sure to renew it.

---

We want to have a Stewards meeting for a few minutes after church. Please, all of the Stewards and Sunday School teachers stay for a few minutes.

---

We want to ask all of the members of the Methodist church to visit when there is sickness, sorrow or trouble in the community. It does not matter who the sick person is, let us be known as a church filled with the Spirit of helpfulness, of prayer and of service.

---

Any one can stand on the side line and criticize. It takes a real player to carry the ball or to win the goal. Let us be the kind of christians who are more anxious to help than to criticize. Like the priest and the Levite who passed on the other side. The best Christian says our Master, is the good Samaritan type who serves instead of condemns.

The special Aldersgate Prayer Meeting held each Wednesday evening at 7:30 has created a good deal of interest. Those who attend feel that they are well repaid. We invite all who will to meet with us.

Dr. Paul N. Garber of Duke University will address the Board of Stewards at its regular meeting Tuesday evening at 7:30. Every member of the Board is urged to be present.

The Woman's Missionary Auxiliary of this Church will meet Monday night at 7:45 in the Ladies' Parlor. Circle #8, Mrs. W. H. Cherry chairman, will have charge of the devotional and music. Circle #3, Mrs. Allen Tyree chairman, will be in charge of the social hour. Prospective members will be cordially welcome.

Remember the services for young people each Sunday night during this month. We made a good start last Sunday night when Rev. Robert Bradshaw made the address. We hope you will urge the young people in your home to attend, or better still, come with them.

If there are children or young people either in your home or Sunday School class that should join the Church this spring, won't you speak to them about it now? They should be thinking about it. Perhaps they are, but need your encouragement. They will be received on Palm Sunday, which is April 10.

## TRANSFORMED LIVES

We need wisdom to show us how life can count for most and a power to turn out lives from defeat to victory. Such wisdom and power are available. Men of every age and station have gotten it. But how? Some things necessary:

1. Humility. It is not revealed to the wise and prudent. Read Psalm 51 and the story of the Publican.

2. Pure heart. Out of my heart are the issues of my life. Gal. 5:16-26.

3. Freedom from worry about things. Seek first the kingdom of God. Take no anxious thought.

4. Freedom from resentment. As you pray, forgive. Love your enemies and do good to them. Eph. 4:31-32.

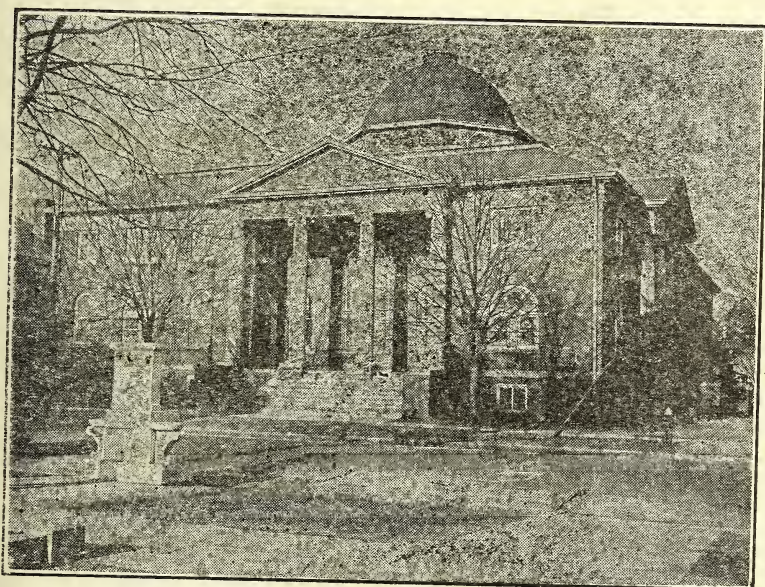

5. Think of all men as God's Children. Neither Jew nor Gentile. Remember the Golden Rule. Jesus at the well.

6. Our life must be real. "Not everyone that sayeth Lord, Lord....." "Let us love in deed and in truth."

### ELICITING NOBILITY

There is wonderful beauty in every soul. There are possibilities of character-attainment and achievement in nearly all, far beyond our best optimism. The worst are not wholly bad, and few if any, are hopeless. Faith in the splendid qualities of every pupil, even though those qualities be undeveloped, is a prime essential of a successful teacher. Over and over again the willful girl, the mischievous boy, the disorderly class has been redeemed by the faith of a teacher—faith in the truth worth of that girl, or boy, or class.

Trust makes trustworthiness; and doubt begets the very weaknesses it suspects. People endeavor to live up to high expectations of them, and they too easily sink to baser living when it is expected of them. The opinion of our fellow men is with all of us, a mightily influential force. Youth is more sensitive to it, and more responsive to it than at any other time.

"Why should I devote a certain definite proportion of my income to God and His work in the world?"

The first and very much the most important reason is, because it is God's law, or principle, if you prefer the word, having its origin in the mind and will of God; and the second, because you thereby promote your spiritual and temporal interests. In short, it pays. Pays in the highest and best sense of the word. Pays in spiritual blessings,, pays in temporal prosperity, pays in peace of mind in having a question of duty settled. Transfers from you to your Heavenly Father the responsibility of how much it shall be; permits Him to decide whether it shall be little or much as He prospers you.

"I am afraid I cannot afford it."

It is natural that you should name this objection first, as it is the chief obstacle with nearly all Christians. But you can. If you will try it you will keep it up because you will find that you cannot afford not to do it. I mean in dollars and cents. Your objection is from the temporal standpoint and so is the reply. Did you every try it? Ever know a business man, professional man, farmer, or worker for wages who had tried it and was not more than satisfied with the results? Thousands, tens of thousands of laymen in the United States and other countries are doing it and have been for years. If there are exceptions they ought to be known.

"But we cannot pay what we owe to God personally."

True, but you can pay it through His agents, by which is meant your pastor, your church officials, your missionaries, in short, through every man or institution devoted to building up Christ's Kingdom and depending for support upon the contributions of Christians and benevolent people.

## PRAYER

ETERNAL GOD, we pray thee that thou wilt unify our lives. Bring proportion and peace out of their confusion. Forgive us our aimless living, the random dispersion of our souls in things that matter little or not at all. Give us faith in something so beautiful and good that our lives will be drawn into symmetry by our vision and love of it. Save us from cynicism, from skepticism, and from all those maladies of the mind and moods of the spirit that despoil life of worth. Give us love, O God. Bestow on us the fine gift of friendliness. Forgive us for our angers, hatreds, grudges, and vindictiveness. Below all our differences, teach us our brotherhood. Beyond all our varieties teach us our common goal.

We ask it in the name of Christ, *Amen.*

## WORLD-WIDE METHODISM

E. B. CHAPPELL

*Member of Committee on Program of the Ecumenical Methodist Conference*

EVERY ten years there is held at some central point in Europe or North America a gathering of representatives of world-wide Methodism. The first Ecumenical Conference, as the gathering is called, was held in City Road Chapel, London, in September, 1881. The sixth is to convene in Atlanta October 16 of this year and to continue in session ten days. This is the first time the Conference has met in the South.

The general plan will include two general sessions each week day, one at 9:30 A.M. in Wesley Memorial Church and the other at 8:00 P.M. in the City Auditorium; and four sectional meetings will be held each afternoon in four down-town churches.

The first general session will be held at 8:00 P.M. October 16. Bishop W. F. McDowell, Senior Bishop of the Methodist Episcopal Church, will preside, and Rev. C. Ryder Smith, B.A., D.D., President of the British Wesleyan Conference, will preach the opening sermon. On the program for the following days will be distinguished Method-

ist leaders, not only from all parts of the United States, but from England, Continental Europe, Australia, New Zealand, India, China, Japan, and several countries in Latin America. It is interesting to note that the United Church of Canada, made up of a union of Methodists, Presbyterians, and Congregationalists, will have an important place on the program.

The general topic of the Conference will be "Methodism in the Life of Today." Since, however, there is no vital human interest that Methodism does not touch, the discussion will cover a wide variety of the living issues of our day. Among the speakers will be Christian statesmen, editors, scientists, and business men, as well as preachers.

There is no reason why the Sixth Ecumenical Conference may not result, not only in widening the vision and rekindling the faith, courage, and zeal of Methodism, but also in bringing the various divisions of this great evangelical army into a closer alignment one with another.

## Many Church Bodies, but All Methodists

THE Methodist bodies to be represented at the Ecumenical Conference at Atlanta are as follows:

Wesleyan Methodist Church (Great Britain and Ireland).

Primitive Methodists.

United Methodist Church.

Australasian Methodist Church.

New Zealand Methodist Church.

Methodist Episcopal Church.

Methodist Episcopal Church, South.

Methodist Protestant Church.

African Methodist Episcopal.

African Methodist Episcopal Zion.

Colored Methodist Episcopal.

Free Methodist.

United Church of Canada (union of Methodists, Presbyterians, and Congregationalists).

Japan Methodist Church.

Methodist Church of Brazil.

Korean Methodist Church.

Methodist Church of Mexico.

In all, the accredited delegates number five hundred and fifty.

An interesting fact is that on September 20, 1932, the first three Churches on the list, the British Wesleyan Methodist Church, the Primitive Methodist, and the United Methodist Church, all English Methodists, will be united and will then become the Methodist Church

of England. This union is said to have received much of its impetus from the meetings of the Ecumenical Conference. Each meeting of the Conference has been followed by some decisive steps toward union, and the results have far exceeded the anticipations of the Churches in increased membership and revenues.

According to the latest edition of the Encyclopedia Britannica, the Methodists of the world number 11,869,388 Church members and probationers. This does not include, however, all the members on the various mission fields. The Methodist Episcopal Church and the Methodist Episcopal Church, South, are by far the largest bodies.

## Unique Features of Conference

AMONG the interesting events of the Ecumenical Methodist Conference to open Friday, October 16, in Atlanta, are two which the Southern setting of this Conference makes possible. One is the presentation by Negroes on Saturday night of a dramatic entertainment, "Heaven Bound," an offering without cost to the Conference from the Negro Methodists of Atlanta. The cast will number five hundred or more.

The other, the closing event of the Conference, is a trip to Savannah to visit the scenes where labored John and Charles Wesley and George Whitefield.

---

FROM real Christians, of whatever denomination they be, we earnestly desire not to be distinguished at all; not from any who sincerely follow after what they know they have not attained. No, whosoever doeth the will of my Father which is in heaven, is my brother and sister and mother. . . . Is thy heart right as my heart is with thine? I ask no further questions. If it be, give me thy hand. For opinions or terms, let us not destroy the work of God.—*John Wesley.*

## WE ARE STEWARDS

We are stewards, not the owners, of our property, be it money, brains, or that greatest of all personal wealth, the love of God. This love of God is more valuable than all our other property, and we must share that too. The ignorant, the evildoers, the wandering, all those who have not been able to know Jesus, must be given most of our love and knowledge of God. The church cannot keep this great treasure unless it shares it.

## YOU MAY COUNT THAT DAY

By George Eliot

If you sit down at set of sun  
And count the acts that you have done,  
And, counting, find  
One self-denying deed, one word  
That eased the heart of him who heard—  
One glance most kind,  
That fell like sunshine where it went—  
Then you may count that day well spent.

But, if, thru all the livelong day,  
You've cheered no heart, by yea or nay—  
If thru it all  
You've nothing done that you can trace  
That brought the sunshine to one face—  
No act most small  
That helped some soul and nothing cost—  
Then count that day as worse than lost.

It will be a great help to the workers if you will come to the church and make your pledge.

During this conference year death has invaded our ranks, taking ten of our members: George H. Wainwright, Carlton Moore, Frank D. Farmer, Mrs. R. H. Stark, W. D. Ruffin, Mrs. R. E. Townsend, E. W. Nutall, Mrs. E. T. Dickinson, Robert S. Wilkins, and W. A. Finch, Jr.

## INTERESTING FACTS

During the conference year just closing we have received 102 new members.

A pastoral call has been made on **every... member** of the church.

On Easter morning, April 21, we burned the papers held against our church, wiping out a \$14,000 debt of long standing.

A new boiler has been installed in our heating plant, replacing one which burst some years ago.

Our Thanksgiving service will be held Wednesday evening, November 27th, at 7:30.

"A man can be pretty accurately measured by the size of the thing that makes him angry."—Roy L. Smith.

## IS YOUR CAR A CHURCHGOER?

Every automobile belonging to a Christian family should go to church every Sunday. Every seat in the car should be filled. You have neighbors who will attend church if you invite them to come. A large number of automobiles in front of a church during services will preach a sermon to all who pass. While you are inside worshipping, your car is reminding the community that a large number of people appreciate the church and its ministry.

—Lutheran Church Messenger.

As we come to the close of this conference year, your minister is not unmindful of the loyal support of the membership of the church. For this support he is deeply grateful. He asks your continued cooperation as he seeks to lead in the great work of the kingdom. Ours is really "A Church With A Program." We must keep that program vital and meaningful.

SUNDAY BULLETIN

## Feeding China's Refugees

"Feed my sheep," said the Master, and since the beginning of Japan's undeclared war against China, Christian workers, both Chinese and American, have worked side by side to carry out the divine command. When the crowd of refugees began pouring down the Yu Yaching Road in Shanghai, Moore Memorial Church was organized for war time service. It is estimated that there are more than 350,000 refugees in Shanghai alone, most of them in refugee camps and centers but at least 10,000 living on the streets.

In addition to caring for hundreds of refugees within its walls, Moore Memorial is helping to minister to the street refugees. Each day hundreds of them creep from doorways and alleys to the church's relief kitchen to obtain a serving of rice and vegetables, distributed for a few coppers. The rice is bought from a philanthropic Chinese Christian merchant for a low price, and the daily deficit is made up by voluntary contributions. Three cents, the value of an American postage stamp,

will feed an adult refugee for one day.

The long line moves forward slowly, and silently the people carry away their rice in pails, bowls, old wash basins, cigarette boxes or even old newspapers. Two thousand, even three thousand, are fed in a day. They are not beggars, but worthy people of an honored race, crushed and beaten by war. *They are His sheep.*

### "THE VILLAGE OF HAPPINESS"

"The Village of Happiness"; you would not think of that as a leper colony, would you? Yet that is the name that the lepers who live in the colony established by the Southern Methodist missionaries near Minga station in the Congo Mission, call their little village—ONGENONGENO, or Village of Happiness.

It is estimated that there are more than 5,000 lepers among the Atetela people—the tribe among whom the Southern Methodist Church is at

STREET IN LEPER COLONY

work—and many more throughout Africa. The Southern Methodist Mission was the first Mission ever to try to help the outcast lepers, and how deeply appreciative they are!

More than 300 lepers are now cared for in the Minga colony, and in 1937 the Church established a second leper colony near Tunda, where 125 lepers are already living.

Other Churches have followed the lead of the Methodists and are also establishing leper colonies within their areas.

### PRAY FOR THEM

It was Jesus who said: "Pray for them that despitefully use you and persecute you."

It is John Wesley who says in his *Journal* after his Aldersgate experience: "I began to pray with all my might for those who had in a more especial manner despitefully used me and persecuted me."

It is a China missionary who says: "During the fighting in Shanghai it was a never-to-be-forgotten experience to hear the voice of our Chinese pastor of Moore Memorial Church lifted in prayer for the enemy, while the noise of bombs could be heard falling, perhaps on the very homes of those people who stood in the audience."

### A PRAYER

Lord, make me a channel of Thy peace  
That where there is hatred—I may bring love,  
That where there is wrong—I may bring the spirit of forgiveness,  
That where there is discord—I may bring harmony,  
That where there is error—I may bring truth,  
That where there is doubt—I may bring faith,  
That where there is despair—I may bring hope,  
That where there are shadows—I may bring Thy light,  
That where there is sadness—I may bring joy.

For

It is by giving—that one receives;  
It is by self-forgetting—that one finds;  
It is by forgiving—that one is forgiven;  
It is by dying—that one awakens to eternal life.

## THE STUDY CLASS

This class is starting off well. We found we did not have enough books and ordered more. Chapter 2 is the lesson for next Wednesday evening.

## CHANGE OF HOUR FOR EVENING SERVICES

Beginning next Wednesday evening the services will be set to begin at 7:30 o'clock. That will change the time for both the preaching and the Young People's services on Sunday. Young People at 6:45 and preaching at 7:30.

## YOUTH RALLY

On the evening of March 11 a Youth Rally for the Winston-Salem district will be held in Centenary church, Winston-Salem. There is also a meeting during the day at the same place for adults. This is a part of the Aldersgate Commemoration. Please get the date in your mind and on your calendar. More particulars later.

## THE ADVOCATE

Our North Carolina Christian Advocate is doing some very fine work for the church in this Aldersgate movement. But are you getting the benefits from that work? Not if you do not take the Advocate. See Mrs. M. L. Bales or Clyde Tesh and send in your subscription. You will get more for your money there than at most other places you put it.

## GOOD FRIDAY

At a meeting of the Ministerial Association last Monday it was decided to hold a three hour meeting on Good Friday, much like the one we held last year. Place this date also on your calendar. A committee has been appointed to arrange a program.

## LOYALTY

The most of the people who attend this church are quite loyal. They are here whether the weather is bad or good. So called "singsings," family reunions, or other occasions do not attract them. They can be depended upon to be in their places in this church on Sunday morning. Not quite so good Sunday evening. "Will you attend upon the ordinances of the church?" is a question asked of every person who presents himself for membership in the Methodist church. "I will endeavor so to do," is his answer. Church attendance, therefore, is loyalty to a solemn promise as well as to the church.

## FLOWERS

A few evenings ago a good lady gave the pastor a carnation. It looked like a very small thing to do, and so it was. But giving flowers to people is one of the sweetest things we can do. That act bears special beauty and sweetness if the person to whom flowers are given should be sick. How it eases pain and brings joy to the feelings! Flower time is coming near, therefore, opportunity is drawing near.

## ANNOUNCEMENTS

## ANNOUNCEMENTS

COME TO THE YOUNG PEOPLE'S MEETINGS. THERE IS SOMETHING GOING ON THERE! Time: 6:45 P.M.

Our YOUNG ADULT CLASS got off to a good start last Sunday morning. We are expecting it to grow rapidly. If YOU are supposed to be in this group, we are looking for you.

Come to the evening service; it will do you good. Come and bring someone with you.

Let's make Wednesday night FAMILY NIGHT at our church. Let see how many families we can have represented. All in each family sit together. We are going to try to have a message which will be interesting to the family as a whole. REMEMBER NOW, WEDNESDAY NIGHT IS FAMILY NIGHT, AND WE WANT FAMILIES TO COME TOGETHER AND SIT TOGETHER! Choir practice will follow after this service.

METHODISM; its founder, its history, its purpose, its organization and government, its doctrines will be discussed much in the next few months. Learn all you can about our great CHURCH. GET ONE OF THE BOOKS which we have for sale. Its title is OUT OF ALDERSGATE.

Do you love your local church? Do you love the members of our church? Are you interested in your church to the extent that you ATTEND it regularly, talk it among yourselves and others, invite others to attend; that you are willing to take a part in its work, not only just as a member, but as a leader with some definite task; that you contribute to its support AS GOD HAS BLESSED YOU; that you realize its intrinsic worth in this community, and that you will do your part to make it vitally felt in our town? What about it? Re-examine your true attitude toward your church.

### MORE ABOUT ALDERSGATE

The Aldersgate Commemoration is an evangelistic movement in the best sense of the term. It is expected that new members will be brought into the Church, but the main emphasis will be on developing the spiritual life and the religious experience of the present membership, thus empowering the churches better to meet the problems before them. The general purposes are: To fittingly observe the Aldersgate bi-centennial; To bring the Church to a new realization of personal experience and a higher spiritual plane; And to place religious experience underneath the work of the local church and see that it overflows in complete and well rounded program.

### MY COVENANT

I commit myself to the spiritual ideals and concrete purposes of the Aldersgate Commemoration and pledge to work under the direction of my pastor in the Aldersgate Revival. I covenant with God: To use all the means of grace for the renewal and deepening of my own personal experience of religion; To visit the seemingly careless members of the Church who have neglected their duty and try to win them back again; To win one or more persons for personal allegiance to Christ and membership in the Church; And to serve in any capacity in the Aldersgate Revival as indicated by my pastor.

Note: (If you care sign the above and hand same to your pastor or to the Church School Supt.)

Note-Burgaw Church:

The congregation is happy to welcome Mrs. J. A. Young into its fellowship. Mrs. Young, like all good Methodists, made it very easy for us to know her by seeking out the church on her first Sunday in our town.

Ps. 122: 1

Rev. C. W. Russell

And the hour shall be filled with music,  
With song and praise and prayer,  
And the burdens of life be lifted,  
From all who enter there.

*We Welcome Everyone*

SPRING & LIFE

As you lift your head and behold the new life that has been presented by the coming of spring, what does it all mean to you? Do you hear the song of the bird? Do you see the beautiful flowers, the green mantle on the forest, the meadow green, and the blanket of blossoms spread on the trees? In deep meditation, is not your soul stirred within you? Is it all an ordinary repetition that overtakes you once a year? Can't you see the hand of an Eternal Being in it all?

SOMETHING TO THINK ABOUT

"Whatever weakens your reason, impairs the tenderness of your conscience, obscures your sense of God, or takes away your relish for spiritual things, whatever increases the authority of your body over your mind, that thing is sin." -Susannah Wesley.

INSURING CHURCH PROPERTY: Your pastor has the pleasure of announcing that Dobson has insured their church for \$6,000 for three years. Siloam has insured their church for \$4,500 for a period of five years. A short time ago the parsonage was insured for \$700 for a period of three years. What about the other church property on the charge? Each church should have some insurance.

DISTRICT CONFERENCE : Yes, it is only about five weeks until we will meet at Denton for the District Conference, of the WinstonSalem

District. Rev.W. A. Lambeth, Presiding Elder of the Winston Salem District, will preside over the Conference. Date of meeting, Apr. 26. Those elected to attend the Conference are as follows: J.R. Marion, Mrs. Tom Folger, E. C. Smith, and Miss Patia Coe. Alternates that were elected are as follows: Mrs. Ettye Parks Emmitt Smith, Mrs. Maude Freeman, and W. L. Rumley.

MISSIONARY ZONE MEETING: The Zone Meeting, which was held at the Methodist Church at Pilot Mountain last Friday, was well attended by the Missionary Society of the Dobson Church. The following attended the meeting Mrs. Maude Freeman, Miss Elizabeth Booker, Mrs. W.M. Stone, Mrs. Grady Cooper, Mrs. Tom Folger, Mrs. Sallie Folger, Mrs. Rosa Booker, and Mrs. C. W. Russell.

WINSTON ALDERSGATE MASS MEETING: This great spiritual feast, which was held in Centenary Methodist Church, March 11, was enjoyed by a multitude of hungry Methodist ministers and laymen. Bishop Kern brought messages at each of the services that caused us all to do deep heart searching. At the evening service, Bishop Kern preached to about sixteen or eighteen hundred eager young people. Brother Lambeth, who presided over the meeting, was responsible for the fine results attained.

SALARIES (Elder and Pastor ): The following gives the amount each church has paid, per cent paid, and the amount due by Dist. Conf.

BENEDICTION

## HISTORICAL DATA

---

The spot on which we gather today has been a place of worship for more than one hundred years. On July 1, 1828, John Myers deeded to the following names the ground on which the first church was erected: John Welborn, Jas. Needham, Isham Nance, William Carroll, J. Loflin, A. Lambeth. Mrs. Cynthia Kendall gave an additional four acres of land. The first church building was erected in 1828 and was situated about one hundred feet back of the present building, facing the old Raleigh road. After having been in service several years this building was destroyed by fire and soon thereafter the second building was erected between the old cemetery and the road. This was a substantial log building, and was used until near the close of the Civil War, at which time a modern frame building was erected about the center of the present boundaries. This building was used until 1922 when it was torn down and the building recently vacated was built. The present brick building, the fifth used by the Fair Grove congregations, was erected and paid for during the conference year just closed. H. N. Haines of Duke University was the architect.

The following is a list of the pastors who have served this church in recent years: P. E. Parker, J. B. Tabor, W. J. Sandford, C. P. Goode, T. B. Johnson, D. R. Proffitt, Seymour Taylor, R. A. Swaringen, John Cline, W. R. Jenkins.

The following Sunday School superintendents served in the order named: David Hepler, Henry Rothrock, Prof. I. L. Wright, Geo. H. Yow, M. R. Rothrock, M. R. Harris, Mrs. Harvey Everhart, E. Searles, L. M. Fouts and J. H. Fritts.

SUNDAY BULLETIN

## Feeding China's Refugees

"Feed my sheep," said the Master, and since the beginning of Japan's undeclared war against China, Christian workers, both Chinese and American, have worked side by side to carry out the divine command. When the crowd of refugees began pouring down the Yu Yaching Road in Shanghai, Moore Memorial Church was organized for war time service. It is estimated that there are more than 350,000 refugees in Shanghai alone, most of them in refugee camps and centers but at least 10,000 living on the streets.

In addition to caring for hundreds of refugees within its walls, Moore Memorial is helping to minister to the street refugees. Each day hundreds of them creep from doorways and alleys to the church's relief kitchen to obtain a serving of rice and vegetables, distributed for a few coppers. The rice is bought from a philanthropic Chinese Christian merchant for a low price, and the daily deficit is made up by voluntary contributions. Three cents, the value of an American postage stamp,

## ANNOUNCEMENTS.

The Ladies' Aid Society of the Bridgeton church will meet at the parsonage Monday afternoon at four o'clock.

The Woman's Auxillary of Riverside church will meet with Mrs. C. H. Barrow, National Avenue, Tuesday evening at eight o'clock.

It is the purpose of the pastor to hold a series of Aldersgate Commemoration services at Riverside beginning Sunday evening, May 22, and continuing till Friday evening May 27. A different minister will occupy the pulpit at each service. Please plan to be there.

We had a real good district conference at Ayden Friday. Dr. Hillman had his plans well arranged and everything worked nicely. The addresses were of a high order, the pastors' reports showed progress, and everybody was happy. Beech Grove and Bridgeton were well represented.

When your loved ones become ill, if they should, one thing you should surely do: Let your pastor know about it. His phone is 697-W

"Be strong!

We are not here to play, to dream, to drift:  
We have hard work to do and loads to lift;  
Shun not the struggle: face it- 'tis God's  
gift.

Be strong, be strong!"

will feed an adult refugee for one day.

The long line moves forward slowly, and silently the people carry away their rice in pails, bowls, old wash basins, cigarette boxes or even old newspapers. Two thousand, even three thousand, are fed in a day. They are not beggars, but worthy people of an honored race, crushed and beaten by war. *They are His sheep.*

## "THE VILLAGE OF HAPPINESS"

"The Village of Happiness"; you would not think of that as a leper colony, would you? Yet that is the name that the lepers who live in the colony established by the Southern Methodist missionaries near Minga station in the Congo Mission, call their little village—ONGENONGE-NO, or Village of Happiness.

It is estimated that there are more than 5,000 lepers among the Atetela people—the tribe among whom the Southern Methodist Church is at

STREET IN LEPER COLONY

work—and many more throughout Africa. The Southern Methodist Mission was the first Mission ever to try to help the outcast lepers, and how deeply appreciative they are!

More than 300 lepers are now cared for in the Minga colony, and in 1937 the Church established a second leper colony near Tunda, where 125 lepers are already living.

Other Churches have followed the lead of the Methodists and are also establishing leper colonies within their areas.

## PRAY FOR THEM

It was Jesus who said: "Pray for them that despitefully use you and persecute you."

It is John Wesley who says in his *Journal* after his Aldersgate experience: "I began to pray with all my might for those who had in a more especial manner despitefully used me and persecuted me."

It is a China missionary who says: "During the fighting in Shanghai it was a never-to-be-forgotten experience to hear the voice of our Chinese pastor of Moore Memorial Church lifted in prayer for the enemy, while the noise of bombs could be heard falling, perhaps on the very homes of those people who stood in the audience."

## A PRAYER

Lord, make me a channel of Thy peace  
That where there is hatred—I may bring love,  
That where there is wrong—I may bring the spirit of forgiveness,  
That where there is discord—I may bring harmony,  
That where there is error—I may bring truth,  
That where there is doubt—I may bring faith,  
That where there is despair—I may bring hope,  
That where there are shadows—I may bring Thy light,  
That where there is sadness—I may bring joy.

For

It is by giving—that one receives;  
It is by self-forgetting—that one finds;  
It is by forgiving—that one is forgiven;  
It is by dying—that one awakens to eternal life.

### SICK MEMBERS:

Mrs. W. H. Call, Mrs. B. Oliver.

You need the church . . . . the church needs you. If there were no churches there would be—

No church fellowship.

No Sunday Schools.

No praying mothers.

No exemplary fathers.

No Christian homes.

No sympathy in trouble.

No justice in public life.

No world worth living in.

No hospitals.

No homes for the aged.

No Orphanages.

No libraries.

No public schools.

No organized charities.

No labor unions.

No honesty in business.

No moral training.

No democracy.

No honor in politics.

No Bible.

No prayer.

All these and many more are the fruits of the Christian Religion.

Great souls with a new sense of the living Christ within make the notable leaders of the Christian church. Most essential are these now for world conquest. But lesser souls are none the less valuable. We are praying for God to raise up here and there a prophet who can get the ear of the multitudes; we are also eager that in the great mass will be the many who can kindle the flame across the land. Sparks in the stubble will kindle a great bonfire.

SUNDAY BULLETIN

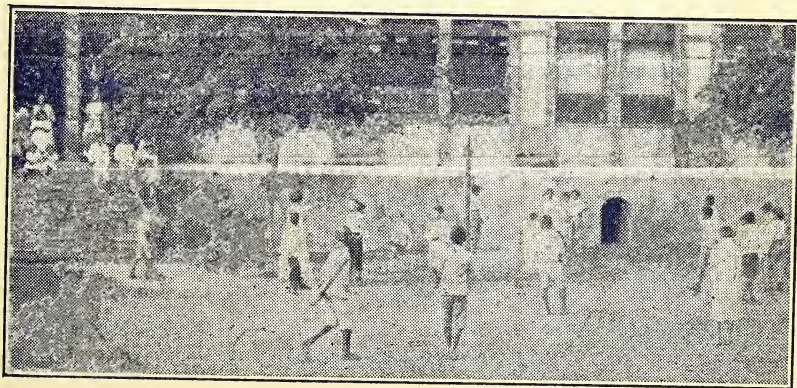

## Revolutionizing Thieves' Hill

Behind the People's Central Institute in the slums of the city of Rio de Janeiro towers a high hill, known as "Thieves' Hill." Clinging to the hillside are ramshackle little shanties, some seeming ready to slide down the hill into the little stream at the foot that is the only sewer for the neighborhood. Ragged, dirty children clamber up and down the hill like mountain goats, and babies have their small bodies covered with ugly sores. This section, called "Favella," was long known as the worst criminal district in all Brazil.

Thirty years ago when Methodist missionaries decided to open a center here, the Brazilians cried: "Im-

possible! Even our policemen are afraid to go down there." But in the missionary's lexicon there is no such word as "Impossible." They went and the People's Central Institute was begun.

Today there are six buildings, including the church; 500 little children in the day school; 55 tots in the kindergarten; 50 men and boys in the night school; 65 girls and women in the sewing class. A class for deaf mutes, Boy Scout groups, mothers' clubs, a dental and a medical clinic attract many others to the institute. In all 1,000 people enter its doors each week for mental, physical or spiritual help. Everywhere people are saying: "The Institute is revolutionizing Thieves' Hill."

THE OFFICERS AND TEACHERS of the Church School are called to meet Monday evening at seven thirty o'clock.

OUR SECOND QUARTERLY CONFERENCE will be held on Friday evening at 7:30 o'clock with the Oak Summit Church.

"THE GOLDEN RULE in life is, make a beginning."

"WHO GIVES, and hides the giving hand,  
 Nor counts on favor, fame, or praise,  
 Shall find his smallest gift outweighs  
 The burden of the sea and land.

REV. BRYAN M. CROSBY  
 Minister.

WE ARE APPROACHING the most significant period in the Church Year. Every mind and heart should be centered on this important occasion. The Eternal Father has done so much for us we should want to share his joy. To better appreciate our blessings we must do something. An opportunity will be given on EASTER SUNDAY to share with others. In a few days you will be given a little envelope for your gift to the benevolences of our church.

THE EXECUTIVE COMMITTEE of the Woman's Missionary Society will meet to-morrow evening at 7:30 o'clock.

YOU WILL FIND PEOPLE ready enough to do the Samaritan act without the oil and twopence.---Sidney Smith

Who gives to whom hath naught been given,  
 His gift in need, though small indeed  
 As is the grass-blade's wind-blown seed,  
 As large as earth and rich as heaven.

## LISTENING IN

"BOZE, POZEHNEJ NASI MATERSKE CIRKVI V AMERICA." (God bless our Mother Church in America.) Over and over that prayer is heard in Methodist churches in Czechoslovakia, says Rev. Joseph Dobes, outstanding Czech leader, now in the States to attend the General Conference session. "The fruit of our Mission in Czechoslovakia is the fruit of your prayers," says Mr. Dobes.

\* \* \*

From report of Board of Christian Education, Moore Memorial Church, Shanghai: "Our Board has taken the bitter distress of our people as a clear call to the Church for service, and self has been forgotten in an effort to serve. The Church has been led along the path of one who 'loseth his life' and surprisingly 'finds it.' The effort has been in trying to meet the needs of the hour in relief from hunger, from cold, relief for the homeless, medical help for illness, soy bean milk for children, and meetings for spiritual stability and religious development."

\* \* \*

"We must respect the perfect character of Jesus and learn His example and have His mind and love God and learn to love others," were the closing words of a speech made by a Japanese Middle School boy at an English Night School recently, speaking on the influence of Christianity. What American boy could have expressed it better?

\* \* \*

"Pray for the coming of His Kingdom here in Japan," is the plea of our missionaries.

## THE NEW VOLUNTARY PLAN

The year 1934 marked the last year our benevolences were collected under the old assessment plan. The total collections for 1934 amounted to \$2,059,172.76. In 1935 the new voluntary plan was introduced. The collections showed a gain over 1934 of \$327,426.18. The year 1936 showed a gain of \$309,688.08 over 1934; and the year 1937 a gain of \$372,648.58, making a total gain under the new plan of \$1,009,762.84 over 1934.

The above figures bear testimony to the success of the "voluntary principle" in the new Financial Plan.

## KNOW YOUR METHODISM

For the better training of its ministry the Methodist Episcopal Church, South, maintains schools of theology at Southern Methodist University, Dallas, Texas; Emory University, Atlanta, Ga., and Duke University, Durham, N. C.

\* \* \*

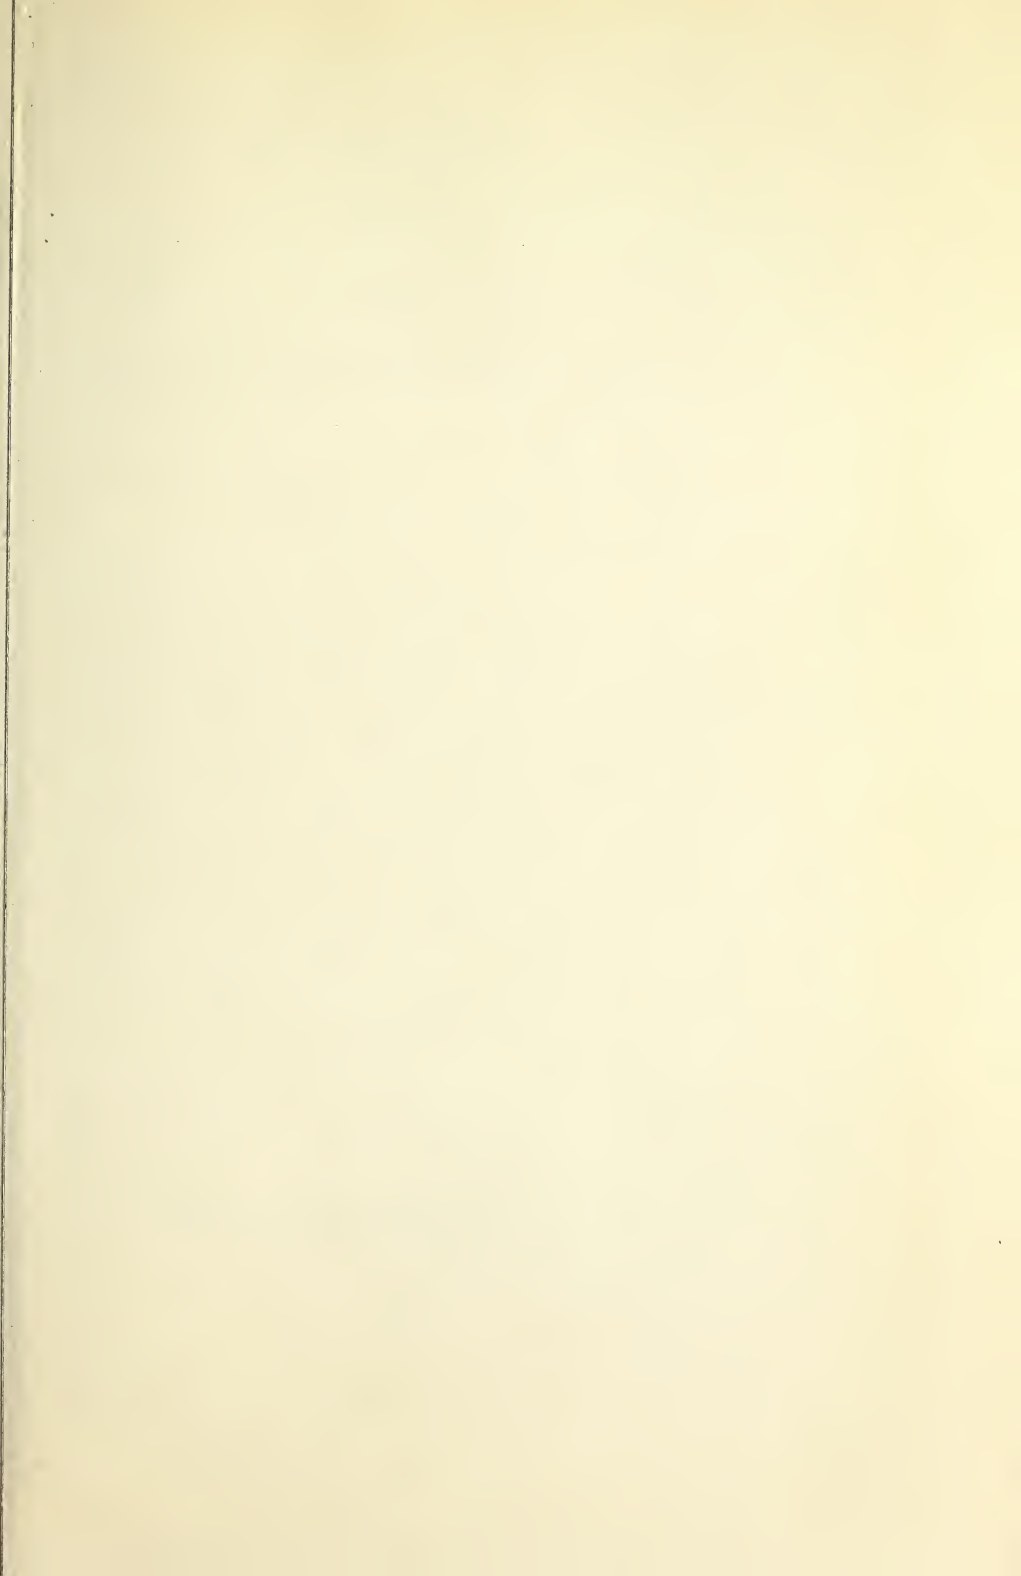

Southern Methodism supports ten hospitals on foreign mission fields—3 in China, 3 in Korea, 3 in Africa, and 1 in Mexico—and the Woman's Section of the Board co-operates in the maintenance of Margaret Williamson Hospital, Shanghai, China, a union hospital for women and children.

\* \* \*

More than 200 Methodist women are engaged in deaconess work in the United States. This home mission work covers philanthropic work, child welfare, educational, religious, and social phases of the Church's work.

\* \* \*

Every Methodist can share in the hospital work which the Church is carrying on in the homeland through membership in the Golden Cross.

A PIECE OF CLAY

I took a piece of plastic clay  
And idly fashioned it one day,  
And, as my fingers pressed it still,  
It moved and yielded to my will.  
I came again when days were past -  
The bit of clay was hard at last;  
The form I gave it, it still bore,  
But I could change that form no more.  
I took a piece of living clay  
And gently formed it day by day,  
And moulded with my power and art  
A young child's soft and yielding heart..  
I came again when years were gone -  
It was a man I looked upon;  
He still the early impress wore,  
And I could change it nevermore.

Leader - We rejoice in the part the church has had in civilization's triumphs; in the memories of pioneering souls who have known dissatisfaction with present achievement and dared find new and better ways. In the belief that our own day brings a challenge to similar achievement in the spirit of humble sacrifice,

Group - We dedicate ourselves to service in Christ's name.

Leader - We rejoice in the church's influence over growing boys and girls - our children and our neighbor's children. In the belief that still better ways can be found to encourage and guide growth toward Christian ideals,

CHILDHOOD AND YOUTH WEEK - Statement of Purpose. .

This week, which is observed throughout our church each year, provides parents and all other adults interested in children, an opportunity to study anew their responsibility to growing life in the home, in the church, and in the community. This year the emphasis is upon the church and the purpose of today's topic is to help all of us to gain a better understanding of what the church as an institution means in the lives of the boys and girls, and of what it could mean if we were to give it more intelligent and consecrated service.

WHY AN ALDERSGATE REVIVAL?

1. We earnestly desire great showers of refreshing upon the Church. Acts 1:8

2. We greatly desire the salvation of all the unconverted of our community. Acts 2: 37, "Now when they heard this, they were pricked in their heart, and said unto Peter and the rest of the apostles, Men and brethren, what shall we do?"

3. We are praying that all who will be converted or reclaimed will be added unto some church and become workers in it. Acts 2:41, "Then they that gladly received the word were baptized: and the same day there were added unto the church about 3,000 souls."

\*\*\*\*\*

Beginning today, all evening services will be held at 8 O'clock instead of 7:30

AWAKENING LIFE

There's a softness in the air,  
And the green shows everywhere.  
The warm rains fall,  
The song birds call,  
And all the world grows fair!

Overhead the skies are bright,  
And the clouds float, fleecy white.  
The winds blow fresh,  
Gay children dash;  
The frogs cheer through the night.

All around sweet flowers smile;  
Violets blue, and pansies mild,  
Rosebuds demure,  
White lilies pure,  
Bloom like the heart of a child.

Dancing leaves fill all the trees,  
For nesting birds and humming bees.  
All nature wakes,  
In fields and lakes,  
And laughs with every breeze!

Earth answers God and sings His praise,  
Does His will through all her days;  
Calls men to see,  
And bow the knee,  
While grateful songs they raise.

Human lives which truly learn  
God's great lesson, in return  
Will find the spring,  
With birds that sing,  
And glorious harvest earn!

## A CENTRIFUGAL FAITH

Before John Wesley's heart was strangely warmed with the Holy Spirit, he was continually concerned about himself, the saving of his own soul. But after that happy experience, his main purpose and constant prayer was the salvation of others. He had changed from a centripetal religion to a centrifugal religion. His great joy was found in the leading of other souls into the same happy faith which he had received. The Episcopal Church tried to stop him, but he could not be stopped.

*He told the Bishop, "I am a priest of the Church universal, thus far, I look upon all the world as my parish, thus far, I mean, that in whatever part of it I am, I judge it meet, right, and my bounden duty to declare, unto all that are willing to hear, the glad tidings of salvation. This is the work which I know God has called me to do; and sure I am that His blessing attends it."*

The great Methodist revival in England was really the beginning of the modern Missionary movement of Protestant Christianity.

Wesley sent out his preachers into all England, Scotland, Ireland, America, and followed them with his instructions, advice, and support. His preachers pressed continually farther on into new fields of service and conquest for the Master. They preached, made converts, organized Societies, left them with Class Leaders, and pressed on to new territory. There was a yearning in their hearts for lost humanity everywhere; Jesus by His Spirit was constantly saying to them, "Press on!"

The man who does not believe in Missions, that is the Gospel for all the world, but is satisfied if he has a church and a pastor and a hope for his own family, does not really have a hope! He is not a real Methodist and not a Christian!

SUNDAY BULLETIN

## A Congo Camp Meeting

The large tabernacle of palm branches and fronds seemed almost to spring from the ground, and dozens of little temporary huts appeared as if by magic on the wide campground not far from Wembo Nyama station in the Congo Mission—for the time had come for the annual camp meeting, and many huts were needed to house and care for the throngs that attended. How the people of the Congo do love these camp meetings! They come from near and far, many of them tramping more than 100 kilometers to reach the spot. At a recent Congo camp meeting the missionary counted representatives present from 56

villages, some of whom had come as much as 250 kilometers and had been "on the path" many days.

The largest single crowd during the last camp meeting season was at the Wembo Nyama campground, a crowd approaching the 2,000 mark. The combined attendance of the Wembo Nyama and Lodja districts was 31,916, and nearly 1,400 came forward to the altar for prayer. Many gave up their polygamous lives and turned toward the Way of Truth and Life, while hundreds of others were reclaimed from backsliding. What a sight to see these hundreds of black people, who had never known any religion but

## ANNOUNCEMENTS

The regular mid-week Prayer Service will be conducted by the pastor on Wednesday evening at 7:30 in the Chapel. You are asked to be present.

### Brantley Wesley Bible Class

The Brantley Wesley Bible Class will meet on Tuesday evening, March 15, at 8:00 o'clock with Mrs. J. E. McCabe, 806 East Tremont Avenue. Mrs. G. P. Kerr and Mrs. W. E. Kerr are joint hostesses. All members are urged to attend.

### Inspirational Meeting

The Inspirational Meeting of the Woman's Missionary Society will be held Monday afternoon at 3:30 at the church. Miss Janet Robinson, Bible teacher of the city schools, will be guest speaker. All the women of the church are invited to be present.

### Annual Banquet

The annual banquet of the Wesley Fellowship Department will be held on Friday evening, March 18, at 7:30 at Thacker's. A fine program has been arranged, and those in the department who have not already made their reservations are asked to phone them in to the church office.

### The Upper Room

Copies of the April, May, and June issue of the Upper Room will be found in the vestibule of the church. This is the Aldersgate Commemoration number and each meditation in this issue was carefully prepared with a view to its spiritual appropriateness for the day designated and its devotional value to the whole theme of the Aldersgate Commemoration. Its daily use will be helpful to an understanding of the real meaning of Aldersgate and enable you to share its spirit.

### Quarterly Conference

Our Second Quarterly Conference was held last Monday evening with Rev. G. T. Bond presiding. Among other business the following were elected delegates to the District Conference, which will be held in May at Myers Park Church: J. L. Wilkinson, E. R. Bucher, J. A. Bell, and J. B. Ivey. Alternates: G. W. Patterson, W. E. Jordan and P. C. Whitlock.

Mr. J. B. Simpson was elected to fill a vacancy on the Board of Stewards.

### Palm Sunday

The pastor plans to receive a class into the church at the morning service on April 10.

At an afternoon service he will baptize children in a service especially arranged for that purpose. Please phone the names of all who are interested in either service to Miss Short in the church office.

### Question Box

Sometimes people want to ask questions or make suggestions and are timid about it. To help them we have placed a questions box in the vestibule. If you want to ask questions, make a suggestion as to church work, ask the pastor to discuss any subject or text, please write on slip of paper and drop in box. These papers need not be signed.

### The Pastor Says:

"I believe the hardest thing to get is information. I am constantly asking for names of people who should join the church or bring their letters and seldom receive any response. I dare say every member of the church could furnish at least one such name if they tried. Please help me this much."—C. C. W.

### Excerpt from Letter

"Bishop Arthur J. Moore reports that the whole territory occupied by our mission in China has been blanketed by the terrible ravages of this ruthless undeclared war. Seventy-three of our buildings in Soochow are now occupied by Japanese soldiers. All of them were first looted. Four of them have been bombed. Laura Haygood Chapel is being used as a horse stable."—W. G. Cram.

### World Outlook

Mrs. James S. Sease, agent for our church, is receiving subscriptions to the World Outlook. This magazine keeps us in touch with every phase of our mission work and should be in the home of every Methodist family. It is a magazine that all the family will enjoy. Give Mrs. Sease your subscription. Subscription price: 1.00 per year.

witchcraft and superstitions, file into the tabernacle, seat themselves on the logs on the ground (used as benches) and humbly bow in prayer. Even the tiny tots bowed their faces in their hands for a moment as they entered. "When I observe these people and see the difference in those into whose lives Christ has entered, I am convinced that in Christianity we have a religion that works," declares a new missionary to the Congo. "The people in the Congo may have a long way to go, but the progress some of them are making is most encouraging."

## FACTS AND FIGURES

Granbery College at Juiz de Fora, Brazil, was the first Methodist school for boys in Brazil. It was founded in 1890. Nearly 700 students are now enrolled.

\* \* \*

Severance Hospital, the great union medical college and hospital in Korea, takes care of 3,000 in-patients annually and gives about 70,000 treatments in its dispensaries.

\* \* \*

Preachers in the Korean Methodist Church are so few that there are vacant circuits all over the work, not even enough supply preachers being available to fill the pulpits.

\* \* \*

The value of an American postage stamp will feed an adult refugee in China for one day, and 90 cents will keep him from starvation for an entire month.

\* \* \*

At a special religious service conducted recently at Kwansei Gakuin, Methodism's largest school for men in Japan, 600 college students rose simultaneously upon an invitation to accept Christ.

\* \* \*

Kwansei Gakuin is Methodism's largest school for men in Japan, enrolling about 3,000 students. It is maintained jointly by the Meth-

odist Episcopal Church, South, the United Church of Canada, and the Japan Methodist Church.

## KNOW YOUR METHODISM

The Methodist Church in the United States was organized at the Christmas Conference in Baltimore, Md., in 1784. Sixty preachers, the eldest 32 years of age, were present. They declared their purpose to be "to reform the continent and spread spiritual holiness over the land."

\* \* \*

In 1784 there were 84 Methodist ministers in the United States and 15,000 communicants. Today in all branches of Methodism there are 45,000 ministers and more than 10,000,000 communicants.

\* \* \*

Since 1882 the Methodist Episcopal Church, South, through its department of Church Extension has aided in building more than 12,000 churches. Still there are nearly 1,000 Southern Methodist congregations without houses of worship. Your benevolent dollar helps to erect church buildings for such as these.

\* \* \*

The General Conference is the supreme law-making body of the Church. It is composed of an equal number of clerical and lay delegates. It meets quadrennially to review the work of the Church, make rules and regulations, elect bishops, and other connectional officers. The General Conference of 1938 meets in Birmingham, Ala., April 28.

\* \* \*

Southern Methodism has twelve hospitals in the United States, which treat annually over 35,000 patients.

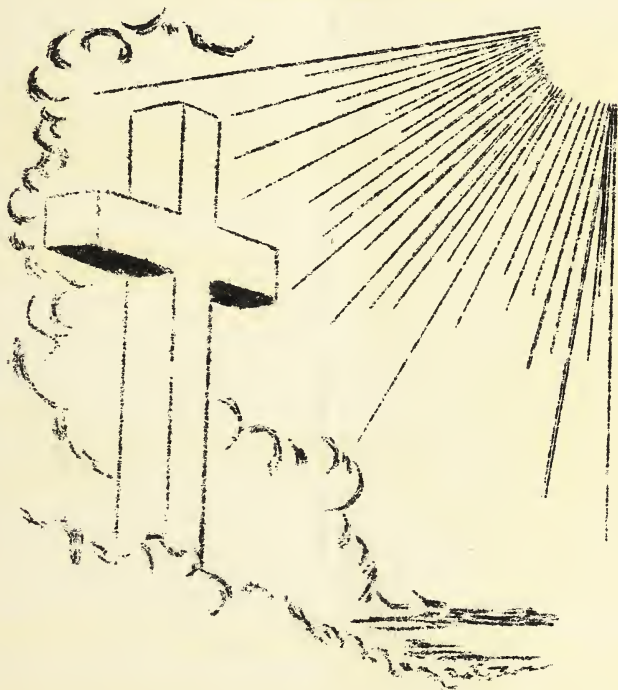

\* \* \*

"Nearly every day I am asked for money for a good cause," says a Methodist layman. "But none is comparable to what we call our benevolences. My benevolent dollar spreads all over the world—preaching, teaching, healing, building, serving."

## PERSONAL RESPONSIBILITY

If this world or this community or this church are not what we would like to see them be, what are we doing to make them such? Let us remember that all human society is yet in the making. Each person is one unite in the process. Each person has a will and can, therefore, add to or take from the beauty and glory of this human society.

## COLLEGE STUDENTS

A few weeks ago some college students were forced to leave the institution because they could not pay the college fees. These fees were not large. A little help from the out side would put one of these students through the college year. To help such students, provided, they are capable and willing, is to help society at the point where help will do most good. To feed a hungry person-ality is a much greater good than to feed a hungry body.

## NOTICE

If you can not find any where else to go this evening you might come to preaching in this church. The preacher may be talking about you, and you might like to hear what he has to say. Better to hear him yourself than to hear some one else try to tell you what he said about you.

## CHURCH SCHOOL ATTENDANCE

If you are not in the Church School every Sunday morning, why not? There are some reasons, there are more excuses. Is yours a reason or just an excuse? The preacher will talk about your excuse tonight, but you may have an excuse not to hear him. All Church School officers and teachers should hear the preacher to-night.

## PRODUCTION

How much did it cost last year to bring one person into this church on profession of faith? When you work out the answer you will find that it is high. We do not pay too much but the production is too small. We make our round of work with too little thought of the production. The responsibility for production rests with the leaders.

## WARMED HEART

"I felt my heart strangely warmed . . . I then testified openly to all there what I now first felt in my heart." So said John Wesley to a small group on May 24th, 1738. Some such experience as that has built the Methodist Church. Christ experienced produces a christianity organized. The purpose of that organization is to testify to the experience. If there is no experience the organization is dead.

Those who heard our Junior Choir the last time they sang for us will not need to be urged to hear them this evening. The service will begin at 8:00 o'clock.

We are happy to welcome the following new members today: Mr. and Mrs. Charles A. Pamplin, Jr. who comes from Reidsville, N. C., and are now living in the Erwin Apts.; Floyd M. Patterson who comes from Grace Church, Oklahoma City, and is now in the School of Religion at Duke University.

Bishop Kern, who has been with us four years, has been assigned to Conferences in Kentucky, Tennessee and Florida. We are sorry to lose him for no bishop was ever held in higher favor by the Duke Memorial people than is Bishop Kern. He and his family have been a great blessing to our Church and we shall not soon forget them. While his work is elsewhere we sincerely hope they will not be in any hurry to move from Durham.

All those who know Bishop Purcell, our new bishop, speak in highest praise of him and his work. We welcome him to North Carolina and feel sure he will carry forward the work in the four great Conferences to which he has been assigned. He will make his home in Charlotte.

The Circles will meet Monday as follows: (1) With Mrs. W. P. Henry, 612 W. Chapel Hill Street at 3:30. (2) With Mrs. E. S. Yarbrough, 1607 Hermitage Court at 3:30. Mrs. C. B. Pifer joint hostess. We are glad to welcome into the membership of our church today, Mr. and Mrs. G. C. King, their son Howard, and their daughters, Lila Gordon, Mary Logan and Katherine King (Forest City), 387 Kimberly Avenue.

Dr. L. W. Elias, Chairman of the Golden Cross Committee of our church, together with other members of his committee, is laying plans for the observance of Golden Cross Sunday one week from today. Members of our congregation will be given an opportunity to enroll as members of the Golden Cross, junior members paying 25 cents or more and adult members \$1.00 or more. Amounts received will be applied to the relief of human suffering within the bounds of our own Conference. Reverend L. B. Abernethy, Superintendent of the Hugh Chatham Memorial Hospital of Elkin, will be present next Sunday to bring a word of greeting from that institution. Let us be prepared to make a great offering for the aid of people who need hospital treatment but cannot provide it for themselves.

A great many High Schools in this part of the state have already held their commencement exercises. Others, the Lee H. Edwards High School among them, will graduate their senior classes later. A number of the young people of Central church belong to these graduating classes. Our heartiest congratulations to them! Many, if not most of them, are just now debating whether they can go to college next fall or not and in case they can go, what college or university they shall attend. It is fitting that those of us who are older should give them encouragement, at least at two points. First, try to be helpful by urging that they go to college and that they select one suited to their needs and ambitions. Second, it should be borne in mind that many wish to go to college who are financially unable to do so. No man or woman who has even a small surplus can make a better investment than to extend assistance by way of loans or otherwise to ambitious young people who are striving to get an education.

Mr. J. R. Rice, a member of our Board of Stewards, who has been ill for many months has gone with Mrs. Rice to his old home at Maribel, N. C., where he will spend some weeks or months. Mr. Rice is much improved and hopes by this extended period of rest and freedom from responsibility to regain his health.

All Southern Methodists are watching the proceedings at Birmingham with the greatest interest. The 472 members of our General Conference are there dealing with one of the greatest questions which have ever confronted our people. In the next two or three days the issue of Unification will be settled. Let us hope and pray that they may be guided in all their decisions by the Spirit of God. So far as is known, the sentiment here is quite one hundred per cent in favor of Unification. We eagerly and prayerfully await the outcome.

The Fellowship meeting for members of our church and their friends which was held Friday, April 22, was a decided success. Nearly 300 persons were present and the best of spirit prevailed. Greetings to the new members of our church were brought by Mr. C. N. Brown, Chairman of the Board of Stewards, Mrs. C. S. Brown, President of the Women's Missionary Society, and Mr. C. E. Morgan, Superintendent of the Church School. A word of response "From the New Member's Angle" was given by Mr. Wm. P. Gearing. The principal address of the occasion, delivered by Doctor Henry N. Snyder, President of Wofford College will be long remembered. Dr. Snyder's topic was, "The Layman Looks at His Church."

The Young People's Day observance held last Sunday created a great impression upon our community. The brief talks given by members of our Young People's Department will not soon be forgotten nor will any of us soon forget our thoughts and emotions when nearly one hundred of the young people came and stood about the chancel at the end of the service, offering themselves afresh in prayer and consecration to the way and work of Christ in the world.

Have you considered our debt to those who sing? Our choir, every member of which is doing volunteer service and gives his time and effort without any compensation, is considered one of the best in the city. Sometimes we take for granted such things as the service of the choir without remembering our deep debt, and sometimes we allow ourselves to receive great benefit without due expressions of our gratitude.

Throughout the year, and particularly from this season to the end of the summer, Asheville is the gathering place of visitors from all parts of the nation and indeed of the world. These visitors and travelers are always welcome at

our services. Will not the members of our congregation employ every possible means of making them feel at home when they come to worship with us? Further, if you happen to know persons who are staying temporarily in guest homes or at hotels, will you not call them and invite them to worship here?

It is well known to most of our congregation that one of the best scout troops in the city, Troop 4, has its meeting place and headquarters in one of the rooms of this building. Among other services rendered to the church and community by this group of boys is the delivery each Saturday afternoon of copies of the church bulletins to the various hotels of the city. Interested guests at the hotels are thus informed as to our Sunday services and told of the welcome which awaits them here.

From early in the winter until Easter the Women's circles of our church purchased flowers for the altar each Sunday. From this time forward they will supply flowers from their own gardens. This provision has added greatly to the attractiveness of our building and will continue to do so. On each Monday the altar flowers are delivered at homes or hospital rooms to members of our congregation who are ill. We are all greatly under obligation to Miss Florence Gray and others who have seen to the arrangement of the flowers each Sunday.

Next Sunday will be Mother's Day. About thirty years ago Christian churches throughout America began to have this annual observance on the second Sunday in May and to emphasize the debt of all of us to our mothers. Let us come to the church next Sunday with appropriate thoughts in our minds, all of us paying tribute in our hearts to those who gave us birth, and those of us who are mothers re-dedicating ourselves to the high privilege which belongs to our station.

The service tonight is devoted to the interests of the young people of Asheville. Under the auspices of the Young Men's Christian Association of the city, Doctor Samuel W. Grafflin of New York will deliver an address on "High Living." Mr. A. M. Faison, Boys' Work Secretary of the "Y" will preside. Our young people, as well as the young people of the entire community, are invited to be present.

The Asheville District meeting of the Woman's Missionary Society will convene in Astbury Memorial church Tuesday, May 3. A splendid program has been arranged. Three of the Conference officers will be present, Mrs. W. R. Harris, Secretary; Mrs. J. W. Harbison, Superintendent of Supplies, and Mrs. George Hoyle, Secretary of Children's Work. One of the speakers will be Miss Leila Tuttle, Missionary to China.

This is an all-day meeting and will begin at 9:30 and close at 4 P. M., with a consecration service led by the pastor of this church, Dr. W. A. Stanbury. Miss Amy B. Hackney, District Secretary, will preside over the meeting. Mrs. Virginia C. Airey is the delegate from Central Church.

This week is set apart as National Music Week. An effort is made in this way to stimulate better taste in music, and to encourage all who are trying to raise the standards of musical composition and performance.

The State Choir Festival given as the opening session of the meeting of the North Carolina Federation of Music Clubs, convening in Asheville this week, will be held in Central church Wednesday evening at 8 o'clock. A choir of more than one hundred voices selected from all parts of the state will give an excellent program of sacred music. The public is invited.

The May meeting of the Board of Stewards will be held tomorrow evening beginning with supper served at 6:30. Among other matters calling for attention is the meeting to be conducted by Bishop Edwin H. Hughes, of Washington, D. C. The first appearance of Bishop Hughes in this series of services will be Sunday morning, May 22. His visit is being sponsored by all Methodist churches of this city.

Dr. Minor C. Baldwin, an organist of National reputation, will appear in recital at the First Baptist church, Thursday evening, May 5, at 8 o'clock. Members of this congregation are invited.

### OUR PASTOR TODAY

We extend a cordial welcome to Rev. W. L. Hutchins, Director of the Aldersgate Commemoration in the Western North Carolina Conference, who will preach this morning in the absence of our pastor. Dr. Ownbey is attending General Conference in Birmingham, Alabama, and expects to be home the latter part of this week.

### NEW MEMBERS

Last Sunday we welcomed into the fellowship of our Church the following children who joined the Church on profession of faith:

Dorothy Abernethy, Monroe Road.  
Louise Davis, 1528 Hertford Road.  
Ann Flintom, 2030 Radcliffe Avenue.  
Ruth Heath, 1555 Queens Road, West.  
Mary Clare Ivey, 1039 Queens Road, West.  
Jeannine Newman, 2143 Briarwood Road.  
Louis Rogers, Jr., 1916 Beverly Drive.  
Jack Trexler, 1557 Wilmore Drive.

We wish for these children a happy fellowship in our church, and pray that they may ever find the church and its members ready to help them in any way possible.

### LOST AND FOUND ARTICLES

Articles which have been lost in or around the Church are returned to the Secretary if found, and may be called for in her office. Last Sunday three gloves and two ladies' white handkerchiefs were found and are in the office.

## EDUCATIONAL MOVIE THURSDAY NIGHT

Immediately following the Thursday night supper this week, an educational movie entitled "Seeds of Service" will be shown at 8:00 o'clock. There will also be a short reel of News Events of 1938, all of which is sponsored by the Heinz Company.

## SALISBURY PORTRAIT

The lovely portrait of John Wesley which now hangs in the hall of the Snyder Memorial Building was presented to the Church by our pastor. It was painted by Mr. Frank O. Salisbury in commemoration of the union of British Methodism and is now the property of the British Museum in London. A relative of John Wesley is supposed to have posed for the painting, and the gown is one actually worn by Wesley himself. The head and features are from a bust made of him during his lifetime. The painting is an exact reproduction of the original in size and color.

## VISITORS LAST SUNDAY

We had as visitors last week Miss Grace Shaffer, Mrs. W. S. Pharr, and Mr. and Mrs. L. H. Cherry, Jr., all of Charlotte; Miss Ella May Atkinson, Columbia, S. C.; Dr. and Mrs. J. W. Austin, Miss Margaret Austin, and Harold Austin, of High Point. We welcome visitors to our church, and ask that they sign the Guest Register in the Lobby as they leave the worship service.

**Evening Services.** Please note the change of hour from 5:00 to 7:45 o'clock, and come promptly to this service in order that we may be back home before 9:00 o'clock each Sunday night. It is our intention to make these services informal, brief, and of a warm spiritual tone. It will be a good time for our new members to meet the older ones and spend a few minutes in religious fellowship.

**Bible Study Group.** The Business Woman's Circle, Mrs. John C. Kilgo, Jr., Chairman, invites all business women of the church to join in a Bible Study of the Life and Letters of Paul, led by Mrs. Leon Williams. The first study group will be held Tuesday night at 7:45 o'clock at the home of the Chairman of the Bible Study committee, Mrs. Mable J. Stuckey, 525 Lamar Avenue. The subject of study and discussion will be the book of Ephesians.

**The Elizabeth Circle** of the W. C. T. U. of which Mrs. H. T. Ireland is Chairman, will meet Monday afternoon at 3:30, at the home of Mrs. C. H. Garmon, 701 Hawthorne Lane.

**The Myers Park Circle**, of which Mrs. T. D. Payne is Chairman, will meet Tuesday afternoon at 3:30, at the home of Mrs. S. A. Ault, 1 Sharon Road.

The Woman's Missionary Society will sponsor a luncheon at the church on Tuesday, May 3rd, from 12:00 to 2:00 P.M. For reservations call the Church office—4301— or Mrs. W. H. Haliburton—5657.

**KNOW YOUR METHODISM.** For the better training of its ministry the Methodist Episcopal Church, South, maintains schools of theology at Southern Methodist University, Dallas, Texas; Emory University, Atlanta, Ga., and Duke University, Durham, N. C.

Southern Methodism supports ten hospitals on foreign mission fields—3 in China, 3 in Korea, 3 in Africa, and 1 in Mexico—and the Woman's Section of the Board co-operates in the maintenance of Margaret Williamson Hospital, Shanghai, China, a union hospital for women and children.

More than 200 Methodist women are engaged in deaconess work in the United States. This home mission work covers philanthropic work, child welfare, educational, religious, and social phases of the Church's work.

Radio program over WSOC has been changed to 6:15 P.M. Rev. Emmett McLarty will be the speaker next Tuesday evening.

## TODAY

With every rising of the sun  
Think of your life as just begun.  
The past has cancelled and buried deep  
All yesterdays. There let them sleep.  
Concern yourself with but Today  
Grasp it, and teach it to obey,  
Your will and plan. Since time began  
Today has been the friend of man.  
You and Today. A soul sublime  
And the great heritage of time.  
With God Himself to bind the twain,  
Go forth, brave heart! Attain! Attain!

## LOOK UP!

Look up! and not down;  
Out! and not in;  
Forward! and not back;  
And lend a hand.

## A RULE

Do all the good you can,  
By all the means you can,  
In all the ways you can,  
In all the places you can,  
At all the times you can,  
To all the people you can,  
As long as ever you can.

## OUR PRAYER

God, make the door of this house of worship wide enough to receive all who need human love and fellowship and a Father's care; and narrow enough to shut out all envy, pride and hate. Make its threshold smooth enough to be no stumbling block to children, weakness, or straying feet; but rugged and strong enough to turn back the tempter's power. God, make the door of this house the gateway to thy eternal kingdom. Amen.

## BEATITUDES FOR CHRISTIAN LIVING

"Blessed is the man who can endure an hour and a quarter in a place of worship as well as two hours and a half in a place of amusement.

"Blessed is the man who will not strain at a drizzle on Sunday and swallow a downpour on Monday.

"Blessed is the man who loves the church with his pocket book as well as with his heart.

"Blessed is the church officer who is not pessimistic."

"Blessed is the man who is faithful on a board.

"Blessed is the man whose calendar contains Mid-week Service Night."

TAKE FOR WHAT IT'S WORTH

"Life is to give. Save all you can, but don't  
can all you save."

"Tomorrow will be a better day if you begin now  
to improve it."

"The first thing necessary to make a dream come true is to wake up."

"Don't stop trying; remember it's usually the last key you try that opens the lock."

Last Sunday was a great day in the Rose Hill church when our Beloved Bishop Paul B. Kern preached and dedicated the Church unto the service of our Lord. A great crowd was present to enjoy a great service.

Drunk and drinking automobile drivers is getting to be a very serious thing in our state. The State Division of Highway Safety recently announced, "Four more automobile driver's licenses have been revoked following convictions of larceny of cars, and 15 more for driving under the influence of liquor. The revocations bring the total since law went into force last November up to 2,340."

"A NEW YEAR'S MOTTO"

I asked the New Year for some motto sweet,  
Some rule of life by which to guide my feet;  
I asked and paused. He answered, soft and  
low,

"God's will to know."

"Will knowledge, then suffice, New Year?" I  
cried;

But ere the question into silence died  
The answer came: "Nay, this remember, too,  
"God's will to do,"

Once more I asked, "Is there still more to  
tell?"

And once again the answer sweetly fell:  
"Yea, this one thing all things above,  
"God's will to love."

What are the dreams that lure as you face a New Year? What will be the laments or joys as it closes

The Woman's Missionary Society will hold its first meeting of the new year as a General Meeting Monday afternoon at 3:30. This is a most important meeting, as the new circle memberships with the leaders will be announced, and the Annual Pledge Meeting will be held. Every member of the auxiliary is urged to be present, and all women in the church are cordially invited to affiliate.

The Week of Prayer by Christians everywhere is called by the Federal Council of Churches for the coming Week. For the convenience of the members of this Church we list below the prayer topics and some Bible references.

MONDAY: Prayer for the Rediscovery of the Reality of God; Psalm 139; John 4:19-26

TUESDAY: Prayer for Forgiveness: Psalm 51; Ephesians 1:3-14

WEDNESDAY: Prayer for the Church: John 17; Acts 12:1-19; 20:17-38; Revelation 2 and 3

THURSDAY: Prayer for the Nations: Ps. 67; Is. 2:1-11; Chaps. 60, 61, 62

FRIDAY: Prayer for a Spiritual Awakening: John 16:7-14; Acts 1:12-14; Gal. 3:16-24

SUNDAY: Prayer for the Coming of the Kingdom of Heaven on Earth. Psalms 24, 45, 48; Matthew, Chaps. 5, 6, 7, 10; Rev. 22:10-20

The pastor will use the topic for prayer for Sunday as a theme for the sermon.

THE ALDERSGATE REVIVAL

MY COVENANT

I commit myself to the spiritual ideals and the concrete purposes of the Aldersgate Commemoration and pledge to work under the direction of my pastor in the Aldersgate Revival. I covenant with God (1) to use all the means of Grace for the renewal and deepening of my own personal experience of religion (2) to visit the seemingly careless members who have neglected their duty and try to win them back again (3) to win one or more persons for personal allegiance to Christ and membership in the Church (4) to serve in any capacity in the Aldersgate Revival as indicated by my pastor.

Prayer Meeting & Choir Practice

Wednesday Evening 7:50

Be Present!

"Out of the depths have I cried unto Thee, O Lord. Lord, hear my voice." Psalm 130:1,2.

You can almost hear the sound of sobbing. This cry for help, so earnest, so pathetic, has arisen out of a great sense of need. God always takes notice in a situation like that.

Can it be that I have missed the sense of his presence. and the visitation of His power, because I have felt self-sufficient?

In this quiet moment as I think deeply about it, I see how dependent I am. And for those deep soul hungers of mine, who but God is adequate? When I admit my need, the door of my heart swings open and God comes in.

"John that young man has had a wonderful experience," said Charles Wesley in reference to Peter Bohler. "Just such an one as you and I have prayed for and our father talked about."

Just a month before his Aldersgate experience, John Wesley declares to his friends, "I am following after if haply I may find Him."

To this man who felt his need, who prayed, and persisted, God came in mighty power.

#### PRAYER

Help me, O Father, to clearly discriminate between my wants, which are many, and my real needs, which are few. I thank Thee for Thy blessed promise to supply those needs out of the riches of Christ. Quiet my fears. Help me to know that Thou art adequate to every need. In this assurance may I find peace. Amen.

#### Thought For The Day

"Blessed are they which do hunger and thirst after righteousness: for they shall be filled."

- From "Upper Room" Feb. 2. By Geo. A. Fowler.

"Standard Training School" Begins February 13 th. at Gastonia. Plan to go.

"Aldersgate Mass Meeting, Charlotte, Feb. 10th"

## -THE CHURCH-

The church is of God, and will be preserved to the end of time, for the promotion of his worship and the due administration of his word and ordinances, the maintenance of Christian fellowship and discipline, the edification of believers, and the conversion of the world.

---

And the gates of hell shall not prevail against it.

Enter into her courts with praise.

### May For Missions

In Our Church Program, May is Foreign Mission Month—a time to give particular attention to our Church's mission work.

# PRESBYTERIAN CHURCH BULLETIN

Sunday, May 1, 1938

"Sudden, before my inward, open vision  
Millions of faces crowded up to view.  
Sad eyes that said, 'For us there's no provision;  
Give us your Savior, too.'  
'Give us,' they cry, 'your cup of consolation,  
Never to our outstretched hands 'tis passed;  
We long for the Desire of every Nation,  
And, oh, we die so fast.'"

# THE POWER OF GOD

## Some Answered Prayers

Mrs. Sydenstriker, in Brazil, calls the sunrise prayer service the "power-house of the church." Mrs. Gammon, in Brazil, recalls just a few answered prayers during the past year:

The lives of two mothers saved, when doctors said there was no hope.  
Souls saved and brought into active service in the church.

The church debt paid.

A Christian home found for a homeless girl.

An almost-wrecked home restored and made a spiritual force in the community, the husband and father taking his place as an active Christian worker.

A revolution averted.

A young man dedicating his life to the ministry and to foreign missions.

These are some of the outstanding results; how they should stimulate us!

"All power is given unto me in heaven and in earth;  
Go ye therefore, and teach all nations."

"The gospel of Christ . . . is the power of god unto salvation."

*Are we making full use of this power?*

## Days of Opportunity

Just remember that Christ by dying gave life to an unnumbered multitude. So the stopping of our school work here in Korea has given a tremendous witness to the meaning of Christianity. We do not know what a day may bring forth; our times are in the Lord's hands, but we know His promises and we see with our eyes the beginning of their fulfillment. This year there has been a doubling in size in our woman's Bible Class here, and many new faces are seen in our churches. There were five thousand more on the rolls of the Presbyterian churches this year than last, according to the General Assembly report in Korea.

—J. V. N. Talmage.

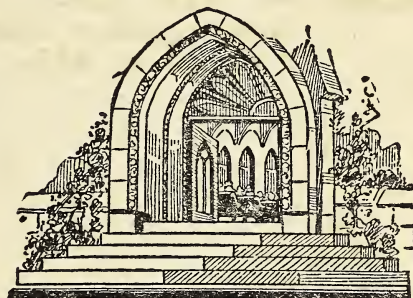

This is Foreign Missions Day in Sunday Schools.  
Pray for God's Blessing Upon Impressions That Have  
Been Made.

The Aldersgate Mass Meeting at New Bern next Monday will be the first in this conference. We want the Vanceboro Circuit well represented. Hours from ten A.M. through the afternoon. That night at 7:30 there will be a special Youth Rally. Bishop Edwin Hughes of the Northern Methodist Church and Bishop Paul Kern will speak.

Are you supporting the work of the church? The orphanage, benevolences, and missionary program of the church need your support. Let each one contribute regularly to the church.

In the quiet of your own home ask yourself these questions: Have I grown in 'Grace and in the Knowledge of Our Lord and Saviour Jesus Christ?' What are the Habits of My Religious Living? What About the Holy Scriptures? What are My Habits of Bible Reading? What about My Habits of Worship Other than Those of Private Devotion?

Representative of all civic, religious and business Clubs are sending representatives to this gathering to start something for boy and girl scouts, the younger ages, and adults, providing a more wholesome and constructive way of recreation and moral growth in the community.

Another Group of Ann Street Church took on a business turn last Thursday evening, when the Intermediates of the Church got under way in full swing. Listen! You will hear from this group!!

A few more homes visited this week. "I'll be knocking at your door soon"--says the Pastor. Believe it or not, visiting is a joy with your Pastor.

## B O W L O O K O U T

Twenty faithful Stewards have been handed their commission to look after the financial needs of the General Budget of the Church. In good faith, these men and women have entered upon the duties of their office. At best, it is not an easy task. But fellow-members, you can help to make their task easier by doing two things. Get the habit of making your contributions weekly or every time you come to Church. If for any reason you are not up to date with your pledge, and a steward calls on you--Your Steward--to talk the matter over with you, be pleasant, and that will help a lot. The more regularly we keep the expenses of the Church up in a good business-like way, the easier it is as we come to close the year's work. If we do this, little or nothing will have to be said from the pulpit and you can come to Church feeling that you will not have to hear a "begging tirade" about money to "run the Church on" and each will do his share, there will be much to rejoice over.

## Sunday Services

Morning Worship (11 O'clock)—"Let's Make Our Highways Safe"

Young People's Division (6:45 O'clock)—League Worship Service

Evening Worship (7:30 O'clock)—"The Missionary Motive"

## Announcements

At the evening service the officers of the Woman's Missionary Society will be installed. Let the officers, superintendents, and circle chairmen occupy the front seats in the center section. The members of the auxiliary will please be seated in the same section just to rear of the officers.

Circle No. 4 (Mrs. B. Moore) will meet at 7:30 on Tuesday evening at the home of Mrs. Jack Harris in Wilkie Development.

The spring Zone meeting of the Woman's Missionary Society will be held on Wednesday, the 16th, from 2 until 4 in the afternoon at the Pleasant Grove Methodist Church.

Each Wednesday evening at 7:30 our prayer services are held. The kind of weather we have makes no difference. We are continuing our Aldersgate studies as we enter the period in which Methodism was born.

We are happy to welcome into our membership today Mrs. J. B. Grant, Evelyn and Betty Grant, all of whom come to us from First Church, Marion, by transfer of church certificate.

Our Covenant Group (those who have signed Covenant cards) and any others interested in the spiritual life of our church will begin a series of meetings to be held at 7 o'clock on Sunday and Wednesday evenings in the class room just to the rear of the pulpit. The first meeting will be held this evening. These meetings are for the purpose of self examination, prayer and counseling together as to how to win others to Jesus.

On next Sunday evening we are to have as our guests the Kiwanis Club. Rev. Mr. Tuttle of Pleasant Grove will deliver the sermon.

Let's all rally behind the Aldersgate Commemoration Program. Our Bishops urge that we be more active attendants on Church School, the prayer meeting and the morning and evening preaching services. Try to get many of our members and friends who have not been attending to form a new habit and come regularly. Be loyal to the church.

## Christian Education

Our entire Church School will observe Sunday, March 27, as Decision Day. During these Lenten days the burden of our work is to lead our boys and girls, our men and women to a more aggressive loyalty to Jesus Christ, our Savior. Under God's leadership we are trying to promote the experience of the "warm heart." On Monday following Decision Day our class in "Church Membership Training" will begin to meet. The first meeting will be held on Monday, the 28, at the church at 3:30. The pastor would like to have in the class all these boys and girls who are thinking of uniting with the church, those who have already joined who feel the need of further training, and interested parents.

Here are the figures on our Church School enrollment and attendance for the month of February:

## Church Business

Look at the "red hand" on the Financial Watch. It shows a deficit of about \$200. That \$200 is somewhere in the congregation—pledged and owing but not paid. Some of the jewels in the watch are not functioning. Brethren, let us get them in order and hide that "red hand."

The pledges on the Parsonage Building Fund have reached \$3100. That means that the goal of \$3500 pledged is assured since quite a number are to be reported on. These pledges are to be paid on or before Easter Sunday, the 17th of April. \$313 has already been paid in. The rest is due in a month. Let us begin now to make arrangements for paying all of these pledges when due.

Parents: Don't neglect the Easter banks your boy or girl brought home. The money saved by them will be brought in on Easter and will be used to apply on the parsonage. There ought to be from \$1 to \$10 in each of these banks. Help your child save. Teach him to give.

This bulletin is made possible by the following firms: Industrial Bank, Home Insurance and Finance Co., Geo. F. Bradley, Jeweler, Forest City Drug Co., Loggett Motor Co., Pure Oil Company. When you visit them, thank them.

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the problem and the objectives of the research. It also mentions the scope of the study and the methods used.

2. The second part of the report is a detailed description of the experimental work. It includes a description of the apparatus used, the procedure followed, and the results obtained. It also discusses the errors and the limitations of the experiment.

3. The third part of the report is a discussion of the results. It compares the results with the theoretical predictions and with the results of other experiments. It also discusses the implications of the results and the conclusions drawn from the study.

4. The fourth part of the report is a conclusion. It summarizes the main findings of the study and states the conclusions drawn from the results. It also mentions the suggestions for further work.

## Sunday Services

Morning Worship (11 O'clock)—"Let's Make Our Highways Safe"

Young People's Division (6:45 O'clock)—League Worship Service

Evening Worship (7:30 O'clock)—"The Missionary Motive"

## Announcements

At the evening service the officers of the Woman's Missionary Society will be installed. Let the officers, superintendents, and circle chairmen occupy the front seats in the center section. The members of the auxiliary will please be seated in the same section just to rear of the officers.

Circle No. 4 (Mrs. B. Moore) will meet at 7:30 on Tuesday evening at the home of Mrs. Jack Harris in Wilkie Development.

The spring Zone meeting of the Woman's Missionary Society will be held on Wednesday, the 16th, from 2 until 4 in the afternoon at the Pleasant Grove Methodist Church.

Each Wednesday evening at 7:30 our prayer services are held. The kind of weather we have makes no difference. We are continuing our Aldersgate studies as we enter the period in which Methodism was born.

We are happy to welcome into our membership today Mrs. J. B. Grant, Evelyn and Betty Grant, all of whom come to us from First Church, Marion, by transfer of church certificate.

Our Covenant Group (those who have signed Covenant cards) and any others interested in the spiritual life of our church will begin a series of meetings to be held at 7 o'clock on Sunday and Wednesday evenings in the class room just to the rear of the pulpit. The first meeting will be held this evening. These meetings are for the purpose of self examination, prayer and counseling together as to how to win others to Jesus.

On next Sunday evening we are to have as our guests the Kiwanis Club. Rev. Mr. Tuttle of Pleasant Grove will deliver the sermon.

Let's all rally behind the Aldersgate Commemoration Program. Our Bishops urge that we be more active attendants on Church School, the prayer meeting and the morning and evening preaching services. Try to get many of our members and friends who have not been attending to form a new habit and come regularly. Be loyal to the church.

## Christian Education

Our entire Church School will observe Sunday, March 27, as Decision Day. During these Lenten days the burden of our work is to lead our boys and girls, our men and women to a more aggressive loyalty to Jesus Christ, our Savior. Under God's leadership we are trying to promote the experience of the "warm heart." On Monday following Decision Day our class in "Church Membership Training" will begin to meet. The first meeting will be held on Monday, the 28, at the church at 3:30. The pastor would like to have in the class all these boys and girls who are thinking of uniting with the church, those who have already joined who feel the need of further training, and interested parents.

Here are the figures on our Church School enrollment and attendance for the month of February:

|                         | Av. on Roll | Av. Atten. |

## Church Business

Look at the "red hand" on the Financial Watch. It shows a deficit of about \$200. That \$200 is somewhere in the congregation—pledged and owing but not paid. Some of the jewels in the watch are not functioning. Brethren, let us get them in order and hide that "red hand."

The pledges on the Parsonage Building Fund have reached \$3100. That means that the goal of \$3500 pledged is assured since quite a number are to be reported on. These pledges are to be paid on or before Easter Sunday, the 17th of April. \$313 has already been paid in. The rest is due in a month. Let us begin now to make arrangements for paying all of these pledges when due.

Parents: Don't neglect the Easter banks your boy or girl brought home. The money saved by them will be brought in on Easter and will be used to apply on the parsonage. There ought to be from \$1 to \$10 in each of these banks. Help your child save. Teach him to give.

# FIRST METHODIST CHURCH

GRANITE FALLS, NORTH CAROLINA

TO MEMBERSHIP AND FRIENDS---GREETINGS!

The first issue of the bulletin is in the interest of our LOYALTY ENDEAVOR PERIOD--March 6th to April 10th.

Each member of the church will be asked to sign a pledge to attend, unless providentially hindered, at least one worship service each week during this period. This period was an outstanding success last year. It was an inspiration to see the church filled to overflowing Sunday after Sunday.

LET US MAKE IT BETTER THIS YEAR!

The pastor, in consultation with the Chairman of the Board of Stewards and the Sunday School Superintendent, is asking the following to serve on the visitation committee:

A. A. Cline, Chairman  
W. L. Deal  
Miss Mary Tilley  
Mrs. A. D. Huffines  
Thad Russell  
Mrs. Cecil Hickman  
H. C. Cobb  
Dorothy Killian  
Mrs. Carl Elmore  
Mrs. Melvin Jones  
Miss Kate Hayes  
Miss Lexie Williams

Miss Frances Sherrill  
Judgie Teague  
Mrs. Fannie Meadows  
Mrs. George Berry  
Miss Mildred Yount  
Miss Williard Payne  
Melvin Jones  
George Fowler  
James Moore  
Mrs. Ben Sherrill  
Miss Glen Morris  
Vincent Bolick

The Committee will meet Sunday afternoon at 2:00 o'clock

During the period of LOYALTY ENDEAVOR our success is not to be measured by numbers. Our aim should be the deepening of our own spiritual lives and the leading of others to Christian discipleship

In our ALDERSGATE COMMEMORATION the young people play an important part. What a fine group of young people we have. As pastor, I have never known the young people of the church to fail to respond to a real challenge. The RETREAT for young people will be held Sunday morning at 6 o'clock. This will be followed by a fellowship breakfast. The following classes are asked to attend this service: Miss Weyburn Carlick's, Miss Williams', Mr. Hickman's, Miss Gladys Payne's, Mr. Billups'. Miss Drum will lead the music; Mr. Klontz will sing.

Beginning Sunday the vesper service will be changed. The evening service will be held at 7:15. The subject: "The Beginning of Methodism in America", the fourth in a series of addresses on "Little Journeys to Methodist Beginnings."

YOUNG PEOPLE! Don't forget to set the old alarm clock Saturday night. See you Sunday Morning.
